Message from the Chief Principal

The last school term of your primary study ended very differently than ever, the actions taken to prevent the spread of the pandemic have caused a disruption in our learning and teaching activities as well as anxiety and concern, but your resilience, courage and engagement, together with the enormous care, support and guidance from parents and teachers have brought you to promotion time and the many joys and possibilities that await you in future times!

With great pride and pleasure, I am excited to say “Congratulations” to each student of Grade Six. The completion of primary study in A-School marks a beginning of an exciting journey ahead, whatever difficulties we may encounter, it is always the same for our aspiring learners to step forward with competence, confidence, thirst for knowledge, friendships and fond memory made on this campus.

As a through-train school, the knowledge and qualities built in A-School, and the connection with your friends and classmates will help your sail through the transition from Primary to Secondary Division with ease. The door to the new world is open to all prepared and equipped minds. Dream big and fly high in Secondary Division. It is where your big sisters and brothers develop interests, reach full potential and find the passion of their life. You will be one of them to leave a glorious mark in the history of A-School. We are looking forward to seeing a better you!

Dr. Chan Wai Kai, Benjamin
Chief Principal
