### 學生感想

G4E ZHU Frederick Shicheng

The exhibition was really special and meaningful to me as one of my drawings was exhibited. Also, I appreciated and learnt from other creative and beautiful artworks. When I introduced my artwork to others, I was quite nervous but I felt proud of myself. It was an amazing experience!

### G12A LAU Hiu Ching

I am delighted to be involved in the opening ceremony of the brand new Visual Arts studio. In recent years, not only did our Visual Arts students receive a number of notable awards, some of them have also been admitted to well-known art schools around the world. A-School has been supporting the Visual Arts development comprehensively, providing us with well-equipped facilities and numerous opportunities. We now have more areas to work on art, to show our talents and continue to strive for excellence.

## 開放日暨專題研習成果分享日

## 十周年慶典

為分享我們成立十周年的喜悅與成果，我們於2016年7月9日舉行「開放日暨專題研習成果分享日」。

活動當日由中國鼓隊的表演揭開序幕，其後來賓可自由參觀校園，欣賞學生的專題研習成果匯報及各個學科展覽。校園地下亦設置多個遊戲攤位及安排學生表演，參加者均樂在其中。

我們更十分榮幸邀得香港賽馬會賽馬培訓發展委員會高級經理暨實習騎師學校校長陳念慈太平紳士擔任頒獎典禮的主禮嘉賓，她讚賞全校上下一心所付出的努力，更鼓勵同學繼續主動學習及放眼世界。

### G10E 黎永豐

在PBL中，我們嘗試了很多第一次。第一次出外訪問企業，第一次自己約企業（英記茶莊）做訪問，第一次在PBL得獎。很感謝藍老師的指導和幫助，讓我們初嘗成功的滋味。

### G6D LUONG Eden King Yin

"Being realistic is the most common path to mediocrity," said by Will Smith. PBL is a fun way to learn by playing. We played mini games related to the interesting topic that relates to our social life. We learnt about where rats lived and how the Great Plague started. PBL is not like any of the other subjects. It is a fun and interesting experience for me.

### G6D LEE Isabel Cheuk Yan

"If you lose any of your groupmates, do not even think of finishing your projects." PBL is a fruitful term in my school life. We studied different topics, and my group studied Hong Kong Poverty. After our visit to one of the food banks in Hong Kong, we made our posters and PowerPoint. The most challenging task is to build a cage home and wrote a song. I found these challenges were really successful and exciting.

## 10<sup>th</sup> Anniversary Celebration

## Homecoming Dinner

A-School has nurtured several batches of graduates and a Homecoming Dinner was held on 9 July 2016 so that they could reunite during the 10th Anniversary.

In the dinner, apart from the fabulous banquet, there were wonderful performances and sharing by alumni and teachers. It gave all the guests a pleasurable and exciting Saturday evening. Also, the inauguration ceremony of the committee composed of different batches of alumni of the 1st HKBUAS Alumni Association was held in the event. It aims to maintain and promote networking and friendship amongst its members, to strengthen the ties between alumni and the school, as well as to foster a spirit of loyalty towards A-School.

We look forward to gather more alumni in the next decade!

**KONG Maverick Chapman**

**2013 Graduate, currently studying Physics in HKUST**

Homecoming dinner was a precious moment for me. It's wonderful to see all the familiar happy faces at the same place again after my graduation. I really appreciated the efforts by A-School and the Alumni Association for organising the event and gathering us. I found we were so familiar with the place and schoolmates as if we're never apart. As a performer, I was so thankful and excited to perform on the stage just like what I did in the past. Thank you A-School for giving us this unforgettable night!

**吳海滔**

**2014 畢業生，現就讀 University of Queensland 經濟學系**

自己和中學好友都於海外留學，實在非常感謝 A-School 和舊生會令我們再次聚首一堂，這個相聚時刻特別珍貴。畢業後甚少有機會回校探望老師和校工，藉著這個契機，我能跟一眾良師益友暢談一番、欣賞校友的表演並回憶舊事的點點滴滴，感覺是那麼的親切和熟悉。希望我們的關係和 Homecoming Dinner 一樣，能夠一直延續下去。

# Our FUTURE

## Dr. Benjamin Chan Wai Kai, School Principal

The success of a school lies on a group of devoted teachers who act as the navigator of students, guiding them to establish positive attitudes, instil right values and broaden the knowledge base in pursuit of dreams.

A-School is proud to have a team of passionate teaching staff. They are professional as well as energetic. They build up a close and an interactive relationship with students, just like mentors and companions, and thus creating a happy school life to nurture students to accept challenges and embrace local identity with global perspective.

As the first university affiliated and a through-train direct subsidy scheme school, A-School receives the appropriate learning and teaching support from our sponsoring body, the Hong Kong Baptist University in one hand, and is empowered by the authority to use the resources in a more flexible way in other, and therefore allow us to design the curriculum and put the resource to cater for the development of the future generation. Except Chinese related subjects, English is adopted as the medium of instruction. We are dedicated to striving for excellence. We think outside the box and break the rules to establish our unique culture. We take care of the individual ability and needs of students, teach them mutual respect and independent thinking, as well as assisting them in mapping out their career and life plans. We place high emphasis on whole-person development. Apart from the general academic aspect, nurturing students' capacities of science & technology, humanities, literature, aesthetic and sports places equal importance. Various platforms and ample opportunities are provided for students to explore their potentials.

Our efforts in the past 10 years bore fruits. As at to date, we have nurtured about 500 graduates in five batches. The overall further study rate reached 98%, in which the number of graduates studying in local and overseas tertiary institutions achieved over 60% and 40% respectively. More than 70% of graduates are admitted to undergraduate programmes each year. We are pleased to see that all graduates demonstrate the school's spirit of striving for excellence in pursuit of knowledge of higher level. Some continue their study in local higher education institutions, and some others in overseas colleges in the United Kingdom, Australia, Canada, USA, China, etc., among which many of them are on the list of top 100 QS ranking.

Entering into the second decade, A-School will be committed to reviewing and fine-tuning the curriculum to suit the development of our students. The middle school concept will be applied so as to lay a good foundation in junior secondary grades to enable students better understand their aptitudes and aspirations and plan for their further studies. We offer multi study pathways. Not only can students select the DSE stream, but also the GCE A-level curriculum. We are the authorised Cambridge Associate School in the territory. The accreditation is a quality assurance of our curriculum planning and implementation, as well as a full support from the Cambridge International Examinations, thus facilitating us to provide better support to students for their overseas study.

International perspective is an indispensable quality of the future generation. A-School has well established an exchange network with 16 partner/sister schools from all over the world, through which a wide variety of exchange programmes and excursion activities are offered to broaden the horizon of our students. The programmes, ranging from one week to half a year, allow the students to attend academic and non-academic classes at overseas schools with a view to getting an overall idea of the education system of other countries, making new friends, as well as exploring the custom and culture of different countries.

All along A-School is dedicated to creating a unique learning environment for further flourishing the potentials of our students. After two-year of construction, the Madam Wong Liu Wai Ming Building has been fully come into operation. The building accommodates various facilities to support students' versatile learning activities, including the indoor gymnasium for different kinds of sports activities, a visual arts gallery for lesson and exhibition, a studio theatre which could be turned into a lecture theatre and venue for music and theatre performance, small classrooms and outdoor basketball court.

We would like to witness the youth achieve more and farther in the way of pursuing their dreams. We believe our dreams will come true.

# 展望 將來

## Mr. Patrick Lam Hak Chung, Head of Primary School

It has been two months since the start of this school year. I would like to express my sincere gratitude towards my colleagues and parents for your continuous support to A-School. Here are a few highlights of recent development in the Primary School.

To begin with, we continue the broad and balanced curriculum and vigorous learning experiences. This year, STEM education is initiated in forms of a new subject across all grades. It is an authentic integration of science, technology, engineering and mathematics that develops creative problem solving skills amongst students. In addition, coding education is enhanced in A-School as we are selected as one of the 32 pilot schools in the CoolThink@JC project funded by the Hong Kong Jockey Club. It equips our students with computational thinking skills in solving real world problems, which is embedded in our ICL curriculum.

We care deeply about the character development. The annual theme is Respect, categorized as "Respecting Myself", "Respecting Others" and "Respecting the Environment" progressively throughout the year. With a lot of school activities and award schemes, it is our sincere hope that our students will become respectful persons with a spectrum of related attributes. Besides, the Sixth Graders had a rewarding week at Outward Bound in October. They develop essential generic skills such as problem-solving and collaborative skills for their next stage of learning. It is encouraging to witness our students as they go beyond their comfort zone.

We treasure parents as our close working partners. The PTA Annual General Meeting cum Staircase Charity Run & Carnival was successfully organised on 15 October while a number of exciting activities are coming soon. We also thank the parent volunteers for their enthusiasm in different areas. Besides, thanks parents for their overwhelming enrollment and participation at the three monthly chats with the Head of Primary School and Management. In the meetings, parents exchanged valuable opinions on various school issues while their voices have been well heard and put forward to our further planning. Furthermore, the Parent Forum Series, a monthly platform for a focused dialogue with parents on specific issues will commence in December.

Let us join hands for the fruitful and extra-ordinary growth journey amongst our A-School students.

*"Train up a child in the way he should go: and when he is old, he will not depart from it."*

## 我們的

### 王錦輝慈善教育基金會執行主席 金城營造集團主席兼行政總裁 王國強博士工程師 GBS, SBS, JP

「做人要有意志，要有面對困難的勇氣，要有自強不息的精神。」這幾句話是校董王國強博士在訪問中經常掛在嘴邊的。作為首批榮登香港工程師學會「名人堂」的傑出工程師，王博士強調自己是經歷了很多艱難的日子才取得今天的成就，而成功靠的不外乎是「努力」和「永不言敗精神」。

很多人見到金城營造集團的規模都誤以為王博士是含著金鑰匙長大的。王博士說，他的童年與當時許多人一樣貧窮。1960年，十二歲的他隨父母坐火車來香港。「我睡過放在露天的帆布床、住過徙置區、板間房，後來住天台木屋。」父親因為讀書不多，工作得很辛苦，甚至被人欺負。王博士坦言當時他不懂英文，連做童工的資格都沒有。在姑父的建議下，他花了幾個月時間學會英文字母和簡單的單詞，終於入讀正統學校。課餘時，他要幫家人做事賺錢，雖然很辛苦，但令他更珍惜每一個來之不易的學習機會。「我唸完工專(香港理工大學前身)後想去加拿大讀書，但父親沒有很多錢供我，我便自己工作四年，存了錢再去讀。」

或許就是這種對知識的渴求，讓他面對學業的挫敗不灰心。王博士在工專讀書的時候，全班有36個同學，包括他在內的26位同學曾因「流體力學」這門課不合格而遭退學。但他們沒有放棄，繼續工作、升學。王博士覺得安逸會令人不求上進，回頭來看，當天的挫折反而成了進步的動力。他表示要獲取成功，就必要學會刻苦耐勞，不管遇到甚麼難題都要自強不息，不要灰心退縮。

人的進步要靠教育，貧困地區的學童更需要求學、求知的機會。

A-School捐助人王錦輝先生多年來積極資助內地貧困地區辦學，「我們要讓想讀書的人能有讀書的機會。」王博士這樣解釋了父親的義舉。因為只有幫助貧困的學生獲得受教育的機會，日後他們才能貢獻社會。「資助教育是父親開始做的，我是第二代，我的下一代也將一代一代繼承下去。」

對A-School這十年的發展，王博士表示很滿意，希望學校能繼續提供優質的教學，並期望莘莘學子能謹記校訓，做一個品德兼優的人。現在好好學習，日後有學識、有能力了，要對社會有承擔、有貢獻，做有用的棟樑。

# MANAGERS 校董

## Council & Court Member, HKBU Chairman, Hong Kong Bar Association Senior Counsel, Des Voeux Chambers

### Ms. Winnie Tam Wan Chi, S.C.

Throughout the years, A-School has had the privilege in having distinguished members of society to be School Managers. One of the most well-known School Managers is Ms. Winnie Tam SC, the Chairperson of the Hong Kong Bar Association.

Initially a Court Member of the Hong Kong Baptist University, Ms. Tam was invited to take on an additional role of School manager. Ms. Tam was impressed by the sense of creative freedom in A-School, which was rather different from the schools she knew and used to. "It's not just the bits and pieces of artwork which was dotted all over the campus," Ms. Tam said, "but it was also the general atmosphere of encouragement of exploration and creativity hanging in the air."

Ms. Tam was delighted to share her long career path to a barrister specialising in intellectual property rights. "The decisions that I made that didn't work drove me to make other decisions which then turned out to be right." She responded. She wanted to devote herself into law drafting due to the looming challenges of the handover as well as making the best use of her strong ability in Chinese and English in the beginning. "That was a way that I can contribute by making the best use of what I was good at." However, she decided to start a career as a barrister instead of a solicitor, as she preferred courtroom debates rather than paperwork after her experience in law drafting. Another notable decision for Ms. Tam was to give up her job in Hong Kong and start specialised training in intellectual property law when she thought criminal law was taking her too much time and losing the opportunity of changing to different streams of legal practice.

Ms. Tam has kindly given us some advices in decision making. "Focus on opening your eyes and ears," she advised, "acquire knowledge, and strengthen your power of observation, so you can see where your opportunities are." She explained that it enabled one to have an informed view when it is time to make decisions. She recalled that if she didn't have the opportunity in encountering music composition when she was young, she wouldn't be specialising in intellectual property law today. She also advised us not to be too ready to follow the pathways of previous successful people and be open-minded because the world is changing. Furthermore, adaptability is a strong asset that Ms. Tam suggested students to acquire so that they could take risks and push their potentials to a higher limit.

The challenge to the rule of law as an aftermath of the polarisation within society was another issue in which Ms. Tam expressed her concerns. Despite admitting that rule of law is not the solution towards this phenomenon, which was seen after the occupying movements, she said it was very important to preserve the concept of rule of law in the midst of this turmoil. She also stated that the rule of law triumphed finally by quoting the case during the occupying movement, where a court order led to the eventual dispersal of occupiers and solved a problem which seemed insolvable. Regarding the criticisms towards the judiciary where judges were accused of having political affiliations and being biased, she swiftly dismissed the accusation on the grounds of no evidence and said that judges were only doing their jobs. Citing the case of the Mong Kok incident, though convicted rioters were sentenced "too leniently" in the eyes of some citizens, some defendants who were brought to the court during the incident didn't necessarily committed acts which are shown on TV people and they should be trialled and sentenced according to the evidence against them. The importance of equality before the law is also stressed by Ms. Tam, describing it as two-way street where citizens should abide by the law and the government should be kept under scrutiny through law in the meantime.

Lastly, Ms. Tam gave us useful advices when it comes to abiding by the law. Understanding more about the law and the reason behind them is recommended as the law governs the progress and operation of the society. Despite being imperfect and even outdated for certain cases due to the advancement in society, progress in law should be made continuously.

## 2016/2017 中學部開學禮

悠長暑假過後，師生再次聚首校園，一同邁進新學年。

我們於2016年9月1日舉行了開學禮，承蒙本校校董**王錦輝慈善教育基金會執行主席及金城營造集團主席兼行政總裁王國強博士工程師GBS, SBS, JP**撥冗出席典禮，進行王錦輝助學金支票頒贈儀式，以及為我們頒發教師嘉許獎。而校長**陳偉佳博士**亦藉此向大家介紹行政團隊及各位新老師，並勉勵同學在來年繼續積極學習、力求卓越。

同時，2012年首屆畢業生**陳澤賢**回到母校與師弟妹分享他在美國加州大學柏克萊分校的學習經歷及現況，各同學從其分享中得到不少啟發。

## 傑出藝術老師獎 羅醒楷老師

由香港藝術發展局舉辦的「傑出藝術老師獎」，每年均選出多位老師以表揚他們積極推動藝術教育，帶領同學參與不同藝術活動，而本校中學部視覺藝術科主任**羅醒楷**老師憑其優秀表現獲得此殊榮。

### 老師感想

衷心感謝陳偉佳校長的提名，讓我獲得香港藝術發展局的嘉許。在香港推動藝術教育從來不是一件容易的事情，在過去的日子中，感激校方在藝術教育上不斷的支持及鼓勵，發展了富特色的校本藝術課程及活動，包括藝術家駐校計劃、Apex畢業展及海外藝術交流團等，栽培了現於各地的A-School藝術學生，希望他們將來也能為香港的藝術圈注入更多的可能性。最後要多謝兩位與我並肩多年的組員**鄧紹南**老師及**霍瑞棠**老師，讓我們繼續努力向前吧！

### 視覺藝術科學生分享

#### 張芷晴 (2016年畢業生)

學校邀請不同藝術家教授知識及分享經驗，令我獲益良多。對中學生來說，有機會舉辦展覽、參加多項比賽，實屬難得。令我最印象深刻的是藝術家**王天仁**老師及**楊秀卓**老師的工作坊，為期三個月的相處讓我感受到他們對藝術的熱愛及執著。

#### 鄧曉琪 (2015年畢業生)

畢業展對我來說印象很深刻，從把作品釘在牆上、預算展品位置及距離等都是自己份參與。學校一直重視創作意念，指出藝術不局限於畫畫或平面創作，而是多元化發展。老師更會留意時下流行的藝術家，介紹新興的創作意念及技巧。

# 獎學金 SCHOLARSHIP

本校多位學生榮獲不同團體頒發獎學金，以表揚他們在不同範疇的傑出表現。

## 領展 「第一代大學生 獎學金」

**CHAN Mang Cheong**  
2016 Graduate, Hong Kong Polytechnic University

Getting this scholarship is such a precious and unexpected gift for me. Thus, I want to express my sincere gratitude to A-School and the teachers for nominating me to apply for this scholarship, which will definitely benefit my university study. I hope I can contribute the society with the things that I learnt in A-School and the university in the future, and to bring honours to my alma mater, A-School!

## 2016 Upward Mobility Scholarship

As one of the projects under the "Future Stars" programme, it is awarded to the youths who have demonstrated a positive attitude in countering adversity. Awarded students can utilise the scholarship amounting to HK\$5,000 each to realise their goals and plans.

**G12D CHAN Ho Sum**

I am glad to receive the scholarship from The Hong Kong Council of Social Service. The point was not getting a huge amount of money, but it taught me to be thankful. I reach to spread the heart of caring and the good things to others too. Lastly, I would like to thank HKCSS, the sponsors and teachers again!

**G12D CHOW Wai Ting**

I am thankful to get this generous support, supporting my chase on my unrealistic dream. To climb a steep hill requires a slow pace first, all you need in life is 20 seconds of courage to continue after the slow pace. Don't hesitate when you see an opportunity. Dream doesn't come easy, you can't fail from trying, you fail because you give up.

## 香港廣東社團 獎助學金計劃 2016-2017

The Primary School Student Council this year consists of 10 dedicated members that come from G4 to G6. They will work under the guidance of Miss Cecilia Yiu and Mr. Kan Chan. A short but formal ceremony was held on 31 October 2016 at the school hall to introduce the members to the whole school. The Student Council members also took a pledge and were presented with a badge. They will work closely with students, staff, school management, and maybe even parents for the benefit of the school and its students.

#### G4D SUNG Kian Chong Hung

My main reason for joining Student Council this year is to help the school improve by creating a better school environment. I would especially like to suggest upgrading or repairing old or worn-out facilities like water coolers. Through being in the Student Council, I hope to polish my leadership skills which can benefit me when I cooperate and collaborate with others in group work or during PBL term.

#### Primary School

# Student Council Student Union

#### Secondary School

The HKBUAS Student Union was established in 2010. Students will form cabinets to run for the election. By one vote per voter, the entire student body selects the Cabinet to be in charge of the Student Union affairs for one year. Throughout its term of service, the Student Union co-ordinates activities and promotes students' welfare as well as acts as a bridge between the student body and the school authority in furthering the interests of the students and the school as a whole.

#### G10A LAM Ching Long Chairperson, Student Union - DNA

I would like to use this opportunity to express my gratitude towards my fellow schoolmates and simply outline the upcoming year. DNA stands for the Determination 'n' Accomplishment which implies that we are determined to accomplish our goals. We listened to different opinions during the election and we promised to strain every nerve to bring a fruitful school life to every one of you by holding distinct activities and striving for the best welfare. Just like a DNA structure, we hope everyone can bond together and create a unique and extraordinary experience at school.

# 為夢想 飛翔

## 中國首位女航天員劉洋女士

### 分享會

20多名師生於2016年10月7日參加了「為夢想飛翔：中國首位女航天員劉洋女士」分享會，親身了解這位女航天員的經歷和進入太空的感受。劉洋女士的分享讓同學眼界大開，獲益良多。

#### G5B CHAN Yik Linford

I was very excited and I thought it was very interesting to learn more about the training of an astronaut in China.

As shared by Ms. Liu, astronaut trainings were very demanding. I found it most impressive that she stayed inside the training campus for two consecutive years without one step outside! I admired her perseverance and determination because she put lots of effort in it.

#### G10B 鍾峻宇

劉洋女士成為中國首位升空航天員的那一年，我只有11歲，當時從未想過能有幸親身細聽她的精彩故事。

最讓我印象深刻的莫過於她面對艱難的訓練時流露出堅毅和永不放棄的精神，她傳授了一個堅持不懈的秘訣：不忘初心。面對我們的學業和生活，我們也要學習做一個堅韌不拔的人。

# 家長教師會周年大會及 活力校園跑樓梯大賽

家長教師會週年大會已於2016年10月15日順利完成。當天除了回顧過去一年的精彩活動外，還舉行第十屆家長教師會委員會的就職典禮。當日還有一年一度的活力校園跑樓梯大賽，比賽氣氛非常激烈。除此以外，義工家長及老師更為參加者準備了各式各樣的攤位遊戲及STEM活動，大家都渡過了一個充實的早上。

### 主席的話

#### 家長教師會主席－胡凱欣女士 (G2A 李焯棠家長)

今年能夠成為第十屆家教會主席，實在有點受寵若驚，也非常感謝各位委員的支持與信任。

這一年我們除了會如往年一樣，舉辦各種親子活動、講座以外，我們希望能籌辦一些義工及保護環境的活動，把愛心傳送到社會。我們的動力有賴各家長及老師們的支持，希望大家繼續支持家教會！

### G6D LAM Hei

It was an unforgettable experience. When the competition was about to start, I felt very nervous. Once the referee blew the whistle, I used all my energy to get a head start. There were a lot of challenges throughout the race, and the last one was very challenging. I had to put a beanbag on my head and walk steadily towards the finish line. I was so glad that I won the first place at last.

### G6A 余浚灝

活力校園跑樓梯競技賽又到了！我勇於挑戰自己除了參加「個人賽」外，還參加了「師生賽」。當天我身體不適但仍堅持作賽，鼓起勇氣永不放棄。完成「個人賽」後感到無力再作戰，但得校長鼓勵，我休息一陣子又再作賽。雖然比賽輸了，但我很開心，下次會繼續努力。

# Outward Bound Camp

In order to foster students' courage, enhance their self-confidence and build up their team spirit, the school co-organised a 5-day-4-night training camp with Outward Bound Hong Kong for all G6 students. The camp was held on 10-14 October 2016, and they had to overcome a number of challenges including jetty jump, gorge walk and camping. This was a great experience for all participating students.

## G6E NG Pui Nam Ashley

"Give me your hand I can help!" I said. I'm grateful to strengthen our team spirit by jumping over all the hurdles. I felt so excited to go to the Outward Bound. I was first hesitant to do jetty jump but I did it three times at last. Now I dare to handle new challenges and enlarge my comfort zone dramatically.

## G6A 黃珮珊

這個活動讓我變得很勇敢，一開始我覺得這是一個地獄，後來才發現我並不是自己一個人在作戰，身邊還有不少朋友，教練去支持我，鼓勵我！非常感謝您們！

## G6E MOK Molly

I had interesting and amazing experiences in the Outward Bound. My most memorable and favourite activity was jetty jump. We had to jump into the water from the pier that is about four meters high. I was not afraid at all because I had my teammates to cheer for me. In this activity, I learnt about the importance of teamwork!

It is our honour that **Miss Stephanie Au Hoi-shun, Hong Kong Swimming Team Member and the flag bearer for Hong Kong in the Rio Olympics Opening Ceremony**, was invited to be our Guest of Honour in the Prize Presentation Ceremony. I am very happy that I won the individual champion at the Aquatic Meet this year. Two years ago, I was really upset and disappointed that I got only the second runner-up. But then, I knew that I need to work harder to win the champion. Big thanks must be given to my swimming coach. "Hard work pays off"! That's true! I finally achieved my goal!

### G10C Yung Long Yin Cyrus

As an athlete, winning is what motivates me. I'm very glad that I could get the B Grade Individual Champion. Though I was injured this year and I was not satisfied with the record, I've learnt a good lesson from the competitions. Of course, I still have a lot to learn and I hope I can swim even better next year!

## Primary School

A new batch of G1 students attended a 2-day Orientation Camp held at school during late August. The G1 students attended English, Mathematics, Chinese and Visual Arts lessons. Apart from that, they also got to play ice-breaking games with their class teachers and Physical Education teachers. To familiarize them with the environment and surroundings of the school, class teachers also arranged a short tour around the school. They were mostly amazed with the size of the library! The Orientation Camp definitely allowed the G1 students to get a taste of their upcoming primary school life!

## Grade 1 Orientation Camp

### G1D KWOK Sophie

During the Orientation Camp, I liked Visual Arts lessons the most as I love drawing pictures! I also remember making a foam hat for myself during English lessons. I used sticky foam letters given by the teacher and stuck my name on the hat. I even wore it to a restaurant!

### G1D LEE Ryan

I enjoyed having PE lessons during the Orientation Camp. We had to crawl under wooden stools as quickly as we could! On the first day of the camp, I felt quite scared as I knew no one. However, after two days, I made a new friend in my class called Evan! Besides enjoying PE lessons, I also enjoyed English lessons as the teacher read me stories.

# Grade 7 Orientation Camp

The G7 Orientation Camp was held on 11-12 and 15-16 August 2016. While the others were having their summer holidays, our G7 students were all ready to prepare for their secondary school life in A-School. We are impressed by their attitude and performance. They were polite, active, patient and hard working. We wish you all the best and always strive for excellence in the coming years.

### G7B LEUNG Shing Fung Seth

In the Ocamp, I joined a lot of games and training. My favorite one is "Treasure Hunt" because we had tried our best. Although we made mistakes, Ocamp was fun and we could learn a lot!

The Class cheering slogan I have composed:

Who is the best - Chamber B

Hard working as a Bee

The Best Chamber you can see

We are - "Chamber B"

### G7A MAK Pui Ching

It was an unforgettable experience, although we had a tough time in the camp, which was marching for hours each day. We got to learn to tolerate and work with effort in order to succeed. All of us learnt to be more co-operative throughout this camp. We also learnt more about each other. After the camp, we understand that we have to do our very best, striving for excellence and never give up.

# 公益金 · 便服日

為了讓學生多參與公益事務，學習回饋社會，本校師生參加了公益金一年一度舉辦的便服日，並把活動主題訂為「世界公民」，讓學生發揮創意，把自己打扮成全球不同地方的人民。當天校長、老師和學生都悉心打扮，學校裏不僅有中國公主、美國西部牛仔，更有蘇格蘭勇士呢！

## G5E 潘律均

這個活動令我留下深刻印象。我們不是捐款很多，但公益金的意義是積少成多，如果每個同學都捐出一點點，就可以幫助很多有需要的人了。那天我扮成一個韓國妹妹呢！

## G5C 余芯怡

我覺得這個活動非常有意義。便服日那天，有很多同學裝扮成不同國家或民族的人，大家一起在中庭參與服裝展，好不興奮！

# 牽手向前家長小組 義務工作

由一群志願家長組成的「關愛義工組」（簡稱「關工組」）致力通過社會服務，關愛社群，以生命影響生命，培養孩子品格，促進親子關係。

去年，小組籌劃了兩個活動，為保良局老人中心的長者和耀能東九龍訓練中心發展遲緩的孩子服務，內容包括表演、互動遊戲及手工製作，均由家長帶領孩子一同策劃參與。這些回憶片段，成為了家長和孩子們難得的寶貴經驗。

希望培養孩子的同理心並與孩子並肩成長的家長，請與學校社工 Sue 姑娘聯絡。期待您加入我們的團隊！

## G5E 鄧凱日媽媽

首次與兩位寶貝一同與長者共渡農曆新年！大寶在探訪中表現尊敬長輩、謙虛受教，實在值得鼓舞；而可愛二寶成為全場焦點，逗得長者眉開眼笑。我們會繼續出動，增加更多正能量。

## G4B 鄧焯文媽媽

我和兒子在活動中受益良多，平時被照料得無微不至的兒子學會去關愛、照顧一個比自己年幼的小朋友，有什麼比這次活動更能深刻領悟和學習到「老吾老以及人之老，幼吾幼以及人之幼」的道理？

## G4B 梁禱擊

做義工使我明白其他人的需要，體諒別人的感受，我要感恩自己很幸福，並希望能將快樂帶給別人。

## G4C CHAN Ching Sum Katrina

In June, I went to the SAHK Centre with my parents and school mates to do volunteer work. At first, I was very nervous and scared because we had to perform a difficult magic trick. I was so glad to see the children at the Centre enjoy our performance. Helping other children makes me feel good!

# Visual Arts Week

Visual Arts Week was held from 23 to 27 May, 2016 and students had a wonderful exposure in Visual Arts. A wide variety of activities, including Printmaking Workshop at Visual Arts Room, Chalk Chalk Time and Baby Qee workshop at Atrium, were held. Meanwhile, student's outstanding artworks were exhibited at 10th Anniversary Exhibition. Through these activities, students showed their great joy to create art pieces together and celebrate school's 10th Anniversary.

## 學生感想

### G4D CHAN Hei Wun Sharon

During the Baby Qee workshop, I drew a cat devil because I liked cat so much. I felt happy when I was drawing patterns on the figure with my friends at atrium. Also I used my imagination and drawing skill, like blending colors, to create my unique figure.

### G4D MOOK Esmee Siebrig

I loved Chalk Chalk Time because I drew lots of things to express my feeling on 10<sup>th</sup> Anniversary with creativity. This was my first time to use chalk to cooperate with lots of schoolmates to create a huge art piece together.

### G6C CHAN Ying Yee

In Printmaking Workshop, I learnt how to carve a plastic board and the printmaking procedures. There were few templates for us to print. It was fun that we printed 10<sup>th</sup> Anniversary logo on color paper to celebrate the school's 10<sup>th</sup> Anniversary.

# GRADE 6 PROMOTION CELEBRATION

G6 Promotion Celebration was held on 25 June, 2016 and it's a remarkable event for our beloved students to celebrate their promotion. Parents, teachers and students enjoyed the precious moment at Disneyland Hong Kong. Wish our 6<sup>th</sup> graders all the best in their futures studies in the Secondary Section!

## 學生感想

### G7A 王天欣

畢業慶典那天，大家都一嘗珍饈美饌和參與熱鬧的聚會，更可和老師和同學一起到迪士尼樂園遊玩。這麼難忘的慶典，為我們的六年小學生涯畫上了句號，也代表我們將邁向充滿挑戰和期待的新旅程。

### G7A CHAN Po Yan

I dreaded the coming of the promotion celebration. I did not want to be promoted to G7 because I was very happy and met many friends in my six years of primary school. We always had time to read and to do anything we liked, while my friends in other schools were tired of tons of homework and tests. During the celebration, I wanted it to go on forever.

### G7B 郭雙

這六年來最開心的一年就是六年級！非常感謝我的朋友們-你們在小息、專題研習還是有困難、不開心時，也會幫助我解圍。在升中典禮被班主任逐一叫到台上向校監及來賓鞠躬，我真的開心到極點！終於完成小學生活，我最喜歡我們的6B班呢！

### 許麗川

大家身披黑長袍，頭戴四方帽，懷著隆重緊張的心，從校長手上接過既輕巧又沉重的畢業證書。小小一面證書，代表中學生涯結束，大學生活近在咫尺。大學課程帶來許多新鮮體驗，實在感謝母校每位老師用心教學，不離不棄，幫助同學逐步追求理想，證書不但是我們的，也是你們的。

### CHOW Chung Hin

Flashing back, it was the best event I ever had. It was not because that I helped organising, but the priceless supports and efforts from our dearest teachers. It reminded us that we would not see our classmates at the same school in the coming days. We have to find ways to remain our friendship, and the most important message behind, we are an adult.

# 5th Graduation 2015-2016

To celebrate our G12 students stepping onto the new stage of their lives, A-School organised a series of graduation activities last year.

## Baccalaureate Service

Every year, Baccalaureate Service is held at HKBU Chapel for all graduands. With God's blessing, our graduands could face the upcoming challenges with confidence and courage.

Despite all the difficulties in preparing for our graduation show, this show was definitely a huge success. I was so glad to be able to introduce my artworks to people from all walks of life. ## 我們的校隊

### 2016-2017 沙田及西貢區中學校際乒乓球比賽男子甲組冠軍

男子乒乓球隊自成立以來，一直表現穩定，多次晉身複賽。於13-14年度，乙丙兩組皆晉身四強，最後分別得到殿軍及亞軍。14-15年度，丙組再次打進決賽，但始終與冠軍擦身而過。15-16年度，乙丙組隊員依然表現突出，其中乙組隊員於與賽馬會體藝中學對壘的決勝局中飲恨，再以亞軍作結。

今年隊員都加緊練習，並提升乙組主力到甲組作賽，希望加強甲組整體實力。經過緊張刺激的複賽日，A-School先後擊敗體藝中學、聖心書院及林裘謀中學，再度躋身決賽。面對實力強橫的德信中學，各隊員必須施展渾身解數方可有機會打破宿命。經歷了幾次失之交臂，隊員們終於拋開心理包袱，打出超水準，突破自己，成功以3:1擊敗對手，贏得A-School首個乒乓球賽冠軍！

#### G10A 岑銳鋒

過去三年，我們都只能取得亞軍。今年我調升到甲組配合其他11年級的隊友，全力爭奪冠軍寶座。經過今次比賽，我吸取了寶貴的比賽經驗，我會繼續努力求進，為A-School奮鬥，爭取下年衛冕冠軍。

#### G11C 郭子謙

是次學界比賽雖然路途艱辛，但仍然十分值得。小組出線後在沒有冷氣的體育館內與隊友奮鬥五小時，互相打氣，互相激勵，最終奪得第一個乒乓球學界冠軍。多謝各隊友的拼搏精神以及各老師同學的支持，希望來年再次奪冠！

#### G11D 黃仲祺

這是我們學校第一個的乒乓球賽冠軍，所以我感到格外興奮。比賽前，我和隊友們勤加練習，為了球隊付出了不少時間，最終能夠奪冠實在是「皇天不負有心人」。

#### G11E 鄭學禮

這次的比賽競爭非常大，每隊的實力都非常平均，雖然自己的隊伍實力不比其他學校遜色，可是沒有想過能夠奪冠而回。但是看到隊友們精彩的表現，這個冠軍也是實至名歸的。

### 2014-2015 及 2015-16 中學校際足球比賽 (沙田及西貢區) 男子丙組冠軍

足球隊成立之初，目的是維繫一群熱愛足球但欠缺有系統訓練的同學，水平比較參差。但隊員們態度正面，專注訓練，希望提升實力參與校際比賽。首兩年的過程頗為艱難，可是隊員們都沒有氣餒，並於11-12年度，首次躋身四強，最後奪得殿軍！打下強心針後，球隊繼續發展，加上小學部的青訓成功，越來越多有潛質的隊員加入。乙丙兩組於12-13年都成功出線複賽，乙組更進一步取得季軍。及至14-15年度，幾位港青成員加入A-School代表丙組出戰，實力冠絕第二組別，並連續兩年以不敗姿態奪冠而回！去年，除了丙組成功衛冕之外，乙組亦闖進四強奪得季軍，並以總成績亞軍升上第一組別作賽。希望隊員們繼續努力，於來挑戰更高更遠的成就！

#### G9A 吳卓軒

我們當中經過很多挫折和失敗才能夠取得兩連冠這個成績，亦見證足球隊由第二組別升上第一組別，所以我感到很驕傲。我們希望可以繼續為A-School寫下更多歷史！

#### G9B 王晉

很開心A-School能奪得二連冠！過程中我們遇到不少困難，但憑著大家的意志最終都將問題解決。今年升上第一組別後，對手實力更強，但我們會繼續努力為A-School爭取佳績。

#### G9D 梁祐維

足球球隊取得這麼好的成績，全因為學校提供了良好的訓練設施給我們，加上隊友們的合作，才可達成二連冠，我們會繼續努力，追求進步。

#### G9D 王逸

能為學校奪得兩次的足球學界冠軍的確不容易，當中面對很多的困難和挑戰。我們為了這個冠軍，付出了很多，結果終如我們所願。我最希望能為A-School奪得第一個第一組別冠軍，創下歷史！

## Champion in Boys C Grade Overall, 2015-16 Shatin Area Inter-Primary Schools Athletics Competition: Athletic Team

Time flies, the Chinese Dance and Athletic Team have been established for 8 years. At first, there were only few members in each team, and we didn't join any inter-school competitions at that time. Now, we have almost 50 students in dance team and 45 students in athletic team. Their outstanding achievements are well known in Shatin district. We would like to express our heartfelt thanks to the participating students, teachers and parents. Their support and hard work were highly appreciated. We are sure that they will keep it up to strive for excellence.

### G5C CHAN Long Him

Mr. Chan and Mr. Fong always cared about students and taught us lots of running skills. When we had good performance and got prizes in the competitions, they would be so happy and celebrated with us. I really feel happy when I get a champion in the competition.

### G5C LIU King Tin

Mr. Chan was my athletic coach last year. I had to thank him because he trained me to be the fastest runner in 60m competition in C Grade. We practised very hard every time, and we did a lot of fitness training as well.

Mr. Fong is our coach this year, and I will keep on practising because I want to get the champion again.

## Honours Award in Chinese Dance - Lower Primary (Group Dance), the 52nd Hong Kong Schools Dance Festival: Junior Dance Team

### 宋潔老師

任教舞蹈隊，不經意間流光溢彩已逾八載。身為一個外聘舞蹈老師，在校長、各部門主任及老師們的信任和大力支持下，在家長們無私的付出與配合下，在孩子們不懈的努力和堅持、刻苦的學習下，教學相長，令我的創作靈感如魚得水。喜聞樂見孩子在享受舞蹈帶來快樂的同時，也掌握了各種高難度技巧、多種複雜道具的運用及精湛的演技，讓隊伍歷年來在比賽中屢獲殊榮，滿載聲譽。我相信他們寓學於樂，在舞蹈領域的發展就如同「聚是一團火，散是滿天星」之勢，舞出真我，舞出青春年華！

### G3B CHAN Ying Tung

I love dancing very much. I was so happy to dance and joined the competition with my friends. I want to say thanks to Miss Sung, because she teaches me a lot of things. I will keep joining the team in the coming years and practise hard to get more awards for school.

### G3C CHUNG Hiu Ching Nisha

We were so happy and excited that we won the Honours Award last year. I would like to say thank you to the parent helpers, teachers and Miss Sung. They helped us do the make-up and taught us a lot of dancing skills. My mother always reminds me to practise hard and I will try my best during the training time.

**Mr. Cheung Yat Chun, Eugene**  
*Information and Computer Literacy Teacher*

Hello, I am Mr. Cheung, I can't imagine that time passed by so fast. I still remember the first time I became a G1 class teacher many years ago and the kids were so cute and adorable. Now, they all become big boys and girls studying in the secondary section of our school.

I remember when I talked to an alumni during the 10th anniversary dinner, he still remembered the funny joke that I talked to him many years ago. This also reminded me that we needed to be careful for what we said as a teacher because all these would always remain in the students' mind. As an Information and Computer Literacy teacher, I am truly happy and satisfied when students are engaged in learning some new technologies during the lesson time.

In my leisure time, I love to do something not related to computer such as playing card games, reading books about History, cycling, swimming, playing basketball and travelling. China and Japan are my favourite destinations.

I was really thankful that my parents allowed me go to Australia after completing Form 4 in Hong Kong so that I could broaden my horizons and gained valuable life experiences overseas. I finally completed my high school as well as university in western Australia and came back to Hong Kong afterwards.

投身教育界，心裏一直都有一個信念，今天我們播下的種子，會在孩子們的心中深深埋藏。不知何時，孩子會惦念起你給予的鼓勵；不知何時，孩子會因你的一句話而改變了人生的方向，勇敢地踏出第一步……

時光在我們不經意間悄悄地溜走了，但孩子們卻在悄無聲息間漸漸長大。

心，成長着，想要悟得更透，看得更清；夢，成長着，想要飛得更高，走得更遠。

**Ms. Cheng Ho Yan, Karen**  
*Assistant English Panel Head*

Hi all, as some of you may know, my name is Ms. Karen. If you are brave enough, though, you can try to call me by my married (and hard-to-pronounce) name, Mrs. Bennellick! I have been teaching at A-School for almost four years now and love working with the talented and driven students that are so abundant here.

I'm a big foodie who loves to travel. In fact, when I go on holiday, finding the best place to eat is just as important as seeing the sights! I love taking inspiration from all the different restaurants I eat in and trying to recreate the most delicious dishes at home (although my kitchen is quite a bit smaller than those of most top chefs!). From sweet French desserts such as macarons, to savory Japanese delicacies like sushi, I'll try my hand at making anything!

One of my other passions in life, perhaps unsurprisingly seeing as I am an English teacher, is linguistics. I have been lucky enough to study this subject and find it absolutely fascinating! I'm particularly interested in studying how Chinese learners pick up English.

I hope that this short introduction will help you to know me a little better, and I'm looking forward to getting to know you all as well!

**Ms. Chan Lai Kwan, Katherine**  
*Science Teacher*

Recently, I have attended a professional training by Dr. John Banmen, an internationally renowned author, therapist and educator. Devoted in training therapists, psychotherapists and counsellors in eleven countries, he kept asking the trainees (including me) throughout the whole workshop, "What is your life purpose?"

A life without a clear purpose, to me, is like a race without a finishing line, or a man who is lost in an ocean. It's kind of waste of time to an extent. Of course, I understand that it is not easy for everyone to find his answer. I have also spent years to search for it. Besides, Dr. John Banmen also encouraged the trainees to merely ... stay with the question. It's actually a precious process to stay with this question and keep searching in our life until we find it.

Right now, I have got my own answer and I have been working on it with my full enthusiasm. That is also one of the reasons that I can keep my teaching spirit as I have clear vision and mission in A-School. So, how about you?

My dear students, how do you make use of the time in school to get closer to your life purpose, in another word, your big dream? As long as you have your own answer for the above questions, you will find both studying in school and your life meaningful and wonderful.

Through Christ, God has made peace between us and Himself, and He gave us the work of telling everyone about the peace we can have with Him... So we have been sent to speak for Christ!"

2012 Graduate, Graduated from  
Department of Communications,  
University of California, Davis;  
Now working in Los Angeles, USA

By the 10th A-School anniversary, I completed my student life and officially graduated from UC Davis. Being an overseas student is never being easy. However, it is a precious journey and I have gained global exposure.

In my college life, I joined the Chinese Student Association and run for president. Without the support from the school, everything is all on your own. It was challenging and I learnt a lot. It was quite different from being a chamber committee or student union member in A-School.

Working in the U.S. was not in the plan until I get used to living here. I am so grateful that I got hired. It was tough to looking for an ideal job. Working is completely different from being a student. When I desire to go for a bigger achievement, I have to step out from my comfort zone. I am so thankful that A-School built my social and communication skills since G7. It provided me a big variety of opportunities and a carefree environment to strengthen my personality and being a better person. Meanwhile, I am lucky to meet my best friends in the best of times, and this makes me miss my A-School life a lot. Although I am not the best student, I am always proud to be part of it.

During my university years, besides studying profession, I have spent most of my time in the Auxiliary University Scheme (AUS). This scheme is prepared by the Hong Kong Police Force recruiting local university students as auxiliary police constable to assist regular counterparts in operations. Induction training is given to facilitate trainees for handling daily police affairs. After the service, my wish to join the disciplinary services become stronger as the police work transformed me from a timid adolescent to an outgoing and outspoken young adult. I have recently been admitted in the Immigration Department for the position of a Probationary Immigration Officer and my training had just started two weeks ago. My wish is to complete my training intact and enrich myself from the experience and teachings of the senior teaching staff.

# 雲南省納西族文化 研習計劃

本校師生於2016年10月8日至10月12日期間參加了由文化部民族民間文藝發展中心及中國民族民間文化藝術交流協會合辦的〈香港青少年民族文化研習計劃〉，前往雲南省實地考察納西族文化。活動以探究其音樂、舞蹈、習俗、節日及禁忌為目標，由學生分組透過訪問交流完成。同時，我們亦到訪玉龍雪山、納西族企業及博物館和當地小學。

## GIIC 樂穎嫦

旅程除了體驗當地少數民族的風土人情外，也探訪了當地希望小學，讓我明白到要珍惜自己所擁有的，行有餘力，則應關懷其他有需要的人，並讓我們反思如何妥善運用公帑。

## GIID 周美楠

充滿靈氣的玉龍雪山、古色古香的四方古街、壯麗恢宏的木王府，以及那碧綠清澈的藍月谷，皆令我讚嘆不已、流連忘返。

回想納西老婆婆滿臉笑容地為我穿上民族服飾，以及於篝火晚會一同起舞，令我彷彿融入了那熱情、多姿多彩的納西族。

這次雲南之旅實在不枉此行！

## G5A陳俊謙、G5A劉家呈、 G5D喬皓洋、G5E潘鈞、G5E曾關閱

在這次雲南省麗江古城文化研習之旅中，我們親身體會了東巴文化的特色。

最令我們難忘的是探訪山上的一個村落去理解農民的生活習慣。他們很親切，還給我們吃他們種植的土豆，感覺格外好吃！而被納西族人視為神山的玉龍雪山，山勢險要而且高崇入雲，美麗壯觀，讓人驚歎。能親身看見這座神山，真是非常感動！
