My Birthday Party

On 18th February, I had a birthday party at Sha Tin. My mom and dad invited my kindergarten friends. We did pie face, car racing and eating! After we finished eating, my friends and I played push up. Dad, mom, my friends and I felt very happy because we played lots of games! Will you join my party?

Yih Ho Long (1C)
Recess Time at School

Our school’s recess is at 9:50 – 10:05. I always spend the recess time on the ground floor.

Sometimes I play some fun games with my friends at recess. My friend and I enjoy playing catching game. Sometimes my mom prepares sausages for my snack. Yum! I like sausages. When it is indoor recess, I would read some books in 1C classroom.

We go down by walking down the stairs. In the playground, there are many children running around. Also, there are many trees beside the playground.

There are many prefects walking around on the ground floor. I can see that the rubbish bin is in front of the reading center. Also, many students are lining up at the tuck shop.

I like recess because I can do lots of fun things. Miss Chow, what do you think about my recess time? Do you enjoy your recess? Why or why not?

Pang Hoi Kay (1B)
A Happy day

Yesterday, I went to the playground with Ricardo. We ran in the playground. Then we went and bought food. And we ate the food. After we ate the food, we were very happy that we could play in the playground again. Then, I played football with Ricardo. After recess was over, I walked up back to the classroom. Is this story funny? I want to play football with Ricardo again next time!

My Birthday Party

I have invited my kindergarten friends to my birthday party. The food was very yummy. My favorite food were the cake and the jelly. The party was on 7th January. My brother and my dad helped me set up. The party was at a barbeque site. After we ate lunch, we went to the playroom to play. We saw some clouds, trees and the sun. We played Tag and Duck Duck Goose! I was feeling very hot but the party was fun! I was happy because the birthday party was awesome and exciting! Next time I will invite my primary school friends!

The girl over there is Cassie. There is Cassie playing with the butterfly. There are birds flying in the sky. Cassie, can you see a bird flying in the sky? I see apple trees. My Park

There are people in the park.

I see a girl catching a boy. The girl rides on the bicycle to catch the boy. She finally got the boy in another park.

Then I see a swing and a big slide in the park. Also, there is a tree behind the slide. On the top of the slide, there is a dolphin.

A girl is playing in the park, and her name is Rose.

Today is a sunny day because the shiny sun is in the sky.

I like this park because it is fun! I feel happy because I have so much fun with Rose!

Getting Ready for School

First, I get off my bed. I always remember not to fall off my bed. Next, my sister and I take our slippers from the floor. We make sure we take the right slippers.

Then, we head off to the bathroom. I don't leave my slippers behind.

Afterward, my aunty helps me change my pajamas into my proper uniform. My aunty makes sure we wear our correct uniform correctly.

After that, I brush my teeth. I make sure I brush it properly.

And then, I wash my face. I remember to wash off my dried saliva.

Afterward, I eat breakfast. I will not forget to check if there is any crumbs when I finish with my breakfast.

After that, I wash my hands. I always use soap to wash my hands properly.

And then, I read for a while. I need to remember not to be so close to the book when I read.

Afterward, my sister and I take our school bag. We carefully check if everything is in our bag.

Finally, our mom or dad comes to take us to school. We make sure everything is ready just in time!

Burning Summer

Blue coppers gracefully fly around in the sky.
Usually children go on sluggish boats to sail because the fiery sun is burning.
Running around aromatic daises, and getting tanned in the sizzling sun.
Never stop singing cheerful and joyful songs like amazing Olaf.
Icy chocolate ice-cream gently cools down the heat so we can go to play.
Nicole is building a sand figure.
Gather around and drink mouth-watering lemon tea.

Swimming in amazing Clear Water Bay makes such an enjoyable day.
Usually we wear a casual sun hat to the golden beach and sunscreen is also needed.
Mum and my brother are sweetly playing with the bouncy beach ball on the scorching sand.
Meeting on the colorful picnic mat is pleasant and peaceful.
Extremely torrid and the sun is blazing, Oh! Let's swiftly wear sportive sunglasses now.
Relaxing on the grass and having a ham and cheese sandwich.

Julie Cheung Hoi Ning (2A)
Frigid Winter

Feeling warm near the burning fireplace.
Roasted turkey was aromatic and tempting.
In the wintry snow, we throw white snow ball.
Gigantic Olaf makes everyone smile gently.
It was the chubby Santa gliding through the magnificent stelliferous Christmas night.
Delicious dessert for colossal Christmas time! Mmm! Scrumptious!

Windy when the freezing wind blows thunderously at me.
Is the enormous present here yet? Oh! It's under the splendid Christmas tree!
New adorable Christmas clothes are clean and shiny because they are brand-new.
There are marvelous Olympic athletes skiing swiftly on the immense mountains.
Elegant performers are dancing peacefully in the astonishing spectacular winter night show.
Really burning in the sweltering summer, but really freezing in the frosty winter.

Cherry Tam Sin Man (2E)
Colorful Spring

Colorful spring, colorful spring, you are so valuable!
Overjoyed ducklings swim in the clear river.
Lots of insignificant lengthy caterpillars eat green leaves.
Orange juice makes us have a cool day.
Read chuckling books when outside is raining.
Flowers such as red rose and beautiful blossoms bloom at spring.
Using daisies to make magnificent chains and go to multicolor flower lands.
Lots of people plant incredible daffodils and turnips at spring.

Some tapoles hatch from miniature eggs.
Play at home make me feel joyful.
Red Rose and lovely lilies make spring balmy!
I feel appealing and relaxing eating strawberry flavor ice-cream and play in the park because ice-cream is very yummy!
Not wearing woolly sweaters anymore.
Go swimming or play badminton is healthy for us!

Joyce Wong Lok Yin 2B
Magnificent Spring

Magnificent Spring, nice to play in the muddy, slushy puddles
After rainfall, we can see the colorful, bright rainbow
Green oblong leaves stay on the pine trees gracefully and peacefully
Need an enormous rain coat for the rain
I like to go charming National Parks to see red squirrels and harpy eagles.
Fireworks at Spring Festival, so breathtaking!
I am very tickled pink to see the aromatic cherry blossoms
Caterpillars crawling on the ovate leaves
Everyone is cheerful because it is a new beginning!
No one is heartbroken when drinking tempting lemonade under the blue sky
Tadpoles turn in Poison Dart frogs, such a magnificent time in spring

Sockeye salmones are eaten by polar bears, so melancholy and heartbreaking!
People such as babies are playing merrily at spring time
Raining makes everywhere smoky and foggy
I saw the splendid butterflies fluttering their wings lightly in the crystal clear sky
No freezing
Going the field of roses to pick the Damask roses is second to none!

Fung Kaijing (2E)
Freezing Winter

Freezing and cold are the words I would describe winter
Raw, snappy and icy are the words for my feeling in winter
Excited, happy, joyful and jolly is how I would feel in winter
Extremely cold in here huh? Then how about staying indoors and celebrate Christmas with family and friends or have activities
Zing za zim! Look! That enormous blizzard is snowy and icy.
I go Ho Ho! Who am I? Santa Claus and a special guest Jesus!
Never happy with my friend on vacation because he is always naughty
Gloves, boots, coats and hats are the things that keep you warm.

Whip some ice cream please. Oh! Hi there do you want to know what I do in this season? Well here are some examples:
playing video games, skating and sleeping.
I wear my coat in winter everyday but sometimes I won't because sometimes it is hot in Hong Kong in winter.
Nippy as it seems but in Hong Kong it is warm sometimes because it never snows
Tumble! Tumble! I go when I slip on the slippery ice on the lake because I don't have my skates on

Extremely sad without my parents on Christmas in winter because I cannot celebrate with them on the best day in the year.
Reindeers pulling Santa's Sleigh I the starry night delivering presents as they past house till the break of dawn.

Leopards

Leopards belong to the cat family. They can live up to twelve-seventeen years. Male leopards are called 'leopards', females are called 'leopardess', and babies are called 'cubs'.

Leopards lives in the Africa and rainforests in Asia. They don't have predators, but they affect people by chasing them and eating them. They live alone except for matching and raising their young.

Leopards move and crawl by legs. They have black spots, so they can camouflage in the bushes. They also have sharp teeth to kill their prey, so the prey won't move and leaving the leopards a big feast! Leopards have a long tail, or they will tumble when running so fast! It is because leopards' long tails help them balance when they are running. Leopards have aerodynamic bodies, so they can swim faster. Leopards are carnivores. That means they only eat meat. They eat lots of things including hoof stock gazelles, impalas, deer, wildebeest and monkeys. They get their food by hunting and stalking.

Leopards can make sounds. They roar like a wood saw! They roar, so their predators notice them easily and have a bigger change to escape, or they will be eaten!

Leopards are interesting! Leopards can climb trees swiftly. Please don't see them as 'big' mammals. They are actually very strong. They are very territorial animals, so they don't like to share their places with anyone else! Man-eating leopards operate at night because it is the time when most of the prey are asleep. Thus, leopards have a bigger chance to catch their prey!

I like leopards because they are cool, fast and stealthy. I wish I could see a leopard with my own eyes. Miss Chung, do you like leopards?

Cobras

Cobra is a venomous snake. The type of cobra is reptile. Cobras slither with their bones and bodies to move. Cobra's scientific name is Ophiophagus Hannah.

Cobras live in Indonesia, Philippines, Southeast Asia and India in savannas, open woodlands, plains and rocky hill sides. Cobras eat mice, squirrels, rabbits, birds, rodents, lizards, pythons and Rat snakes. Cobras' predators are Mongooses and humans, and Civet cats and Giant centipedes eat their babies.

When the Cobras hatch, they are 12 to 25 inches long and then the baby Cobras turn into the adult Cobras. The average length of an adult Cobras is about 3 to 4 meters long and its weight is about 6 kg. The babies Cobras are called hatchlings.

Cobra is the Portuguese name of snake with hood. They rear up and spread the hood when being attacked or being threatened. Cobra venom can kill twenty people and one elephant. The longest king Cobra is eighteen feel long. There is also a kind of Cobra that spits. The spit is used to fend off enemies. Cobras exhale air from the mouth to make huge sound.

Cobras look like a long rope. They have long bodies, scales, and they are venomous. They need a huge forest to hunt. After people kill the Cobras, they turn them in medicine or soup.

I love Cobras very much and I want to have a Cobra doll for my next year birthday! Do you like Cobras?

Kwok Sophie (2A)

Dolphins

Dolphins are cetacean. They are also in mammal family. They can live up to 29 years. However, some of them can live up to 60 years! Male dolphins are called bulls. Female dolphins are called cows, and babies are called calves. They breastfeed their babies with milk silky just like ice-cream. Sometimes aunties and grandmas will take care of the babies when mommies go find food.

They live in the ocean. They need to care each other, so they live in groups.

They weigh 150 – 5400 kg. Their layer of fat is thick because it can keep them warm. They have conical teeth, so they can catch some huge sea animals. They have two stomachs for storing food and digestion. They have no hair so that they can swim faster, and they have blow holes for breathing. They also have melon to have echolocation. They have dorsal fins, pectoral fins and tails, so they can move fast. They can jump, and they can swim.

They are carnivores, so they don't eat leaves. They eat fish, and they also eat squid. They also eat jellyfish. They catch prey with conical teeth. Their predators are shark and orcas. They have rare cases of attacks on humans. But humans keep eating them. What a sad truth!

They make click, just like whistle. Their sound is made by their blowhole.

Dolphins are so amazing! They can recognize themselves in mirrors since they are small! They like socializing and also playing, so they will make seaweed balls to play with! They will tease other sea creatures, but it is just for playing. When they have deep wounds, they have a great healing process, or they will die.

I like dolphins because they are cute and smart. We need to protect our sea, so they can live for more years! I want everyone to drink without a straw and I want everyone to eat without plastic spoons. Would you like to take these actions with me to protect our beautiful oceans and dolphins? Thank you.

Toucans

Do you like toucans? If you like, you must read this writing. Toucans is a kind of birds. Toucans have 34 species. Their specific names are Ramphastidae.

They have a black body, and their bills are orange in color with a black tip. Toucan eyes are medium sized like blueberries and are sideways of their head. Most of toucans’ body is black, but under the eyes is white in color. Their bills is higher than their eyes. Light orange color is around their eyes. Toucans have feathers, but the feathers are camouflaged. Their feet are fabulous for grabbing the tree branches.

Toucans live in tropical places. They live in primary forest with large trees. From Southern Mexico, through Central America into South America south, to Northern Argentina, they live in these places usually.

Their diet includes many things, so let me tell you. Toucans eat different food. If you say toucans eat worms, you are wrong. Toucans actually eat fruits, insects, smaller birds, lizards and nuts. They use their bills to break the shells of the nuts. They are omnivores and frugivorous (fruit eating).

Besides talking about their diet, there are predators in this writing! Just continue reading! Toucans have predators like eagles, hawks, boas, owls, jaguars, margays. Toucans depend on loud voices to scare off their predators and warn other birds to the danger, or other birds do not have time to escape!

It’s almost the end of this writing, but there are some more to tell you. Toucans have some facts that you don’t know. These are the facts. 1960’s Toucan Sam was used as the face of Kellogg’s breakfast cereal and another fact is toucan bills may be black, blue, brown, green, red, white or a combination of colors.

I think toucans are special animals because they have many facts that we don’t know.

Emma Ma Sze Ching (2C)

Toucans

I will talk about an animal called Toucan. Their classification is birds. They look like bananas, their eyes are like blue berries, and their legs are thin like sticks. They have sharp beaks like nails and their body looks like bananas! Toucans are very funny!

Their babies are called Tocos. They just need to sit on their eggs. That’s how they take care of their babies! Their babies are very cute, and they drink milk.

They mostly dwell high above on top of the trees and they actually live in groups of six. They also live in the nest, and their houses are very warm!

They eat fruits, berries, insects, lizards, bird eggs and reptiles. I think human don’t like to eat those things, but toucans like to!

Human, weasels, large birds, owls, boas and jaguars, reptiles are their predators. They like to eat them because toucans provide much meat! Toucans are very sad when they see their predators.

The interesting facts of toucans are they have long narrow tongues up to 15 cm (6 inches) and 1960’s toucan Sam was used as the face of Kellogg’s breakfast cereal!

I think the toucans and tocos are very smart because they can protect themselves. They are cute because their sounds are very funny!

My Best Holiday

On 28th September, I went to Hong Kong Disneyland with my family and friends. We had fun because it was a holiday.

First, I arrived Disneyland and played in Fantasyland. We played the Spinning Cup. The spinning cup span. We got very dizzy especially my mum. She was scared of being dizzy, but I liked to make my mum dizzy! After spinning in the cup, we felt dizzy and walked in circles.

Afterwards, we watched an incredible film in Mickey’s Theater. It mixed up so many cartoon movies. It was about Silly Donald Duck. He was in an instrument show. He was crazy! The movie was funny and incredible!

And then, we rode on Dumbo the Flying Elephant. We lined up towards the queue where visitors could wait. There were many people waiting for the ride on Dumbo the Flying Elephant. After lining up, we ran towards the elephants. I chose a purple elephant with a pink hat. Suddenly, the elephant went up and up. I felt relaxed when the breeze blew onto me. We flew higher and higher. We also saw a mouse just like leading a tune of a music band. The elephant started to stop and land on the ground. We ran to the exit and rushed to the next amusement game!

Then, we played Ironman. We heard a very loud background music from Ironman. We saw many carts from Ironman. We gasped about Ironman’s hard work. Then, a woman held up seven glasses for us. Then, she said, “Line up, please. You will see films and you will feel like you are flying in the air. You will see the whole Hong Kong but the dangerous spider-robot may hurt you! We wore the reused 3D glasses and went inside the room where we watched the film. The film was about a bad, enormous spider-like robot. It was bad that it stopped Ironman’s explode. There carts came save us and there were red, green and blue. We were saved at last. It was fun!

Finally, we went to the American Street and watched the night parade. It was marvelous! How incredible! But it was a little bit scary because it was a Halloween parade. All the wickedest characters in all the cartoons came out. The walls were just like cracked, and there were scary pumpkins hanging around. The witches danced, and they were pretending they were arrogant. We then went back home by train. When we got back home, we felt tired. We were so tired that we fell asleep immediately because it was nearly 10 O’clock.

I felt fascinated and happy during my holiday. I am looking forward to my next holiday since this holiday was so much fun!

My Best Holiday

During the summer, I went to Taipei with my family. My mum said I would bring my 10 month baby sister. My mum also said that she would bring me to a DIY workshop and eat many yummy foods. But that time there was a typhoon number 8. I went on 28th of July, and I went back on 9th of August.

First, I ate my delicious breakfast quickly because the typhoon number 8 was hoisted and the taxi was so slow. When I arrived at the airport, I saw my dad, my sister and my mum waiting for me. When I got off from the taxi, I quickly got the pushing cart, and my dad put all of our luggage on it. And then we put all of our luggage to the check-in counter, then we rode the airplane. The announcement on the plane it was 33 in Taipei. When we got our luggage, we went to rent a car, and we used 2 hours to drive to Elan’s hotel. Then mum sent my baby sister to sleep first. Then we had our dinner at 11 o’clock.

Next morning I had hamburger for my breakfast. My family and I then drove to the DIY place, and I made colored pencils. I felt happy. What I enjoyed the most was the face painting. We did face painting with water pens and colored pencils. I drew a Gundam on my face. After that we made DIY bags. After I ate lunch, I went to have a happy shopping! I bought books, fruits, socks, Gundam, Lego, foods...etc. When we drove to the hotel, my dad drove to the wrong place. After 53 minutes we finally arrived to the hotel!

The next day we went out at 7 o’clock because we had to go far away from hotel. We ate at the yummiest Japanese food store. After that we went shopping again, but this time we did not stay on the ground. We went down to a shopping place to buy some toys, baby toys and girl things. Next, we went to the market to eat their traditional Chinese food. These traditional Chinese foods can’t be found in China. Finally, I went back to hotel, and I ate delicious dinner. Then we all had a fast shower, and we went to the night market. After we went back to the hotel, we watched TV and went to bed at 10 o’clock.

On the last day I felt sad because I had to go back home. We watched TV and had dinner in the airplane. Finally, we arrived Hong Kong International Airport. We took taxi back home.

I felt extremely excited because the trip was so happy!

My Best Holiday

On Wednesday afternoon, I went to Taiwan with my mum, dad, Cherry, Ka Ching and Ka Chung because it was my friend’s birthday.

First, we went to the airport. We checked in and got the ticket. We rode on an airplane to Taiwan. When we rode a taxi, we played games. My friend and I played many games such as Hamburger. It was fun. Then, we went to the hotel. The hotel was big and beautiful.

Next, we went to a zoo. In the zoo, there were many animals such as lions, tigers, monkeys, rabbits, fish, turtles and so on. After that, we went back to the hotel. We watched cartoons. The cartoon was funny. I loved it because it was brilliant.

The next day, my friend and I went to a book store and bought many books. In the book shop, there were many interesting books. Then, we went back to the hotel to eat lunch. I was really hungry. After lunch, we went to a swimming pool and swam. My friend swam very well. Also we went to a waterpark. The waterpark was fun. The slide was really long. My friend liked it very much. I still wanted to play. My

mum told me that it was time to go back to the hotel to take a bath. After the bath I was very hungry. My mum brought me to a restaurant to eat.

On the next day, we rode on a train to a playground. The train was really long. In the playground there were many games such as slide, sand, Ferris wheel, Merry-go-around and so on. It was really fun. On this day the lunch was very tasty. I ate French fries, hamburgers and drunk lemon tea. Then, we played some more games. After that, I ate cakes and ice-cream. My friend brought me to catch fish. After catching fish, we went to a street to buy things.

Finally, we went to the museum to see special things. In the museum, it was really big and beautiful. Then, we went to the airport to fly back to Hong Kong.

I felt excited because I played many games, and the hotel was beautiful!

Do you like your summer holiday? I like mine very much!

My Best Holiday

On the last week of August, my family and I went on a plane to Osaka, Japan to have ‘my best holiday’!

First, when we arrived Osaka airport, we went to the train station to catch a train. Then we arrived to Nagoya. We put down our luggage in our hotel and went to Legoland straight away. We took a train there. It was a long trip. It was a thirty minute drive! Then we finally got there. When I hadn’t got there I kept asking, ‘Is Legoland made of real Lego?’ But no one knew. Then I really got there. I knew it was not made out of Lego, but it looked like it was made out of Lego. Then I went in. I tried out lots of fantastic and outstanding rides!! My favorite ride was The Dragon. It was a roller coaster

that looked like a dragon! Lots of the rides also looked like Lego.

The next day, we took a bullet train to Osaka. A bullet train is a super-fast, and long train! And it can take you from place to place very fast! People in Japan are very neat and tidy, so you are allowed to eat in the train! The train had lots of seats. One car had the sentence ‘Women only’ so that women don’t have to stick with the smelly boys.

Then, we went to Hirakata Park. Hirakata park has so many rides. I was shocked when I first saw Hirakata Park! It was like the whole park was just full of rides! My favorite rides were Octopus Panic, the Log Ride, and Disk ‘O’ Ride.

I got to go on the Disk ‘O’ ride all by myself! It’s called Disk ‘O’ because it is a circular Disk. It rocked really fast and everyone shouted ‘Ohhhhhhhhh!’ There was also a haunted house and it had so many monsters. It’s so scary!

Before leaving Japan, I bought my gift. It was a cute kitty cat pencil case! It’s so cute! It looked like a real cat! Then, I went to the airport. We played at our gate. There was a Pokémon playroom, and there was also a bouncy castle.

My trip to Japan was very short, but I still had a great time! I was also happy because I got to stick with the people I love. I hope I can go back soon! It was such an amazing trip, and I love it so much!

The worst day of my life

Let me share with you the worst day of my life.

In the morning, I woke up, and I went down the stairs to have my breakfast. I was so sleepy that I poured orange juice in my breakfast. It tasted so disgusting, so I did not finish it. After that, I put on my hiking bag and went to the toilet. I sat on the toilet bowl, and I took some toilet paper. Then, I started to draw something horrible on the toilet paper!

In the afternoon, I went outside without my pants on. I was so embarrassed. I went back home, and I heard my mom and dad shouting for no reason in the middle of the day! I went to my room and took a dictionary out from my bed. I started to read, but the dictionary was so heavy. It fell on me! When it was time for lunch, I made some fried egg, but I forgot to crack the eggs. That’s why I had egg shells and egg for lunch.

When I was sleeping at night, my mom found out that I had a half-finished breakfast, a hiking bag in the bathroom, toilet paper on the floor, and my paints on my bed! Mommy was so angry that she scolded me for three hours! Then, my mom and I were all tired, so we fell asleep on the ground.

Did you think that was horrible? I think so! I wish this was the only worst day of my life.

My Trip to Phuket

In my long summer holiday, mom, dad, sister and I flew to exquisite Phuket on a plane on the 15th of July. We stayed there for a week.

First, we rode a microscopic and comfortable plane called Cathay Dragon, and we arrived at clean, nice Phuket at 11:30 A.M. We went to the waterpark first, for it was a lot nearer to the enormous airport than the hotel. We went in and finished changing outfit, so we went to the water-blasting fountain and played with rocks on the fountain for a little while. Then, we got bored, so we went to the waterslides tower. We went to the top floor which has the most intense waterslides in the waterpark. We went on the first one, we sat on the floating device, and we went diagonally down to the part where you slide left and finished. Then, we went all the way back up, and we saw a cool one, so we tried it. We went down again on the floating device and splashed in the loop. We went around and around and finally went down the hole. We repeated the rides for a few times.

In the evening, we checked in the hotel room and called room service. We ordered huge shrimps, mini-burgers and more for I don’t often eat them. We ate in the huge balcony with a swimming pool. Then, I was full, so I went in the room and watched hilarious Adventure Time and The Amazing World of Gumball. I slept quite early for I had a trip tomorrow.

Do you like Phuket? Why?

Dear Father,

Are you happy in your trip? I miss you very much! I hope this letter finds you well! I have finished planning about the party. I hope Mum would like it! I’ve thought about the games and stuff like that. Again, I miss you, and I hope you can come back soon! The party will take place in Prince Edward. Remember the club? That’s where we’re going to have the party.

You can see a lot of food like chicken wings, pasta, pizza, desserts, noodles and treats. Those are Mum’s favourite food. There are trampolines, slides, and even a ball pit! I’ve tried the slides before. It is really fun because when you slide down you can imagine you are sliding down the hill! I can’t wait to try it at the party. I hope Mum will try the food because they are really tempting and scrumptious. The most exciting thing is that we will be have a dance club! There are disco costumes and a radio. Wow! That must be a fun one!

I’ve also had organized a game called Four Corners. There will be four sides. One side called “Yummy corner”, “Ball corner”, “Club corner” and “Hallway corner”. One of us will stay at the wall and close his/her eyes, then he/she will count five seconds, then he/she will clap once, and then another 5 seconds, then clap again twice and choose a corner without seeing. Say, the player chooses “Yummy corner”, then people who stay in “Yummy corner” would lose. I mean other people need to choose a corner in 10 seconds. Then we’ll see if you’re lucky! Oops... Mum, Dad, and my friends are invited to join the party. Of course, I will join too! I want to play this game because we always play it at school during recess, and I enjoy the game so much! I hope Mum will like it. Everyone will find the game fun, so don’t worry, Dad.

I hope you find it fun too. I will wait for your reply! One last thing, it is if you have any other ideas, please tell me. Yeah! You can bring 2 to 3 friends if you would like to come to the party cause we’ll have lots of guests. Mum’s friends will be invited because it is mum’s idea. See you soon!

Lots of love,

Max

Dear Polly,

I got your letter Polly. How are you? Your school life seems very euphoric.

I met many friends at school. I also have three best friends. They are Rachel, Alyssa and Zabrina. My other friends are KiKi and Chita. I often meet them in Summer Holidays or other times like Sunday, Saturday or other public holidays. I often meet Rachel, Alyssa and Zabrina at recess time. I would go to their homes very often in Summer Holiday. I often meet Rachel at recess or lunch recess. We always skip happily together to the library. We never have a fight, instead, we always support each other.

I met Rachel and Alyssa in Grade 1. They were the first ones who talked to me. We became friends since that day. KiKi , Chita and Zabrina were the first group of friends to play with me at the playground.

I also have a pretty good school life like you! My school’s name is Wong Kam Fai. It is also a Primary and Secondary school too! My school is in Shek Mun, Shatin. Our school always has very fun, interesting and fantastic events! For example, Easter Celebration, Christmas Celebration, New Year Celebration, Play Day, etc. Our class even has birthday parties! Our class teacher is so nice that she gives us a birthday party every two months! Our class teacher Miss Wong usually gives each of us a present at the birthday party. Does your teacher hold birthday parties? Every time when she said there will be a birthday party, we feel all so excited! I think my school is perfect because there are many enthusiastic teachers and prefects being nice to us. For example, Miss Wong, Mr. Ng, Mrs. Pradhan, Mr. Pang, etc.

Just want to tell you a secret, we have some quizzes, but they are just easy as a piece of cake.

I miss you. Perhaps it would be a good idea for you to come to my home to play.

Lots of love,

Kayla

Dear Father,

How are you? Are you busy? Is it like a concrete jungle in Japan? Is it cold? Hope not.

I'm super happy that you will come back! Planning a surprise party for mum will be so exciting! I plan to go Ocean Park for there are many animals to take pictures with! We can see game booths, animals, rides and much more! Mum will love to ride the fun, scared and exciting rides! All of my mum's nice friends will be invited! Yay!

Now, I will recommend playing a board game named "Concept". Concept is a board game that challenges your brain. First, you will be given a card with 6 nouns. Then, choose one, and keep it to yourself. Use your player to put it in a box (on the board) which is a hint for you. If others guess your noun correctly, they win! You should try this game!

I hope you have fun at the wonderful party I have planned. Mum and I will greet you in the airport. Bye for now. Toodles!

Dear Andy,

Hi! How are you? I miss you and your family members. Today I'm going to help you with your problems.

You said that you didn't know how to prepare for a cold winter in Hong Kong. Today I'm going to teach you. First, you have to download an app that shows you the temperature of Hong Kong and check the temperature. You have to pack clothes that you need. For example: scarves, winter hats, and jackets. If you want, I can give you a cute cat-pattern mitten, and a blue winter hat that I've made with yarn. Also, you have to plan your trip well and stay indoor more often. Well, I can help you, because we're BFFs (best friends forever).

I know you're shy and you got a 'D' in math, but you are not brave enough to ask for help. There are lots of ways to solve this problem. First of all, you have to join more competitions. I know you are good at English.

I can send you some poetry for you to practice, and you can join some competitions. You can also perform more. I know you're good at singing, and I'm good at dancing hip-hop. We can arrange a performance for our friends and families, right? Now, I will talk about your math grades. Before you ask your math teacher for help, be brave. You can also do some math exercise for your age. That's all I can think, tell me if you want more ideas.

Hope I can help you. Again, we're buddies. If you need more help, just text me. I'll try my best. Remember, when the sun shines, we'll shine together. See you soon.

P.S. We're always friends. I'll always try my best for you.

Dear Andy,

Hi there! How are you? I hope you're doing fine. I heard that you do not know how to prepare for your trip to Hong Kong and you got a 'D' in your Math assessment. I hope I can help you because friends should help each other. You can count on me!

Here are some tips I can give you on how to prepare for a cold winter in Hong Kong. Go to the app 'Hong Kong Observatory' and check the weather for Hong Kong for the days that you are in Hong Kong. After that, bring the appropriate clothes to Hong Kong. Another tip is to bring some clothes for summer and clothes for winter. If it's hot, you can wear the summer clothes and if it's cold, you can wear winter clothes. If you need more tips, you can write me another letter.

Now, here are some tips I can give you to help you improve in Math and to help you not to be shy. Tips for getting a good grade in Math: You can ask your parents to hire a tuition teacher for Math to come to your home to teach you, maybe twice a week. You can also bring a notebook to school to take notes in class, but don't write full sentences – just write in point form. Another tip is to get over your fear and sadness and just study more for next time. Ask you mom to prepare some Math questions for you to practice Tips for you to get over your shyness: Just think about being very brave, then just say whatever you want to say.

Anyway, I need to go. My mum needs me to help her do some housework now. If you need more help, just count on me to think of more solutions. I am always stand by your side and I will never let you down. Reply soon!

Dear Andy,

Hello! How are you? Is your Australian life okay? I bet it is wonderful! We just have a new family member recently!

Do you have a maid? I have a new maid for my house! She cleans everything neatly and she is very nice! Sadly, that means my mum has to go to work. She is a new Chinese teacher in a primary school. I heard that your mum is a teacher, too! Can you call her to give my mum some advice?

The weather in Hong Kong is very special. It is cold in the morning, and it is twice as cold at night. It was once 0°C! I suggest you to bring a woolen jacket to keep you warm and dry when you are doing some outdoor activities. You may also bring some super warm underwear to keep you warm for the night, or bring a woolly hat to keep your brains from freezing. The best choice is to bring a hand warmer; it will warm your hands! If you want to drink something warm, I suggest you to drink some hot chocolate. It can warm you up! You can feel the heat coming slowly after you drink it.

About your maths problem, you don't need to worry. I know exactly how it feels when the schoolwork seems to be difficult. You can try to explain to your mum what had happened and ask her to buy some maths exercise books for you, play some online math game, or even join a math camp! I am also bad in maths. I got a very low grade in the mid-term test not long ago. Maybe we can help each other out. That would be great!

By the way, I can't wait to see you! Please remember to bring more clothes, so you will not be froze. See you soon! Please write back soon!

Best wishes,

Jennifer

Dear Andy,

Hi! I am doing great and I miss you and your family very much! I also received your letter and I am willing to lend you a helping hand!

I have some advice on packing your luggage to Hong Kong. Remember to bring wooly coats and thick cozy pants. You may want to bring a couple of really furry sweaters and some warm fuzzy scarves. Super soft and thick hoodies could come in handy. A woolly hat optional tip: Get cozy clothes on, 'because the more clothes you put on, the cozier you are. Try to bring DIYs to do! There is no snow here, so don't even think about playing in a winter wonderland, 'cause it ain't gonna be here. Arts and crafts are really recommended. Glue, sequins and glitter are the best tools to make a master piece. My absolutely favorite thing to do is to snuggle in a cozy blanket and sip hot chocolate with a huge mountain of marshmallows! Yum! If you are still as cold as the ice in the North Pole, bring some hot packs and warm eggs to warm up. Stick hot packs to your body to keep warm. Use the sticky part in the back of the packet, not glue it! How awkward is that?

For your math problem, I have suggestions. I know how it feels to be the bottom of the class, because I have had this experience. You should join the school's math study group if your school has one. All you got to do is tell a math teacher or sign a slip on eclass. Your teachers know a lot about you. If you have any questions, just ask and I'll be there when you need me and I will be always on your side! If it is taking too much time, try the fun side. Play some math games! I always play them! They are so fun! I like the ones on coolmathgames.com. I think it is a great way to

improve math skills. It has everything you learned. Trust me, it is awesome!

Another way is to make math part of the daily life. For example: a sweater costs \$50 and it is 40% off, what is the price? See? It really works! That's because friends help friends! If you have difficulties, we will go past them together. If you want to get a great grade, try taking notes and organize them with some blinders or folders. The time to take notes is when the teacher is writing some examples or main points. If the teacher is saying something rather important, listen first and then jot it down on your paper or notebook. This way, you can keep track of all the main points or important things! Write a date on top, so you know when is the day you wrote it. Review your notes before exams. Read every page! Remember to always focus on what the teacher is doing and teaching! Hey! Don't play your stationery and daydream or draw or read under the desk! If you don't work, one single move can destroy the grade! Don't give up, or an amazing grade to wow your friends and teachers will vanish in the air! Hey! No pressure! The more pressure you have on your shoulders, the worse you get!

Well, I hope my ideas help. You are never alone! You have a talent, just be open-minded to discover it. Good luck!! When life is full of rainstorms, you can trust me as your big umbrella. Please write back soon! Take care!

Cheers,

Jennifer

Dear Andy,

Hi! How are you? I heard that you are coming to Hong Kong soon! I can't wait to meet you!

Coming to Hong Kong for your first 'cold Christmas' is actually quite amazing! However, it's actually quite cold here. You can buy a warm, cozy scarf from H&M. H&M can be found in most of the big malls. All the clothes there are pretty cheap. You can also buy a down jacket which is from Aigle and Patagonia. Even though the clothes there are quite expensive, they are actually worth the price. Clothes there are really comfortable and warm. Also, the clothes can be worn for a long time. Buying a heat-tech undershirt is a nice choice too! It can be found in a shop called Uniqlo, which can be found in almost every mall. It is very warm, and you can wear a thinner long-sleeve shirt outside.

I totally understand your feeling because I have been there before. I got a 'D' in one of my assessments before. Try to calm down and take a deep breath. Here are some tips from me. Go to Planetii for advanced practices. Planetii is a very useful website. You can ask your teacher for your username and password. You might think that's it is hard, so you can do it twice a week as practices. You should also pay attention in your lessons. Not just only for Math, but for every other class. When you don't understand the subject content, you can ask your teacher after the lesson. Don't be scared; just be brave. Teachers are kind, and they won't think that you are a weirdo. Trust me! You may also join Math Olympiad. Even though it is a high level class, there are many tricks that benefit you and equip you to get better grades in Math! Having a personal tutor is a great choice. You can always ask him or her questions directly! I really hope that you will get a better grade next time!

I really hope that the tips will help you. Anyways, feel free to send me letters at any time! Whether the tips are helpful or not, please send me a reply letter.

The Story of Holly's Jewellery Box

That night was a cold winter night. The cold wind brushed against Holly's bedroom window, like hundreds of wolves howling. The sound of the wind sent shivers down Holly's spine. She thought there was someone shouting, screaming, and banging against the wall in rage. When she listened again, no one was there. She thought she was dreaming, and she drifted off to sleep, but she was wrong.

"Chirp, chirp!" The sound of the bird song woke Holly up. It was Saturday, so she was free to do anything she wanted! After she had her breakfast, she called her friend to play catch. They found a green grassy field. Holly ran too fast and tripped. She fell through a hole and rolled down, down, deeper and deeper. At last, she landed with a thump. She looked around and saw a passageway and felt curious, so she followed it.

Have you ever seen a girl walking down a passage-way in a hole? It's crazy! But Holly's curiosity had got the best of her. She decided to follow the passage-way. At last, she came in front of a palace which said, "The King's Palace". She went in and found a beautiful box, which was glowing for some reason, and Holly liked the look of it. She took it. She went back up the tunnel and up into the grassy field. She went home.

"It's so late! Where have you been?" asked Holly's mother. Holly answered, "I got lost." And she went up to her bedroom. She closed the door and locked it, making sure that no one was listening or peeking. She tried her best to open the box, such as scissors, screwdrivers, knives, and even by biting the lock! But still, the box could not be opened. Last, Holly became exhausted, and she gave up. She went to sleep without dinner.

That night the person, who Holly thought she heard, crept into her room. He is actually a bad wizard, who likes to capture people, torture them and take their souls away for display. Just because that he did too many bad things, the fairy council took away his spirit, locked it in the box and put it in a place that the wizard was afraid to go—the King's Palace. The wizard wondered around since then, and that night it was him who banged on the wall of Holly's house because he was so angry that he lost his spirit and could not torture people anymore. Now, you know that the thing inside the box was the wizard's spirit. He found out that Holly took the box, and so he crept into her room to get the box back. The rustling sound that the wizard made, woke Holly up. She sat up and saw the wizard taking the box, so she jumped up and started to pull the box back. Just as they were pulling the box, it opened, and the spirit, which was free from the wizard now flew up into the dark night sky and lit up the whole night sky. It became a star. The wizard vanished from the world because he lost his spirit forever.

At last, Holly had the box opened, but the box never glowed again. She put all her precious jewel collection in the box, and she lived happily ever after.

Holly and the Secret Box

Wind was howling on a dark night. Holly was in bed. A sudden sound rang, Ding-Dong. Holly woke up, creeping out to the door, and she opened it. There was a box outside, but nobody was there. She took a look, but nothing was inside it. The next night, Holly decided to find out what this was up to.

“Lights out children!” said mum. “Okay!” Holly responded. Pluck! The lights turned off. Throughout the night, she kept herself awake by playing video games. Ding-Dong. “Here it comes again.” she whispered. She was nervous, but also excited. She slowly walked out, and she opened the door. She expected a box, but this time.....it was a letter! The address was Sky XXX. “Wait, what? What place is this?” Holly thought. She started to shiver. She planned on for one more day to see how it would go. She didn’t tell anyone, because she thought it was a dream.

Whoosh! Bats were flying in the dark. Leaves were swaying. It was midnight. The bell rang Ding-Dong, Holly checked it out. It was a box! It looked exactly like the latest one! She searched the empty box that she got from last time, and it disappeared from the storage!” The box flew!” she exclaimed in shock. She opened the exact same box, and she had a peek. Oh! It was not empty! There was a glowing diamond inside! Suddenly, a beautiful bright fairy appeared in front of her eyes! She fainted. She slowly carefully opened her eyes after, and saw the fairy. She asked, “Who are you? You know you nearly gave me a heart-attack!” “I am so sorry.” The fairy responded. “I’ve got something to announce. You are a good kid, and you are awarded with a fairy!” Holly said happily, “I am going to share this news with the world!” “No! You have to keep it a secret!” The fairy said. “It is against the fairy rules to tell the others!” POOF! She disappeared. Holly appeared back in bed with her fairy. She kept everything a secret.

How would you feel if you got a fairy? I would feel amazed and enthusiastic. Hope you enjoy my story. Bye!

The Enormous Crocodile and the Clever Fifth Trick

Once upon a time, in the biggest, longest, brownest, muddiest river in African, two lazy crocodiles lay in the river.

Suddenly, with a loud snap the Enormous Crocodile swam off.

Have you ever had a feeling when you’re just about to reach your goal and then someone ruins it all? That was the feeling the Enormous Crocodile had when he thought about the four tricks he had played on the children before.

In the first trick, he pretended to be a coconut tree, but Humpy-Rumpy the Hippopotamus saved the children. In the second trick, he pretended to be a seesaw, but Muggle-Wump the monkey warned the children. In the third trick, the Enormous Crocodile pretended to be a merry-go-round ride, but Roly-Poly Bird warned the children. In the fourth trick, the Enormous Crocodile pretended to be a bench in the picnic place, but Trunky the Elephant had also saved the children.

“You’re crazy!” said Huffy-Puffy the Buffalo after he heard the Enormous Crocodile’s plan to trick the children. The Enormous Crocodile thought of a plan once he got to the shore. The Enormous Crocodile met Huffy-Puffy, and he told him his plan to eat the children.

After telling Huffy-Puffy his plan, he set off to Kidland, where there were hundreds of children playing.

Where was the Enormous Crocodile? He arrived at Kidland after a whole day of walking, but where did he go? Oh, he went to the toy store! The Enormous Crocodile went to the stuffed toy rack where they kept all the stuffed toys and pushed away some toys in order to give himself enough space to fit inside the rack. He had to curl himself like a ball. He pretended to be a stuffed toy!

Soon, a little boy and girl named Johnny and Jenny came by. Johnny yelled at the sight of the Enormous Crocodile stuffed toy. “I want that stuffed toy! I want that stuffed toy!” Jenny also screamed in delight. When Jenny and Johnny reached out to grab the Enormous Crocodile the stuffed toy, a loud crash echoed in the store. It sounded like a stampede! It was Huffy-Puffy the Buffalo!

He yelled, “ Don’t touch that! It’s not a stuffed toy crocodile. It’s the Enormous Crocodile!” Jenny and Johnny screamed at the top of their lungs and ran at full speed out of the toy store. The Enormous Crocodile sat up angrily and cursed Huffy Puffy. In a flash, he crawled out of the toy store. Huffy Puffy chased after him.

Splash! Crash! Where was the Enormous Crocodile? Oh! He went all the way to the North Pole and got eaten by the hungry polar bear.

New Journey to the West

After Monkey King departed the Monkey Cave, he found Tripitaka, the Sage. Soon, Monkey King found out that a demon called Black Shadow really wanted to have Tripitaka as a slave because she heard Tripitaka was very wise and humble.

So after many days together they met Pigsy and Sandy. After journeying for a week and six tired nights, they found the home of Black Shadow, which was a cave. Tripitaka and his crew moved forward quickly but carefully, so Shadow would not hear them. At the moment, Shadow was coming down the stone steps, disguised as a young and blonde maiden carrying a wicker basket filled with bows, satin bows, ribbons, silk and thread. She approached Tripitaka and sweetly gushed, “Presents for you, master, from my mother, Susan. Hope you like it!” Tripitaka held out his hands but Monkey King, sensing danger, pushed the girl down and herded everyone miles away from the huge disaster.

Not long after, Shadow had another plan. She snipped some of her hair and turned it into a bunch of forget-me-not blue flowers. She found Tripitaka with her magic map and flew there. She sprinted swiftly to him and shook the poisoned bluebells under his nose. But Monkey King, with his amazing eyes saw poison in the flowers. In a flash, he brought them far away.

No, Shadow wouldn’t give up that easily. She grumpily glided back to her trusty Servant One and Two. They were ghosts and they served Shadow. Servant One handed her a goblet of potion loyally. Black Shadow grinned an evil grin and thanked her helpers. She went down the smoking liquid in one swallow. Then, she off to the ground, and she saw Tripitaka and his “Evil gang”. She gritted her teeth and muttered “This is my chance.” and mounted forward. She suddenly hesitated. Then she beckoned to Servant One and Two. After telling them, she reared on her back and turned into an old injured and tired woman and limps forward. Pigsy saw her and lifted her onto Tripitaka’s horse. Shadow / old woman felt her gashes, rashes, wounds, and hollow skin being mopped, soaked, and tended to with water when Tripitaka screamed “AAHHHH!” She also saw Servant One and Two closing upon them. She tried to calm down, but everyone had already departed panic-stricken. She opened one eye and screamed at Servant One and Two until she changed back into herself and spotted revenge. What happened next was not quite as planned. Just as she went back to her cave, from nowhere came Monkey King who dragged her down to the ground.

It was easy, very easy to say that Tripitaka, Pigsy, Sandy and Monkey King were all very fed up with Black Shadow’s continuing attacks over and over again. Well, whatever Shadow’s thought endings were, it wasn’t this. Firstly, Monkey King jumped “SMACK” in Shadow’s face. With one easy tug, he pulled her out of her bedroom. Then, after they landed, Tripitaka strode angrily and said “So this is the young lady?” Monkey King nodded stubbornly. Muttering darkly, Tripitaka bounded Servant One and Two who were hovering nearby. Monkey King unbelievably, from his hands flew a beam of light. Shadow got the full blast and screamed. BAM! She was blinded. Sandy applauded, but Tripitaka stopped him, and, with a flying leap, Monkey King landed on Servant One and Two.

Then, Tripitaka and Sandy tied Black Shadow hands and feet together with rope. Then, they heaved her in. “Mission accomplished!” Monkey King yelled as they hi-fived.

Lastly, they thought it was time to go. They had a feast together and exchanged presents. Monkey King gave Tripitaka a book about fighting demons, with a “Here you are, Master.” Tripitaka also gave Monkey King a book about sages. It was hard to, but finally they bid each other farewell.

My Sweet, Terrific, Wonderful, Very Good Day

I could tell it was going to be sweet, terrific, wonderful, very good day. This morning, when I woke up, my mum helped me to wear my uniform. Then, I asked my dad, “What’s new in my Roblox account?” My dad answered, “I bought you 300,000 Robux for you being a good boy.” I was so happy that I hugged my dad and said, “You are the best dad!” “That’s not all. I also bought you TBC, and I could even buy you OBC for one year if you behave well this year. This is the best thing I could ask for.” Then I said bye to dad and mum, and I went to school. I secretly went behind the bush to take my skateboard. The skateboard went swoosh because it was very slippery.

At school, Mr. Chan said, “Gabriel, you were a good boy last year, and you achieved the highest score in the last test. You are even smarter than the Grade six students, so I suggest you should go to Grade five next year.” When I went back to my classroom, everyone treated me like a king after they heard what Mr Chan said. I was very happy because the principal said I could be ‘Principal of the Day’. I heard my class laughing hard.

After spending a whole day at school, my mum picked me up, and we went to my favourite café for dinner. I ate dinner with my mum and dad, and met my friend in the café. I asked, “Mum, can I go to my friend’s home?” My mum answered, “You could go to your friend’s home after dinner.” Then I went line up to get ice-cream, but the line was crowded and it took me half an hour to get my ice-cream. I ate five scoops of delicious cookies and cream ice-cream, which is my favourite flavour. The smell of the ice-cream was super sweet and it was cold. After eating the ice-cream, I went to my friend’s home, and we watched my favourite TV show ‘American’s Got Talent’. Lastly, I was as happy as a winner because I believed that I could be on the show and win one day.

Freestyle Swimming

Have you heard of freestyle swimming? If you haven't, do you want to know more about freestyle swimming?

The main rules of freestyle swimming are swimmers can use any style but not backstroke, butterfly or breaststroke. Another rule of freestyle swimming is that every swimmer must be above the water any time except the first 15 meters after the start and the turn. Also, every swimmer must touch the wall of the pool during every turn. Swimmers who start before the starting signal will be disqualified. If a step-down command is given, the swimmer will not be disqualified.

The technique of freestyle swimming is that normally front crawl is used because of faster speed. Front crawl means crawling your hands in the water one by one. Swimmers will normally use flutter kick for legs. Flutter kick means kicking the legs up and down continuously. Flutter kick is used because of a faster speed for swimming.

There are many kinds of freestyle swimming competitions in the Olympics. They are either 50m pool or 25m pool. There are seven events for singular athletes. There are the 50m, 100m, 200m, 400m, 800m and 1500m competitions in the swimming pool. Also, there is a 10km competition in open water. All about Olympics Marathon

The Olympics Marathon all started in commemoration of the fable of Pheidippides the Greek soldier, who was a messenger from the battle between Marathon and Athens. It became one of the real Olympics events for both men and women in 1984, but the distance was not classified until 1921. Read on to know more!

Dennis Kipruto Kimetto, who was born in 22nd January 1984, was a Kenyan marathoner who participates in road running events. He is a world record holder at the marathon. He was a farmer before he became a marathoner. He trains harder than anybody thinks. He runs 4 miles a day, just to become a

perfect marathoner. His first good win came in the half marathon section of the Nairobi Marathon.

Marathons require 4 basic skills. First, it is endurance. Whether running 100m sprints or 10k races, participants will need to establish a basic level of endurance to complete the run effectively. Second, it is pacing. When running very long distances, participants need to use their energy wisely, so they can still run very speedily to the end. Third, it is sprinting. It is very important to move up the rank in races as fast as possible. Finally, it is recovery. Runners must always cool down, stretch, get proper care and rest.

In the marathon, participants run on the road. The lines and stages must be clearly marked. They must be informed about the distance in km, 5 minutes prior to the set of race. Participants can leave the race, but must not take refreshment whether they quit or not. Participants need a judge's permission to leave the road and they will not receive any credit if they do not complete the race.

I hope you know more about marathons and get interested after reading this report! Do you like marathons? Did you ever watch a marathon before? Do you want to participate in the next marathon?

Equestrian – Olympic Games

Do you know about equestrian Olympic games? Well, this information report tells you about amazing equestrian rules, eventing, history and games. If you read it, you might find it more interesting, and you might want to try!

About the rules, horses are noted to be at least nine years and for Olympic competition. Red or white flags are used to mark obstacles or mandatory turns. Also, four faults are given for each jump if a rail or one or more parts of the jump fall to the ground. Beginners are not allowed to play.

For eventing, horses are trained for practical races and competitions. Six sets of medals are awarded to individual dressage, team dressage, individual jumping, team jumping, individual eventing, and team eventing. Also, horses must be trained for the competition for a long time. You can win a lot of money and become rich and famous. Plus, you can be rich.

Last but not least, for the history, equestrian events at the Beijing 2008 Summer Olympics were held from ninth of August to twenty-first of August. Equestrianism made its Summer Olympics debut at the 1990 Summer Olympics in Paris, France. It disappeared until 1912, but has been at every summer Olympics ever since. Olympics were actually first heard from a myth, but turned into a real event. Men and women also get to attend equestrian games, and teams get medals awarded.

After reading my report, do you feel more interested in equestrian games? Do you want to start learning it and attend the summer Olympics? Do you want to be a champion? What are you waiting for?

Anson Lau is my best friend; she is super smart and super kind,
our friendship could definitely never ever end; she shines so much
she could make you blind.
Anson always loves to play joyfully and eat hungrily at school all day,
for what she loves the most is the squishy, stretchy clay.

At home, Anson also loves to play with fluffy, sticky, crunchy slime,
at lunch time; she likes to drink cold drinks that has bitter, sour lime.
She is very afraid of the dark, deem, spooky night,
but at the day, she acts very, very bright.

She is super-duper good at dancing,
but not at all when it comes to swimming.
At super boring swimming lessons, Anson talks really really loud,
and acts like she is oh so proud.

Anson has such an adorable and amazing kitty,
and adopted a cute, fuzzy, little bunny.
Her stuffed bunny has a tiny little bow,
and when it terribly rips, she would kindly sew.

My Pet Peeves

Do you have any pet peeves? Well, I do. I know...it's like the worst thing EVER! I can hardly live with it, but today I choose to share two of my worst ones and hopefully you can share yours with me! Oh, and I promise I won't tell!

I guess everybody has this pet peeve. It is slow internet connection! Every single time I recall this moment, I will literally turn into an infuriated fire dragon! Let's start story time before I scream in fury. It all started on a placid and blithe day where birdsong was plentiful and gusts of wind were blowing. How soothing it was outside! I was sitting on my chair. I had my computer on, acting as enthusiastically as a Christmas elf having a break at last. I was about to watch a YouTube video when after my click, the screen turned pure white like fresh white snow and an onyx-colored circle appeared. The video was loading. I was really bothered because it was the trendiest video on the internet! I had hoped that the loading would end like the speed of light, but I was wrong! It went on and on and on and on...It was so vapid, and I felt like I was watching paint dry. I found myself turning into an angry queen waiting for her food to be served! That's when I finally screamed, "That's it!" I slammed

my computer shut. Because of that, my stack of books fell onto the ground, like bricks tumbling down to the ground. Seriously, I was like a maniac with a chainsaw destroying a raging dinosaur in fury!

Next, I decided to use my iPad to deal with that, but guess what? It still didn't work! Ughh!!! I was so enraged that my eyeballs could pop out. However, I would not do that because that I wouldn't be able to watch any YouTube videos anymore. My brain was filling with revenge-seeking ideas. I just wanted to crush those four evil curvy lines symboling Wi-Fi! I hate you WiFi!

My next pet peeve is noisy eaters who chew with their mouths open. Let me share one of my experiences with you. It all started on a very serene afternoon when me and my friends went hiking! YAY! The flowers were really colorful. Some were porcelain blue. The grass was jade-like green and we were all jiving and giggling around. It was one of the most memorable times of my life! Well...until the peevish thing happened! Prepare to be enraged by my loathsome friend! Let's call him Chase, the person who made me cringe like a stupid weirdo!

As we panted like running athletes, we quickly sat down and had our lunch break. I wearily opened my sage green lunch box and pulled out my peanut butter and jelly sandwich. I was a hungry pig longing for food after rolling ecstatically in the mud. "Hey Angie!" Chase grinned sweetly. He was the most cheerful monkey in the world! As he reached into his lunch box, he started chewing on the fruit salad. "Anyways, how's it going?" Chase blabbered with his mouth full like a greedy pig. I casually looked up and my eyes grew wide with disgust. "EWW! Keep your mouth shut! Don't you have any table manners?" I said, feeling as angry as a black bear protecting her cubs while jabbing him on his elbow.

Now here comes the most irritating part! Chase slicked his dark neat bangs from his eyes as if nothing happened! Rage was leaking out from my brain. Vengeance will be mine, Chase! All the fruits were almost ready to pop out of his mouth as he kept eating with his disgusting mouth open. "Stop eating with your mouth open!" I shouted irritably. I was turning into a hungry vampire killing its prey. I was in fact SO enraged that I forcefully cuffed Chase. Unfortunately, he still didn't care and continued eating like a deaf drooling dog

spitting and chewing on his mushy food. I seriously pitied his teeth at that moment.

For those who don't know, from now on I'll be forever mad at Chase! You might say, "Hey! Chase is not so bad. He's still at least better than stinking dogs! You're wrong. Wait, really really wrong! At that time, my blood boiled and hatred was overwhelming my entire body! His mouth went "crunch, crunch!" and I saw his food squirm, twist and clobber in his mouth. I bit my lip and my icy glare I always wore on my eyes melted into a pair of disgusted brown ones.

Well, now you understand my two pet peeves, don't you? I swear, if you have similar behavior as Chase, I will literally destroy you! Anyways, please tell me your pet peeves as I need it to plot your worst day ever! Just kidding! :P

Pet Peeves

Do you have any troublesome and aggravating pet peeves? Wish your pet peeves are not worse than mine unless there is an elephant sneezing emphatically at home and a disingenuous thief stealing your stationery on a delightful school day.

I don't care that your mom is like an enraged tiger, or your father snores like an extensive lion. But can you picture that there's a repulsive, unhygienic person sneezing and spreading germs everywhere? This humongous elephant does not cover his mouth when he sneezes but showering and raining vicious germs everywhere he goes!

First, say at home, we can hear him sneeze everywhere in the house. Second, in a public area, if we hear him sneeze from 1,000,000,000,000 km away, we can still tell where he is. This usually happens after he takes a bath. Whether I'm doing homework or crafting, if he sneezes, I'll suddenly be scared, then write something wrong with my ball pen.

For a long time, I have thought that I am like an ant on a scorching pot, wanting to go out from the hideous pot! I wonder if there are any pet peeves worse than this? Unfortunately, there is, and here come the notorious, noxious thieves!

There are many cunning, skilled thieves that are ready to steal in school, but they are usually graceful girls, not ill-mannered

boys. They are as common as 7-Eleven, and you'll find them everywhere. I think maybe they belong to a massive company of thieves.

They get my things like they're theirs. It usually happens after VA lessons. When I'm packing or tidying up, they'll treasure this golden chance to steal. I feel furious like a sizzling volcano is going to burst! One time, after recess, I had prefect duty. Then I found out that my cherished wallet with only one dollar was lost!

I often feel curious why they are so desperate even for such a petty amount! It is a mystery! Is it because they are the despicable wolves and I'm the little adorable sheep that is waiting to be eaten? Although we are often able to pin down the culprit, I don't welcome the trouble and inconvenience I suffer.

Aren't the pet peeves atrocious and abominable? Even you don't think so, I still feel demented with them. These are only an insignificant, microscopic portion of them all. But if you want me to tell you more, there may be a trillion! At last, I wish your irritating pet peeves are not worse than mine. Wish that luck be with you!

Pet Peeves

Pet Peeves are annoying things selfish people do. They often annoy you, so you cannot concentrate.

The most disturbing pet peeve is someone tapping on the desk while we are having exams. When you are concentrating, the tapping sound will get you distracted. It is seriously as noisy as a washing machine. It is totally driving you crazy. They can just go and have a tapping band show in front of the world. Actually, everyone can hear it in this quiet exam situation. I mean, nobody is actually deaf, right?

Usually people talking loudly will also get you annoyed, but when people talking loudly and rudely on the phone in public, it is totally different, especially on public transport. When you are on the bus and having a quiet time, people will be shouting on the phone, "Hello! Hello!" They are troublesome monkeys. When they annoy me like that, I will be as fierce as a lion. I am a killer who bites the skin of people! And you will also feel like killing them. So disturbing!

Actually, people who keep sneezing is even more bothersome! They are just non-stop barking dogs. They are as ill as dead people. UH! Some people actually sneeze very loudly, especially in public. People sneeze and do not wash their hands. Then they touch everything they see. And they are dirty pigs. They do not wash their hands. How is that possible not to spread germs?

I just hate pet peeves. Why do they exist? And for those who like them, you will totally be ghosts.

Weird Robber Steals Underpants!

A first time offender, Rover Dumbsy, was caught stealing at 3 a.m. in Jim Williams’ house yesterday.

Dumbsy was caught stealing underpants and clothes. “The weird thing is,” commented Jim Williams, “that he broke the TV, stole clothes, but also alarmed us by breaking through a window!”

The incident was witnessed by an off-duty police officer Adam Blake. Blake was also the one who arrested him, and borrowed the handcuffs from his on-duty workmate Arken Skill. He was nearby when Blake called him after Blake got hold of Dumbsy. Luckily, no one was hurt in this incident, but the mother of the affected family informed the police that the youngest kid had been sobbing every night since the incident happened.

The police predicted from the evidence that they had found in the house and nearby that Dumbsy had dug a hole outside and had broken the floor of the house to get in. He then had gone upstairs, stolen some underpants,

clothes, and then broken the television. He also covered his hole, broke a window with a hammer and escaped.

The police will carry out further investigation in Jim Williams’ house.

The police found the hammer Dumbsy used in the rubbish bin of the next-door neighbor.

Dumbsy admitted to the stealing and gave information regarding this robbery. He explained that he wanted to hide from his girlfriend because he does not have enough money to provide her with a luxurious life. He said that he was sorry.

Dumbsy continued that he wants his girlfriend to forget him after he goes to jail, but he had stolen minor things so he would not be apart from his family for a long time.

Many people were touched by his reason, and begged the judge to give him a chance and decrease his jail time.

Even though many people begged on behalf of him, the police is still

investigating because they suspect that the reason that Dumbsy gave is not at all true.

Still, the judge decreased Dumbsy’s imprisonment duration from 6 months to 3 months and 10 days. The people who begged for this were satisfied with the Judge’s decision.

The police also interviewed Dumbsy’s mother. She commented, “I think my son is a good lad. He always puts my safety first. Also, I am satisfied with the judge’s decision. I think he will learn his lesson and become a good lad again. Well, at least I hope so.”

Missing Girl Murdered!

An eight-year old girl named Sue Shi was recently found impaled on a sacred tree deep in the Larva Forest in Shenzhen on July 4th.

Shi’s family of three were devastated when she was declared missing 3 months ago at her birthday on April 1st. Shi’s mother, Clare Voyage remarked, “I dialed the emergency number when she didn’t come for her chocolate chip birthday cake. Now, she doesn’t even have the chance to enjoy it!”

The forensic scientists discovered traces of poison, liquor, strands of rope and fibers of black leather on her shoe.

Detective Sherl Lock concluded, “The poor girl was first kidnapped. Afterwards, she was poisoned and drugged, then strangled with a rope that caused her to faint. Finally, she was impaled on a tree to die. The intriguing smile on her face makes it obvious that “The Last Smile” did it.”

Hiker Jim Nasium, aged 24, was the man who found Shi’s dead body. Nasium reported that he was hiking when he saw something disturbing dangling near some moss and vines. He inspected the vines which led him to notice a ghost-like girl stabbed by a tree. He called the cops and then fled the scene.

This event had immediately reminded China of the numerous deadly cases of tortured girls who were being mutilated and eventually died after days of being captured.

The group claimed to be responsible for the deaths is a supposed gang known as “The Last Smile”. It is claimed that they capture young girls, torture them and kill them in disturbing methods.

The gang leader is an alleged teenager with a criminal record called Robin Banks.

In an interview, Banks denied killing Shi and claimed that he was in Cuba when Shi died. The Last Smile vanished afterwards.

Shi’s death was declared six days later.

The police force is currently investigating this cold case. They intend to close a large portion of the Larva Forest to search for more evidence and hopefully not only find out Shi and many others’ killers, but also shut all the brutal deaths down once and for all.

Just days ago, they found bits of paper in her bowels. Forensic scientists found evidence that Shi had to choke down paper that seemed to have the letter “L” scribbled on it with blue ink.

Officers advised citizens to keep children under adult supervision at all times or be armed with a weapon to defend themselves to prevent another child mutilation.

Rainbow Ruby Robbery

Severus Black, the famous thief, attempted to steal the Rainbow Ruby in London last night. He was caught stealing The Royal Family's Rainbow Ruby by climbing up the Tower of London.

"A man was scaling up Big Ben and disappeared through a hatch!" exclaimed a witness, Mr. Percy Jackson.

"The Rainbow Ruby, unknown to most citizens in the United Kingdom was concealed well behind all the gears of Big Ben's clock face. It is a family possession that had been made by a famous jewel maker in 1709," said Her Majesty, Queen Elizabeth.

Black stealthily dodged all security lasers and created a sleeping concoction to make the guards on duty drowsy.

The CCTV in the clock tower caught Black knocking out the guards cold and dripping the sleeping concoction into their mouths.

Earlier today, the enraged palace guards made their public apologies and claimed that they were a disgrace to the Queen.

Yesterday, in London Court, Lawyer Mr. Grace Thomas decided to play a fair role and questioned Black on his decision to steal the priceless jewel.

The sobbing Black blubbered that a scientist had promised him that he would provide a cure for his sick mother if Black stole the ruby for him.

Thomas also mentioned that the police should find the mysterious scientist for more evidence before putting Black into jail.

A doctor, Mr. James Valdez said, "Severus's mother has a very serious case of cancer, a high chance of death I must say!"

Another witness, Black's neighbor, Mary Parker said, "I was about to go to bed when I saw a man abseiling down the highest tip of the Big Ben!"

Yesterday night, security guard, P.C Doughnut claimed to have seen a man in black tiptoeing across the snoring palace guards and immediately called the cops.

Doughnut grumbled that the wretched robber had scared the sprinkles out of him and made him drop his doughnut.

A witness, Nurse Ruby from William's Hospital said, "At one o'clock in the morning, Severus had received an unknown call, how it frightened me! The terrible voice roared something like, "You've failed me again!" It woke up everyone in the room!"

Police are on the search for the scientist. The FBI will also be included in this search. Her Majesty expressed fear that the scientist would attempt to steal the jewel again by bribing one of her subjects.

WOMAN BUYS DIAMOND WITH ONLY US\$15!

On March 19th, a woman named Kitty Lau bought a diamond with only US\$15 in Tai Po, Hong Kong.

Apparently, Kitty Lau was scammed by two Chinese thieves.

The two Chinese thieves were named Bob Leung and Jimmy Kwok. The two thieves stole the diamond in a museum. After they stole it, they tried to scam someone with it.

The diamond ended up in Kitty's hands without her knowing that it was a real diamond.

The diamond costs over US\$450,000. However, it was made into a cheap ring by a layer of silver paint which was added by the two thieves.

Some of Kitty's friends weighed the cheap ring. They all noted that the ring was much heavier than other rings. Kitty and her friends felt suspicious and they called the police.

After a few days of investigation, the police announced that the ring was actually a stolen diamond from a museum.

Kitty Lau mentioned, "I feel sad that I got scammed, but it is good that we finally know who the scammers are."

The museum that has the stolen diamond is called Hong Kong Underground Museum. The museum displays different metals Hong Kong people had mined in the old days, and the most valuable object in the museum is the stolen diamond. The diamond was returned to the museum. The two thieves were arrested, and Kitty Lau got her US\$15 back.

The thieves swore, "I will not steal anything or scam anyone anymore."

The workers in the museum explained that they are trying to secure the museum by creating a more complicated password for the room which is used to store the diamond.

Summer and the Diamond

Summer ran down the vast staircase with a dozen crazy, weird-looking men chasing her. She darted all the way to the massive podium. Aware that she was almost caught, she vaulted down the eighty-meter-high platform without any hesitation. As she began to fall, she closed her eyes and thought of what happened a few hours ago...

Summer was a 17-year-old high school girl, and she had blond hair and brown marble eyes. Although she might seem timid and serious, she was actually a professional agent of the "Mission Agent! Corporation", better known as "MAC". This morning, Summer had just woken up from her tremendous bed in her family's slim house sleepily and yawned.

"Beep!" came a sound from Summer's mirror. "Summer Feeyasco, please report for duty," a voice commanded. "Summer? Summer!!!"

"What? Who is calling me? Mom?" yelped Summer clumsily, who was literally half-sleeping.

"I am Madame Weeked. Feeyasco, you have an important mission to attempt," replied the bitter voice.

Summer immediately sprang out from her lazy, messy self. She ran to the mirror and saluted, "Summer Feeyasco, reporting for duty." An image appeared, revealing a middle-aged woman.

"Finally, Feeyasco," Madame Weeked smiled savagely. "You will be attempting the most dangerous mission for teenagers: Spies from our corporation had reported that someone was trying to steal the Laratine. The Laratine is a 20-pound violet diamond, owned by the Baron of Reech. This jewel is the most precious diamond on earth, so many nobles want to steal it. We suspect that one of the nobles will try to steal it at the Ball of Nobles this evening, which is hosted by the Baron. You and your classmate, Ben, will work together tonight. Guard the Diamond Suite, where the Laratine is kept, find

out who the suspect is and stop him or her from stealing it. Understand?"

Summer nodded. The image was instantly gone. Summer took her backpack out from her wardrobe, and she put two tools inside: a gigantic pack of ketchup and a plastic jewel. Then, she left the house and strolled until she was out of sight.

She raced to the Palace Hotel (where the Ball was held) and found Ben. He was tall and dashing, with brown hair and gleaming blue eyes.

"Hi. What are we gonna do now?" asked Summer.

"Well...we could dress up as a waiter and a waitress," Ben replied.

They dashed into the dressing room and found two uniforms with name tags.

"Welcome back...Albert and Patricia?" asked the leader shockingly when Summer and Ben entered the ballroom. "You guys will go to the dining area and serve the nobles during the Ball, but it's only 12pm. The Ball starts at 5. You'll have 5 hours to prepare the Ball. Clean the ballroom and the dining area, will you?"

Ben and Summer nodded. They cleaned and scrubbed the chalky floor, while discussing the plan to save the Laratine.

It was 5 o' clock. Summer and Ben greeted the noble guests. Every ten minutes, Ben would sneak out of the ballroom and go check if the Laratine was still there, while Summer would make up some excuses for the leading waitress. Summer was just pouring tea, when an Earl, who was dressed formally, strolled into the dining area.

"A table for two, please," he called. Summer immediately greeted the Earl and led him to his seat. "Bonjour. Ze name's Victor, Earl of Bisko. What's your name?"

"Summer. And do you know anything about the Laratine?" asked Summer.

"Oh yes, indeed I do. I was informed that someone was trying to steal it. And that is my sister, Victoria, I believe," said Victor.

"Thank you, Sir," Summer acknowledged. She told Ben the whole thing after Ben came back, and they decided to keep an eye on the mysterious woman.

It was the third time since Ben checked the diamond, and he asked Summer to come, too. When they sneaked into the Diamond Suite, something was gone.

"The Laratine!" Ben and Summer both gasped. They ran to the ballroom and found the Earl admiring the jewel, while his minions surrounded the guests, including Victoria and the Baron himself.

"Wa-ha! Now, I'm supreme! No one can stop me now!" laughed Victor.

"Victor? How can that be possi-" Summer said, but Ben stopped her just in time.

"Grab the diamond!" he whispered.

Summer grasped the Laratine from the Earl's back and faltered, "You want this? Then you'll have to catch me!" And she sprinted, with all her strength.

Summer ran down the vast staircase with the Earl's minions chasing her. She ran all the way to the massive podium. Aware that she was almost caught, she took the fake Laratine out of her backpack (which she carried all along) and put the real one in. Then, she threw the diamond on the floor, vaulted down the eighty-meter-high platform without any hesitation and closed her eyes. When she fell on the ground, her feet were swollen and painful, yet she managed to take the gigantic pack of ketchup out from her backpack, spilled

it all over her, and laid down, pretending to be unconscious, or even dead.

She heard the minions cheer, "Yippee! That stupid girl actually 'gave' the Laratine to us! Wait until Sir hears that! He'll grant us three wishes! Like the fairy in our Lord's story!..."

Summer chuckled. She never thought the Earl of Bisko's minions would be that stupid.

As soon as the minions went away from the podium, Summer stood on the rocky floor with her bleeding knees (not from the ketchup) and her bruised forehead. She called the MAC, the police as well as Ben. Summer hid behind a huge tree near the hotel until Ben, the police, and the MAC agents came. They arrested the Earl of Bisko and tied the minions together with a thick rope. The Earl groaned while he was "escorted" to the police van. Summer smiled, now that the suspects were found, the Laratine has been saved, and the case had finally been solved.

In the narrow jailroom, the Earl sat on the rotten chair and moaned. "There is no way out," he thought, "if I sit here for the rest of my life, well, unless..."

The Epic Chase

Alex ran along a dark corridor. Everything was a blur until he came across a familiar door. Without a second to lose, he quickly ran inside the room. He ran towards the dusty old bed and hid himself underneath it. He heard the footsteps gradually become louder and louder.

It was about a week ago. Alex and his family had moved into a new house. They were all excited about their new house. He exclaimed, “Mom, I love this place because it is colossal!! Mom, can I go for an exploration?” Mom replied, “Yes, but you need to go back home before 4 pm.”

In order for him to explore more, Alex skipped and jumped into the forest near his house. Suddenly, he found a dark hole which was like a dark hole in the space on the ground. Unexpectedly, that hole turned bigger and bigger, so it sucked Alex into it. He fainted at last.

When Alex woke up, he found himself in another place. Bang! Bang! He saw a gigantic robot chasing and shooting him brutally. Alex ran and ran even though he was extremely tired. He ran to a village to search for help. A seven-foot-tall man who was holding a mighty sword warned Alex asked, “Who are you? Where do you come from? Are you from the Dark Army??” Alex screamed and shuddered, “I...I...I am from England, and I am not from the Dark Army. My...my name is Alex.” “Oh! Sorry that I misunderstood you. I saw you drop in through the hole, and you must be our savior. My name is John, and it’s nice to meet you, Alex! I want to meet you because our country is being attacked by the Dark Army, and the 15-foot tall robot that just slugged you is called P.E.K.K.A., and it is the most gruesome weapon of the Dark Army. I will be your coach, and you will be trained to fight against the Dark Army.”

John taught Alex a lot of fighting skills. Although the training was tough, Alex gritted his teeth, and he never gave up. After three months, Alex was ready for the battle. John gave him some antidotes, a magical sword and an unbreakable shield.

Alex went into the forest, and discovered that there was a massive factory. He sneaked in the factory and saw P.E.K.K.A. resting in the corner. Alex thought, “I have confidence to destroy it if I do a sneak attack on P.E.K.K.A. now.”

He carefully sneaked near P.E.K.K.A. and heard the Dark Army was marching in the room. “Attack the village now! No one can survive!” When Alex climbed up to the ceiling, he accidentally made a sound. “Invader! Invader! Look out! Someone wants to destroy the P.E.K.K.A.!!” A horde of skeletons chased after him and he darted along a gloomy corridor. Gradually, everything was a blur until he came across a familiar door. Without any thought, Alex opened the door and rushed in. There was a dusty old bed in the room and he hid under this bed. He heard the footsteps gradually become louder and louder. His heart was pounding loudly and was almost in his mouth! In a second, Alex found out that somebody had written something on the floor. “In order to destroy the P.E.K.K.A., you must cut the wire!” He grabbed his sword and chopped the wire under the bed. The P.E.K.K.A. cracked and fell down, and all the skeletons were smashed.

Alex cheered, “Hooray! I beat the Dark Army. However, the creepiest thing happened. The familiar door disappeared, and Alex could not find the way out!

“Hahaha! Now as you saved my village, I cannot let you go back to your world. You must stay here forever!!” John grinned...

The Hidden Room

Alex ran along a dark corridor. Everything was a blur until he came across a familiar door. Without a second to lose, he quickly ran inside the room. He ran towards the dusty old bed and hid himself underneath it. He heard the footsteps gradually became louder and louder.

It was about a week ago. Alex and his family had moved into a new house. They were all excited about their new house. As the formal owner of the house, Uncle Daniel, told them that there were clues around the house, leading to a special room. Before anyone could ask anything, he left.

Alex and his brother, Jeff, were both very interested in the special room because they loved mysteries and adventures. Therefore, they immediately started the hunt for clues. The first clue was found under their bed. It was a paper with scribbled handwriting, "Kitchen, 12: 00." Alex thought that the next clue must be in the kitchen, and 12:00 was the direction for North. Therefore, Alex and Jeff started the search.

When they arrived in the kitchen, they saw five cabinets, in the North direction. On each of the cabinets there was an arrow magnet. Each of them pointed to the second cabinet. Alex and Jeff discussed, "Since dad and mom aren't here, let's check out what's in the cabinet." Once they finished the discussion, Alex opened the cabinet slowly. In the cabinet was a tunnel just the size for both of them to fit in. After a single nod, Jeff slid in, and Alex followed.

It was a slide, Jeff thought. After some sliding, they reached a small dark room. Suddenly, a light bulb flickered. They saw signs pointing to one corner of the room. They saw a skull and a piece of paper. While they were trying to read what was written on the paper, the tunnel that lead them there had closed. Then three doors appeared in front of them, and all lights were turned on.

"In the 1st room there are killers with guns loaded ready to shoot you. In the 2nd room there are zombies trying to suck blood out of your bodies. In the last room there is a big fire, choose the one.

Victim, John_____"

Alex and Jeff immediately knew it was a torture room. They immediately searched through the room, and found a crate. In it was a time bomb which it was set to explode after 30 seconds, a crow bar, and an apple. Jeff took the crow bar and immediately started to try to open the tunnel door.

Suddenly, all three doors opened. Then the zombies started to kill the killers. After that, they started running towards Alex and Jeff. Then the tunnel door finally opened. It became a ladder. They frantically climbed up the ladder and went back to the cabinet door.

Alex and Jeff ran along the dark corridor. Everything was a blur until they came across a familiar door. Without a second to lose, they immediately pushed the door open and dashed

under their dusty old bed. Alex heard the footsteps in the corridor gradually became louder and louder.

They were so anxious. However, Alex suddenly thought of a way he'd learned from a recent movie - to pour acid on zombies and burn them. Then he remembered that his vomit was acid. He also learned that by pressing one of the nerves in his throat could help him vomit immediately. Therefore, he put his hand in his mouth and left it there. Once the zombies smashed the door open and came close, he pushed his hands towards his throat, and he vomited on the zombie. Surprisingly, the first zombie immediately started burning, and the fire swallowed the rest of them.

Alex was relieved. He and Jeff got brooms and started sweeping the ashes away. As they nearly finished, they heard the bell ring. Alex ran across the house and opened the door. It was Uncle Daniel. He welcomed him in the house. But instead of going in the house, Uncle Daniel closed the door and stood right in front of the door. He asked with a grin, "How was our zombie fight?"

The Adventure in Clashraton

Fred and George were battling at the castle at Clashraton. An army of skeletons was approaching in the horrible darkness. They couldn't believe they were there. They became more and more dizzy, and all of a sudden, the only thing they could think about was what happened a month ago.

Chapter 1:
The Chest Comet to Clashraton

One month ago, they were normal sixth graders, happily playing around in the hot and beautiful summer days. On the evening of a July day, they climbed up the mountain, hoping to see comets and stars, because they heard that there would be a LARGE comet visiting earth.

"Make a wish if you see one," said Fred.

"Of course I won't," answered George, "I will make twenty wishes, not one."

They were peacefully sitting there, with innumerable stars, as peaceful as the world could be. Everything was normal. Really quiet. No movement at all. They waited and waited, until they almost lost hope of seeing any comet, when suddenly a comet appeared.

"Really! A comet! Look there! Look!" yelled Fred as happy as if he had won the lottery. George didn't mind Fred because he found it way before Fred. He was wishing as he shouted, "I want a surprise present! I want an adventure

like the ones in the movies! I want..."

Suddenly, they both became unnaturally quiet. The comet became LARGER AND LARGER as if it was heading to the Earth. Actually, it was really heading towards Earth! The comet was coming to the mountain as fast as an airplane. It slowed down before it reached the mountain, turned and headed towards Fred and George! They ran as fast as they could. Everything seemed blurry. They turned left, but the comet turned too!

"It must be magic," predicted George, "because it can chase us."

"I don't think so," answered Fred, "It should be some high-technology thing like a UFO. We will soon be rich finding a UFO!"

Without noticing it, they ran into a dead end. They were frightened because they thought they might die. The comet came closer and closer... They became more and more frightened...

BOOM! The comet stopped in front of them, and it turned into a SILVERY, bright chest. Their hands uncontrollably heading to chest. In a flash, they disappeared.

Chapter 2: The Terrible Training

Thank God! They landed on a huge grassland with nothing except a gigantic, brown hog and a long, boring road.

"Harrllo!" yelled the hog, "I am Zapp. Werlcome to Clashraton, our

warriors! Ourr counrry is in trroublre! The Skeletrons turned the cityzrens to slaves! Can you herlp us?"

"What are you talking about? I don't understand, as you were RRrrrorring," asked Fred, "Why are we here?"

"I told you alrrrready!" screamed Zapp, "Can you please herlp us? Head to the trrraining camp to trrrrain yourself, forr you need to frrright the skeletrons!"

"What--", before they could deny, they were on the bus which appeared on the road.

Around 5 hours later, they reached the training camp. The main building of the camp was built 500 years ago by poor little beasts called "Zamuel", as it said so on the main gate, so it was ramshackle and could fall at any time. Fake Skeletons, goblins, arrows, baby dragons.....The whole camp was full of strange things, yet none of them looked useful.

There was a sign written:

'If you win against the dragons, you become a warrior!'

"Are we going to fight against that awfully scary dragon?" trembled George. Zapp nodded.

"From defending the arrows to stepping on an atomic bomb, they completed all the training in a month. Without hesitation. It was time to fight the dragons. Dragons were not anything scary anymore, nor were atomic bombs or other things. As

easy as a piece of cake, they became warriors.

Chapter 3: The Retching Ride

"Seat belts on, warriors!" yelled the driver, "On the way to fight the skeletons!" Fred and George were on the bus once they woke up. They couldn't deny fighting with the skeletons. "A stitch in time saves nine," said the driver, "As soon as you guys slept, Zapp had already brought you guys on the bus."

They went past the Goblin's stadium with a loud cheer, then deep in the scaryton bone pit, crashed over a pile of bones, turned 360 degrees, straight into the grassland with the speed of 900km/h, and stopped suddenly with a squeak.

"What on Earth happened?" asked Fred.

"This is not Earth, it's Clashraton to be exact," joked George, "What on Clashraton happened?"

No one answered. A barbarian went on the bus. 20 seconds later, the bus gave out a ROAR sound and started moving. It crashed over the grassland, driving into a lava playhouse, flew up into the sky, while everything happened in three seconds. While the bus was peacefully flying in the sky, everyone relaxed.

Later, it pointed downwards, falling from the sky, moving up and down like a roller coaster. They went deep underground, into the valley.

In the valley, there were strange chemicals and spells. "Grab that clone

spell, mate. It's useful," the barbarian finally said his first words. They all drank the potion, cloned themselves into 1000, and the clones fled away to the castle.

"That is elixir," explained the barbarian, "It costs MILLIONS for a droplet, as it's made of the chemical 2[H1000C200U200]C2Au. They are so rare."

After drinking the potion, they were back in the bus. It fled back up in the air, and rushed to the huge workshop with gears making "Cling" and "Clang" sounds. They then reached a royal castle where the clones went, but the sky was already dark.

Chapter 4: The Unexpected Urgency

They planned to stay in the castle for a night in order to continue their journey the next day with full power, but strange sounds like an army walking kept appearing louder and louder. The Skeletons were heading towards them!

Without any preparation for the skeletons that would come, Fred and George (and their clones) were sleeping like pigs. None of them were ready to fight, but the skeleton was already catching others to become slaves, including some of the clones.

Luckily, the clones could communicate with their real bodies, Fred and George. Both of them received the message:

Unexpected Urgency

They woke up immediately when they received the signal. "I smell a rat," said Fred. "Me too," George answered. They looked out and saw the skeleton armies. They were shocked. The skeletons were bringing the barbarian to become a slave!

"AAAWAAH!" yelled Fred and George. A skeleton fell suddenly. "AAAAWWAAAH!!" they both yelled again. Another skeleton fell down too.

"I know! They must be afraid of our sounds! We can kill with by our remaining clones!" said Fred in joy, "but then it's useless to train ourselves. We wasted a whole month on training when screaming could win the skeletons!" "Well, I'll be a monkey's uncle since it's so easy to win the skeletons," answered George."

"AAAAAHHHHH!!!!!" the remaining 25 clones yelled. With the help of them, all the skeletons fell. They won without taking any damage, so they immediately jumped on the car and saved all the slaves by crashing through the skeleton's castle which was behind a frozen peak, a jungle, far, far away.

"We saved everyone! Let's build our new city here!" screamed Fred and George. "But how on earth can we go back to Earth?"

Just then, a giant skeleton 1 km tall holding a giant bomb of 200m radius appeared far away in the horizon, coming closer.....

The Monster Trap

Alex ran along a dark corridor. Everything was a blur until he came across a familiar door. Without a second to lose, he quickly ran inside the room. He ran towards the dusty old bed and hid himself underneath it. He heard the footsteps gradually become louder and louder.

It was about a week ago. Alex and his family had moved into a new house. They were all excited about their new house. "Mum, Dad!" shouted Alex, as he dashed into his colossal bedroom, "My room is GINORMOUS!" Alex's new house was a completely perfect paradise. Chandeliers hung from the high ceiling, comfy sofas lay right in front of a 69-inch times 58-inch TV set, and there was also a PS4 set in his room, waiting to be used.

Alex was a very intelligent child, for he had read many books and had done many experiments. For a couple of days, Alex roamed the hall of the house. While he was strolling around, he discovered a door with strange patterns on it. Alex steadily opened the door and saw a dusty old room. Without any interest, Alex left the room without knowing that he just activated the "Monster Protocol". The next morning, Alex's Mum and Dad announced that they were going out for a business trip for 3 days, so they asked Alex's aunt to babysit him.

When the clock chimed 12 o'clock, Alex immediately ran to the TV set to watch the TV show 'The Flash', but the TV wouldn't budge, yet it suddenly showed a few words, "Go to room when in danger.". Since Alex didn't know what it meant, he went to find his aunt, but he couldn't find her. Alex was starting to feel nervous because he did not know where his aunt went. "That's strange," muttered Alex to himself, "Why is the wall shaking?"

With no warning, a humanoid jumped through the wall. The monster had six limbs, with a face that looked neither like a human nor an animal. Its face was skull-like, with great fangs dripping yellow fluid, which Alex thought was venom.

"I am a biology experiment," said the monster "I was once a human, but your great-great grandfather destroyed me!" The monster glared viciously at Alex and pounced at him, so Alex followed the TV words and rushed to the dusty room. If the monster caught him, he would be toast.

Alex ran along a dark corridor, everything was a blur until he came across a familiar door. Without a second to lose, he quickly ran inside the room. He ran towards the dusty old bed and hid himself underneath it, He heard footstep gradually become louder and louder. Alex was scared out of his wits. Then a plump woman stood there, "Phew" exclaimed Alex, "Hi aunt."

"We have no time to lose," whispered aunt, "You may not be strong, but you are smart. Let's build a trap! Unless we kill it, that thing would kill us!"

In the dusty room, they gathered wood and knives. In an hour, they formed a simple trap. The Monster would be lured by a delicious brownie. Then it would step on the trap and would be trapped. While it was trapped, they would pour acid onto it until it got paralysed. While it was dying, they would ensure its death by stabbing it. Since they completed the trap, "Hi Five!" shouted Alex's aunt.

They opened the door, and everything was as planned. The monster was trapped and was killed. Aunt and Alex had done it! After a few hours, Alex's parents came back. Although their new house was ruined, they were happy to fix the house. The family could now live in peace.

However, they did not know one thing - the monster had laid an entire generation of eggs in the basement. ONE egg hatched and something inside roared with might as it rose from its egg, knowing that it would finish it's father's mission, knowing that he would haunt Alex's family or hunt his family as long as they lived.....

Alyssa's Adventure

13 years old Alyssa Kane was fleeing down rows of trees, running for her life. The trees became a blur as she raced past. Three thieves followed closely behind. She ran and ran and somehow got to the edge of a cliff. As soon as Alyssa turned back and got ready to run, a body harshly slammed into her, and she fell off the cliff.....

Just a week ago on Friday, Alyssa, who was just a normal teenage girl, was going to her normal gymnastic class. She arrived there, changed clothes, and started practicing. She was the best gymnast of her grade, and her gymnastic skills surprised everyone she met. In the middle of warming up, Alyssa felt a pair of eyes staring at her. She looked towards the exit. A man in a black trench coat was looking at her. The next thing she knew, a dart was shot into her legs, and she immediately fainted.

Alyssa woke up to find herself in a fancy suite of a hotel. She looked around and saw a pair of aqua blue eyes staring at her. Alyssa recognized him as the man from the gym. She immediately struck a menacing pose. "DON'T YOU DARE COME NEAR ME!" she yelled. "Don't worry. I am a member of the Anti-Villain League. My boss sent me to seek you out and ask if you will help us. My name is Tyler." He explained. Alyssa asked, "How can I help you?" "We overheard that a gang of thieves was planning to rob the museum and steal its priceless artifacts. We know that you have extraordinary skills, so we hope you can help." Alyssa agreed.

Alyssa then spent a whole week tracking and following the thieves. Their leader, Jacobi, seemed very strong and merciless. One day, she saw that those thieves went into the museum and came back out with armfuls of gold and artifacts from the olden days. Alyssa flared up with anger and decided to take action. She had them chase her into the trees beyond the museum. "As long as I outrun them, I will be safe." Alyssa thought. She ran and ran until they chased her to the edge of a cliff. She wanted to turn around and run the other way.

Unfortunately for her, they closed in, and a body harshly slammed into her.

Alyssa fell down..... until she felt leaves slowed her fall, and she fell down into a lake. She climbed out of it and immediately started to climb the hundred-foot rock wall. In order to not fall and seriously injure herself, she tied herself to the rock wall. Alyssa was really tired and cold, but she kept on going and finally, at the end of the day, she reached the top! Alyssa saw footprints leading even deeper into the forest, and she followed them. They led her into a clearing with guns pointing at her. Alyssa realized that it was a trap, and she went right into it! If she did not surrender, she would be shot by them.

Jacobi stepped out and said, "Well, well, well! Look who's here! Pretty little Alyssa, trying to stop us? Not a chance!" His smiling face suddenly became a scowl. He then tied Alyssa's hands behind her back. As Jacobi rambled on and on, Alyssa did some quick thinking. When Jacobi wasn't looking, she reached out with her foot and tripped him. She released her hand with her pocket knife. Alyssa used her amazing gymnastic skills and kicked, punched and flipped the thieves.

When the thieves were all unconscious, Alyssa immediately called the police department. A few hours later, while the thieves and Jacobi were thrown in jail, Alyssa was safely at home, and the artifacts were restored in the museum.

Tyler congratulated Alyssa on a job well done, and Alyssa turned crimson red from the praise. For a few weeks, she lived without any worries of Jacobi on her mind. But little did she know, an officer was dialing to the newspaper about a prisoner named Jacobi that had escaped.....

Joyful Restaurant,

Hong Kong, N.T.

Dear Manager,

Hello. I am Angie Man. I am writing to inform you about my complaints regarding your restaurant, which I visited last Saturday.

I have three things to complain about. The first thing is that the food was not hygienic. I saw a dead moth floating in my soup. How would you feel if your food had a dead moth in it?

The next thing I want to complain about is the revolting attitude of the waiters. I saw a puddle of liquid on the floor. I called one of the waiters to help me find a cleaner to mop it up. He said "Find them yourself. I am busy!" And I saw him stomping away, but he was not even busy!

Last but not least, I want to complain about the super expensive price of the food. When we finished our meal, my mother asked for the bill. We only ordered three small dishes, but the price was two hundred dollars! I do not think this is reasonable at all! We did not even feel full.

After this unpleasant meal, I feel so unhappy and disappointed. As the manager of this restaurant, I hope you can change all the unsatisfactory things in your restaurant. The online ratings of this restaurant are really high. I did not expect it to turn out to be so bad. For the unhygienic food,

Amazing Ocean
LUI Hei Wun (2C)

you can clean the kitchen and all utensils more often, so bugs and insects do not sneak in. Or you may try to hire another cleaner who could clean the kitchen. For the bad attitude of the waiter, you can retrain your staff or give them awards if they behave well. For example: You can offer them one day off for good behaviour in a week. As for the expensive food, you may try to review the menu of your restaurant and set more competitive prices for your food.

If you change all of the negative experiences I've had this time, I will visit your restaurant more often and will also become a VIP member.

If you do not change any of these, I will ask all my friends and family not to visit your restaurant ever again.

If you have any problems or questions, you may contact me by dialing the number 1234-5678. I hope to have a better experience in your restaurant in the future.

Yours faithfully,

Angie Man

Dear Manager,

Hello, my name is Walter Fung. Last week, my family and I took your train from Kowloon to Sha Tin. I wish to tell you that I had a horrible time on your train. Therefore, I have some complaints that I want to let you know about.

First, your seat conditions were horrible. There was a crumpled piece of newspaper on my seat, and I saw some juice stains on the seat next to me. It was shocking to see that your trains are so dirty. Did you even clean the train at all?

Next, I wish to tell you that your staff was extremely rude to me. When I told him about the seat conditions, he told me, " Why bother? It's not your train, mister. You can stand up, right?" I was so fumed up after this that I even forgot to get back my bottle from the chair. I have never seen such a rude staff before.

Finally, your fare prices were unreasonable. Fifty dollars for a journey from Kowloon to Sha Tin! I have never seen that before. That price is just way too dramatic. Would you ride a train if it took you fifty dollars to do so? If I knew about it earlier, I wouldn't ride your train.

In order to improve your services, you should improve your seat conditions. Hire some workers to clean your train often. If you don't, I will never come back again. Also, teach your staff some manners. When I come back the next time and see they are still rude, I will write a comment on social media to never ride your trains. Finally, please improve your prices. You can change it to twenty dollars which is more reasonable. If your prices are still way too high, I will tell my friends not to ride in Dreamland Railways. But, if I see you have done all of my requests, I will tell everybody to ride on your trains. You are the manager, so you can do it!

If you have any questions that you want to ask me, please contact me at abc@gmail.com. I really hope you will listen to my advice. Have a nice day!

Yours faithfully,

Walter Fung

Dear Sir,

I am Tiffany Lee. I visited your restaurant last Friday, and I am writing to complain about your restaurant.

My first complaint is about the food quality. I ordered an Angus medium rare steak, but when the food arrived, the steak was raw, like it's not even cooked! How would you feel if a restaurant gave you a raw steak when you ordered a medium rare steak? Also, I wanted to tell you that the steak was not even Angus! The sauce of the steak was very gooey and pasty like slime. Would you even dare to eat it? I hope you can improve your food quality by training the chef. Hire a new chef if possible and buy fresh ingredients from a better company. If you do improve, I will bring along my friends to your restaurant. In addition, I will also post on social media to share the improvement that you have made.

My second complain is about the service of the waiters. The waiters were rude and impolite when I asked them to take the order. The food also arrived sluggishly. After that, they stared at me when I was eating. It just made me feel uncomfortable. When I asked for a cup of water, they poured it way too full, so they spilled some water on me without saying sorry! I was so disappointed with their attitude. I hope you could train the waiters and teach them some manners. You should also hire new waiters or fire them. As the boss of the restaurant, I am sure that you could improve the services of the waiters.

My third complaint is about the environment. There was rubbish everywhere on the floor. The waiters smoked in the restaurant and threw the cigarette butts on the floor. The smoke from the cigarette smelled awful! I hope you could hire some janitors to clean the nasty floor. Also, you must stop the waiters smoking in the restaurant from now on. If you do not improve, I will post on all social media that your waiters were smoking in the restaurant, so that no one will visit your restaurant again. Lastly, you should make some "No Smoking" signs all around the restaurant.

If you want to contact me, you can contact me by my phone number. My phone number is 9253 3421.

Dear Senior Manager,

My name is Thomas Saw. I recently traveled on your railway on 23rd October, 2017 and found the experience highly unpleasant.

I am writing to complain about the safety of your trains. I noticed that your train has very few poles for me to hold onto. Every time the train stopped, everyone stumbled over, and I am sure that someone got hurt. When I tried to complain to a staff member, she completely dismissed my concerns and stormed off. How would you feel if you are concerned about safety, and the staff member you complain to completely ignores you?

Also, the attitude of your staff is absolutely horrendous. When I found out that my Opal card would not be accepted at the gate, I went to find a staff member for help. After asking a few staff members to help me, one finally decided to do his job and helped me reset my card. He snatched my card and grumbled as he ran my card through a machine. I was utterly disgusted by his rudeness and by the attitude of your staff.

In addition, your trains lacked hygiene. I found rubbish littered all over the floor and cockroaches crawling around the bottom of the seats. There was chewing gum on the wall, and everything was making the train more and more revolting.

I strongly recommend that you evaluate all staff members and retrain them if necessary. Install more poles and handholds to ensure the safety of passengers. Clean out all the trains thoroughly and even hire a bug exterminator to get rid of the cockroaches.

If you complete the above, I will always consider your railway company as a travel option. However, if you do not improve, I will be forced to complain to the Transport Department. As Senior Manager of the company, I am sure you can get everything sorted out very promptly. After you improve, I am sure a lot of people will start traveling your railway. There were no delays between trains and that made traveling quick and fast.

Feel free to contact me at twhsaw02@gmail.com or my phone number 96201162.

Yours faithfully,

Thomas Saw

Shall I compare thee to sizzling fire,
Giving me warmth when I am miserable,
The time he comforts me is as long as wire,
Repeatedly helping me to feel comfortable.

Shall I compare thee to a friend who adores playing,
Running with me around the gorgeous lake,
Chasing balls happily while we are eating,
As we celebrate our birthday together with a cake.

But my pet is an extreme VIP guest,
Needs me to help him clean his smelly things,
Only lives in an enormous cage which is the best,
One day he might need me buy him some expensive rings.

Although my pet wastes my money,
He is as sweet as honey.

We will always solve problems ourselves together.

School is an extremely busy office,
We will get much horrible homework,
The teachers always are grumpy bosses,
We will need to do a tons of classwork.

Although the school is extremely boring,
But it is always best place for learning.

Shall I compare the school to a beehive?

We cooperate together in sync.
All of us are hardworking and we strive.
We’re so fast we finish stuff in a blink.

Shall I compare school to dictionaries.
Filled with tons of knowledge for us to learn;
Going to school with no bit of worries,
With wisdom and info for us to earn;

But school is a massive pressure cooker,
Filled with tons of homework and assignments,
That makes others get filled up with anger,
And reminds us of grades and assessments.

Although schools are pressure making machines,
It’s a place that creates brilliant teens.

Shall I compare thee to the greatest home,
Where happiness is never, ever rare.
Resourceful like a gigantic biome,
And so generous, thou won’t mind to share.

Thou art an original masterpiece,
Created with children’s gorgeous design.
A great place that is forever in peace.
Thou art so unique thou will always shine.

But thou art big, strong, destructive stress bombs.
Homework, projects, exams, debates, test,
They bury away all happiness like tombs,
By then we are forced to never have rest.

Although in life we will all slowly grow,
In our memory thou will always glow.

爸爸說：「如果你用書打牠，牠就會叮你啊！」他們聊天的時候，媽媽在打開窗戶，想着蜜蜂會不會出去呢？我驚慌地問：「爸爸，蜜蜂真的會叮人嗎？」爸爸說：「會啊！」

最後，媽媽把蜜蜂趕走了。我們輕鬆地繼續做功課。

我是一輛玩具的士，住在主人林哲家。我有很多兄弟姊妹，有紅紅的跑車哥哥，有大大的巴士弟弟，有綠綠的小巴姐姐，還有長長的火車妹妹，我們開開心心地住在一起。

我是一輛藍色的士，個子不高，身型肥胖。頭頂上有燈箱，寫上「TAXI」。腳下有四個圓形的車輪，使我向前走動。車頭的眼睛會發亮，車尾掛上「BC1757」的車牌。

平日，我感到苦悶，因為我不可以四處跑。我被困在一個盒，好像一個監牢，只給人家看，幸好還有兄弟姊妹與我一起，有說有笑，生活便充滿樂趣。

我的兄弟姊妹是我的好伙伴，感謝他們的關心和陪伴。

每個月我都會有一個新兄弟，帶來新的故事。主人的書架有我的哥哥和弟弟們，就像一排建得很相似的大屋，各有特色。

我希望我和我的兄弟會一直給主人和他的家人帶來樂趣。

我的外形是長方形，上面除了有24個按鍵以外，還有一個顯示器和一個太陽能板。

我不光又漂亮又精緻，我還很認真地工作。泊言放學之後，做完數學功課之後，我就可以幫助他檢查。我有太陽能板，所以，我不需要電就可以計算。主人很信任我，因為我算東西又快又準。

我就是這樣盡心盡力地陪伴着小主人成長，小主人很珍愛我，把我當成他的小寶貝了！

我穿上白色毛茸茸的衣裳，小明更為我添上一件藍色的外衣，上面還有一個超級酷的超人圖案。雖然我的身形高高瘦瘦，但是我有無比的記憶力。我牢牢記得每一位親友的電話號碼、樣子、每一句話和每一段片段，讓小主人隨時隨地翻開珍貴的回憶。

有一次，小明和他的爸爸媽媽到海洋公園去。在等候看海洋劇場時，小主人和他的父母失散了。於是，小主人馬上把我拿出來跟爸爸媽媽聯絡。我非常開心把他們連在一起。

我希望跟小主人一生一世也不分，天天編兩雙足印，過千山過千海。

我是小企鵝娃娃

我是帝企鵝寶寶，五年前的暑假，我的小主子子嫣在海洋公園的玩具店把我買回來。從此，每天晚上我都陪她一起睡覺。

我帶着紅彤彤的帽子，帽子的兩側有個毛茸茸的小毛球。我有一個又胖嘟嘟又柔軟的身體，一雙飽滿的黃色的小腳丫和一個圓圓的小嘴巴，十分可愛呢！

我是一個傾聽子嫣心聲的玩伴。我會專心聆聽她高興的事情，也會分擔她的憂愁。有一次子嫣不小心把錢包弄丟了，傷心得哭了一晚，把我的肚子弄濕了一片，我不但沒有生她氣，還替她擦眼淚。

我要做個忠心的娃娃，好好陪伴她安睡，讓她每天精神地上學去！

狐狸和小鹿摘蘋果

一個星期天的早上，小狐狸和小花鹿在森林裏玩耍，牠們看見又香又甜的蘋果，心想：我餓了！小狐狸想都沒想就拼命地爬上蘋果樹上，小花鹿就用力地撞蘋果樹，但牠們都不成功。

接着，小狐狸就突然靈機一動，開心地跟小花鹿說：「不如你把身體借給我，然後我站上去，那麼我們就摘到蘋果了！」小花鹿心想：要是小狐狸說蘋果都是牠是牠摘的，不分給我，那怎麼辦才好呢？

過了一會兒，小花鹿不情願地答應了小狐狸。牠們把一個個的蘋果摘下來。牠們興奮地說：「我們成功了！」

最後，小狐狸把蘋果分給小動物們。小狐狸和小花鹿明白了：同心合力才會有好結果。

過了一會兒，小鹿就背小狐狸上去拿蘋果。小狐狸摘了很多的蘋果下來。小鹿就好興奮地想吃蘋果。小狐狸把全部的蘋果摘下來，說：「我們同心協力是可以做到很多事情的。」

美好康樂中心

今天，天氣晴朗，我跟同學們一起到美好康樂中心遊玩。我感到很興奮！

一進康樂中心門口，燒烤場就在我們的旁邊。我一看到燒烤場裏的食物，就感到肚子餓了。美好康樂中心裏有燒烤場，繩網陣等等。我們分成八組，有的同學在羽毛球場裏打羽毛球，有的在繩網陣爬繩網，有的去工藝坊做手工……大家都爭取時間，享受美好的時光。

首先，我去了工藝坊做手工，每個人都做的很美麗。有的在做筆筒，有的在畫沙畫呢！然後，老師帶我們一起去燒烤場燒烤。燒烤場裏有不同食物。我們一邊吃東西一邊談天說地，真高興！

最後，我們懷着依依不捨的心情回家。我想：我們可以每天去美好康樂中心玩就好了。

天氣很好的某一天，我和同學們到美好康樂中心遊玩。到達中心後，我們高興得跳了起來，因為我們是第一次來這裏。

我一進中心的門口，就看見很多花草樹木和遊樂設施。有的人在足球場踢球，有的人在單車徑騎單車，還有的人在燒烤場燒烤。這個地方真大！

首先，我們一起到足球場踢足球。足球場又大又美。我們分成兩隊比賽。比賽開始時，我們努力地踢，我的朋友小明進了一球，我隊開心得跳了起來。最後我們雙方打成平手。我們踢得筋疲力盡，但是我們學到了合作的重要。

然後，我們到了燒烤場燒烤。那裏有很多美味的食物，如：牛排、香腸、魚丸……老師說：「你們要小心使用燒烤叉。」我的朋友小東很貪吃，他在短時間內就吃了很多食物。我們津津有味地享受着食物。開心的時光很快就過去了，老師高聲地說：「我們是時候走了。」

最後，我們依依不捨地走了。今天，我感到很高興，因為我在美好康樂中心度過了美好的一天。

一件難忘的事

在一個風和日麗的早上，小明誠意邀我到他家一起玩，所以我就興高采烈地到他家了。

一踏進小明家，我就看到了小明家有了個新成員——一隻可愛小花貓，牠拿着彩球撥來滾去，還不停地搖動自己的尾巴，可愛極了！

接着，我就抱着牠和牠開開心心地玩了起來。一會兒，小明走進房間拿玩具出來一起玩。我跟小明的貓玩得正高興，我把牠放在高高的櫃子上，想看看牠可不可以跳下來。誰知牠竟掉了下來。

我嚇壞了，連忙幫牠檢查有沒有傷口，發現牠擦傷了小腿，櫃上的東西都掉下來了。這一聲巨響把在房間裏的小明叫了出來，他一看到受傷的貓就愣住了。小明的臉漲得通紅，他一定又生氣又難過，我以為他會大罵我一頓。但他卻心平氣和地對我說：「是不是你做的？」我承認了錯誤，他便原諒我了。

這件事深深地印在我的腦海裏，我明白了做錯了事就要承認錯誤，別人才會原諒你。

一件難忘的事

童年的趣事數不勝數，但最令我難忘的還是去年暑假第一次騎自行車的事。

暑假的一天上午，媽媽給我買了一輛嶄新的自行車，說要教我騎，我想：媽媽可以教我騎自行車！我興奮得一蹦三尺高。

不一會兒，我們就來到了家附近的公園，那兒有一條賽道，媽媽說：「騎自行車的時候要握緊車把，保持身體平衡，要全神貫注哦！」媽媽給我做了個示範，只見她熟練地跨上自行車，自由地繞着公園騎了一周。我心想：這也太簡單了！

我學着媽媽的樣子騎上單車……可令我萬萬沒想到的是，車輪沒轉幾圈，我就摔了一個大跟頭。「啊！我的屁股啊，痛死我了！」我痛苦地叫道。我有一點灰心了。可轉念一想，在這麼一點小困難面前就低頭，是我的風格嗎？我一隻手捂着疼痛的屁股，一隻手撐着地，慢慢地爬起來，重新跨上自行車，可沒騎一會兒又撞上圍欄上。我垂頭喪氣，無奈地說：「媽媽，我好笨啊！我不學了！」媽媽走過來，說：「不要心急，你一定能學會！」又經過了無數次摔到，我成功了！

經過這件事，我明白了了一個道理—只要不放棄，就會成功！

《高智能大野狼》

有一天，小紅帽病了。但是她還要去她奶奶家和奶奶一起做飯。

小紅帽一早就乘着公車到奶奶家，她一邊走一邊喊着奶奶、奶奶……聲音愈來愈大。但是開門的不是奶奶，而是一隻大野狼啊！最糟糕的是小紅帽病得眼花瞭亂，認辨能力很差，完全不知道。小紅帽問：「為甚麼您的耳朵這麼大？」「它生下來就這麼長。」大野狼清脆地回答。

「為甚麼你的眼睛這麼大？」

「它從來就沒有變小過。」大野狼回答。

「為甚麼你的嘴巴這麼大？」

「因為我是奶奶的保標——大野狼機械人。哈哈！」

小紅帽傻了一傻，再問：「你可不可以醫我的病嗎？」

大野狼說：「當然可以，請先睡在床上。」然後牠拿出一支「復活光線槍」，指一指小紅帽的額頭，小紅帽就睡了。

下午時，奶奶回到家。奶奶看見小紅帽睡了，就叫醒她，小紅帽覺得自己的病已經痊癒了，就開開心心和奶奶，還有新成員「高智能大野狼」一起做飯。

小紅帽有一個壞習慣，就是每天睡前都要吃三顆糖果。

一天晚上，她吃過糖果，奶奶就給小紅帽講睡前故事。那個故事叫《糖果世界》，但是小紅帽只聽了幾句便睡着。奶奶幫她蓋好被子就走了。

在夢裏，小紅帽看見成千上萬的糖果。她正想拿幾顆糖果來吃的時候，聽見遠處有聲音傳來。抬頭一望，竟然看見大野狼正在用魔法將糖果變到其他地方。小紅帽心想：這隻大野狼真自私，把所有糖果變成自己的。

小紅帽悄悄地跟着大野狼，發現一座用糖果建成的城堡，她非常驚訝。

一個獵人在城堡外面看守着。小紅帽靈機一動，想出了一個辦法，在城堡後方爬進去。

她好不容易爬進去。原來城堡中間有一枝大棒棒糖支撐着。小紅帽用力一拉，城堡裡的糖果全部掉了下來。

就在這個時刻，小紅帽驚醒了。原來已經是早上，她走到奶奶牀邊跟奶奶說：「我做了一個非常精彩的夢……」

小紅帽是一個十分懶惰的小女孩。整天只愛在家中玩電腦遊戲而不願去上學。更甚的是，她懶得不願洗澡，所以每天都穿着紅色有帽的衣裳。

因小紅帽的父母工作忙碌，所以平日會將小紅帽交由奶奶照顧。但貪玩的奶奶，整天只顧打麻將，不去料理家務，也不照顧小紅帽。幸好得到隔鄰心地善良的大野狼太太幫忙買菜、煮飯和做家務，他們的生活才不成問題。但小紅帽沒有人教導，又經常不上學，她覺得不能再這樣下去，便決定幫忙教好小紅帽。

這天，大野狼太太約好小紅帽，要帶小紅帽去上學。在家門前有一條大路，一條小路。小路較少人行走，很危險的。大野狼太太也來不及對小紅帽說要行大路較安全，而小紅帽已像箭一般飛快地跑去小路了。這時，突然聽見一聲「澎」的槍聲，然後又聽見小紅帽在大叫：「救命呀！」原來有獵人出現，正向小紅帽開槍。幸好，這時大野狼太太及時把獵人吃掉而救了小紅帽。

小紅帽立刻上前多謝大野狼太太：「真的感謝你救了我，我以後會做個乖孩子了。」

小紅帽在河裏大叫：「救命啊，救命啊！」當獵人聽見，立刻跳進河裏救小紅帽。原來獵人是個武功高強的絕世高手。小紅帽立刻拜獵人為師，最後，獵人答應教小紅帽武功。

改編童話小紅帽

小紅帽是一個十分頑皮的小女孩，常常喜歡作弄人，可是她從來沒被心地善良的大野狼責罵，反而被大野狼和疼愛她的奶奶教導，他們希望小紅帽做一個很乖巧的小女孩。

有一天，媽媽要參加百貨公司和朋友的宴會，於是認真而快速地跟小紅帽說：「小紅帽，今天媽媽參加百貨公司和朋友的宴會，你到奶奶家玩吧！」說完，媽媽便匆匆忙忙地離開家了。

小紅帽聽了，便興致勃勃地把一些用來捉弄人的道具放進竹籃子，然後懷着興奮的心情，沿著彎彎曲曲的小路朝奶奶家的方向出發。

到了奶奶家，她便拿出了一個加了辣的布丁給大野狼，一邊說：「大野狼，這個布丁給你吃吧！十分好吃的，甘甘甜甜的。」一邊想：「嘻嘻嘻嘻……牠吃了後，一定會噴火的！」大野狼接住了，說：「謝謝你，小紅帽！」然後放進口。一會兒後，大野狼喊：「啊！很辣啊！水啊！我需要喝水啊！」於是，小紅帽便給了一瓶透明的檸檬水大野狼喝，大野狼毫不猶豫地接了過去，然後大口大口地喝了起來。不一會兒，大野狼大叫：「哎呀！很酸啊！啊！」小紅帽看見了，便笑得滿地打滾。

突然，小紅帽大叫了起來：「呀啊啊啊！很痛啊！」誰來幫幫我！大野狼和奶奶便過來看看發生了什麼事。原來，有一個心腸壞、常常欺負小孩子的獵人從屋外射了一枚尖尖的釘子，擊中了小紅帽。大野狼和奶奶十分生氣和擔憂，於是，他們抓住了獵人不讓他走，大野狼還為小紅帽拔出釘子、擦洗傷口、貼上膠布、把小紅帽抬到床上休息。

小紅帽心想：「唉……多麼後悔啊！雖然我這樣捉弄大野狼，但我受傷後，牠還很樂意幫我，我這樣是不是太過份呢？我需要跟大野狼道歉！」

於是，小紅帽便一臉歉意地跟大野狼說：「大野狼，對不起！我再也不會捉弄你了。」大野狼微笑著說：「沒關係，沒關係，你一時貪玩，受傷了，下一次小心一點就可以了。」

從此以後，小紅帽下定決心，要做一個十分乖巧的小女孩，她和大野狼的關係越來越融洽了。

李昕樺 G4B (17)

《這就是我》

我是李昕樺，家裏的大姐姐，也是小學四年級的學生。我既有推理能力，又喜歡看書。

我有一張紅潤的鵝蛋臉。一雙炯炯有神的大眼睛在柳眉下閃爍着聰明伶俐的光彩。一張櫻桃小嘴在小小的鼻子下微微一笑，就會露出整齊的、像雪花般白的牙齒。我也挺特別的，一隻眼睛雙眼皮，一隻眼睛單眼皮。

我的推理能力挺好的。比如我朋友不見了他的筆那一件事。回想那一天，我朋友走進教室時顯得很慌張，嚷着說他不見了他哥哥的筆，還說哥哥回家時一定會罵他一大頓的。我問他他在哪裏弄不見，他回答：「嗯——好像是去隔壁班時不見了的。」我還問了他其它一連串問題，他都回答我了。我嘗試把案情組合起來，心想：如果是這樣的話很可能是回來的時候……我用「偵探」的口吻，胸有成竹地說：「不是在你口袋裏嗎？」結果真的在那兒。

我不但有推理能力，也熱愛看書。一天，爺爺帶着我去圖書館。我一口氣借了八本書，我本來想多借一點，但八本已經是最多了。回到家，我一直在看書，看得連覺也不想睡了。媽媽叫了我好幾次，我也不想睡，直到媽媽快發火了，我才慢慢地走回去睡，腦海裏還想着書裏的情節。

這就是我，希望你會想和我做朋友啊！

雷凱羚 G4B (20)

《這就是我》

我的名字叫雷凱羚，今年九歲。我是一個愛發小脾氣，但有同情心的人。

我有一張白淨的長臉，臉的中間鑲嵌着一雙炯炯有神的大眼睛，像有兩個黑寶石似的眼睛。一對彎彎的眉毛坐落在眼睛的上方，像正在休息，還有一個小巧的鼻子。一張小嘴巴，一笑起來，現出親切的笑容，也露出一排雪白，潔白，整齊的牙齒。

我很喜歡發脾氣。有一次，我在瀏覽網頁時，看見一個很漂亮的玩具，就叫媽媽買給我，但媽媽卻說：「家裏太多玩具了，買來沒有用，不可以！」我立刻「嘭」一聲關門。一出房間，甚麼人都不理會。

不過，我也是一個有同情心的人。星期一，小息的時候，我去了操場，之後看見有一個一年級的同學跌倒了，哭得滿面都是淚水，我走過去問她：「你有事嗎？可以告訴我嗎？」她說：「我……受傷了！」我安慰她：「不用哭，你慢慢冷靜，想一點開心的事情。」她冷靜下來，我扶她到醫療室，清理她的傷口。當我正要走的時候，她溫柔地說：「謝謝你！」

希望我的「脾氣病」會快點好起來，也希望可以幫助到更多有需要的人。所以說我是一個愛發脾氣，但有同情心的人。

我叫陳曦言，今年十歲，是一位小學生，又是一個關愛大使。我是誠實的人，可是有時膽小怕事。

我有一頭烏黑光亮的直髮，一對稀疏的柳葉眉下，嵌着一雙炯炯有神的小眼睛，下面是一張櫻桃小嘴。

我是一個非常誠實的小孩。記得有一次，在運動課時，我和我的好朋友映瞳在操場一起打籃球，可是這時，我看見一個一元硬幣在地上閃閃發光。我跟映瞳說：「我要！」但我心想：作為一個關愛大使，我不可以這樣，我要誠實一點！於是我就立即把這一元交給老師。老師稱讚我是個誠實的孩子。

有一天，在一個下雨的晚上，我和爸媽在吃晚飯。我跟爸爸聊天時，突然看到一隻蟑螂，我害怕極了！我立刻拿着我的飯跑到我的房間去。我大叫：「爸爸，快打死那隻蟑螂！」

我這個人有優點也有缺點，所以我要快快長大，學更多的道理。

這就是我——一個既充滿好奇心又富有幽默感的孩子。

我有一張圓圓的面龐，烏黑發亮的頭髮。一對彎彎的柳眉下，有一雙炯炯有神的大眼睛。我的身高不算太高，但我看起來很健康。

我既善良，又有愛心。有一次，我在小息的時候，和同學們一起在操場上跑步，小息差不多結束了，要上課的時候，忽然，「啪」一聲，有一個人不小心跌倒受傷了，我立刻扶他到醫療室。

又有一次，中秋節快到了，我和媽媽做了一些月餅送給老人中心的老公公和老婆婆吃。他們收到月餅後很開心，他們的笑容像陽光一樣燦爛。老人中心還送了我 and 媽媽一張感謝卡呢！

我想，我一定會盡力幫助更多人，為社會做出貢獻。

我有一頭烏黑光亮的短髮，兩彎尖尖的劍眉掛在黑漆漆的雙眸上，小小的鼻子上架着一副厚厚的眼鏡。

我是一個充滿好奇心的小孩。有一次，我和媽媽一起去科學館參觀。在電動器械區裏，我看到一樣有趣的機器。我嘗試連接電路，但一直都不成功。媽媽看我那麼好奇，就過來解釋給我聽。我一邊細心聽着，一邊組合電路。終於，機器亮了，還會動呢！

我不但充滿好奇心，還富有幽默感。有一天晚上，家裏出奇地寧靜，讓人覺得有點冷清。於是，我便提議來一個「智力問答比賽」。大家都認同。比賽開始了，我出了一道問題：「請你們用三個步驟將大象放進冰箱裏。」家人們撓撓頭，全都猜不出。最後，我說出了答案：「一、打開門。二、放大象進去。三、關門。」大家都大笑起來，頓時打破了家裏的沉默，全家人都過了一個充滿笑聲的晚上。

這就是我——一個既充滿好奇心又富有幽默感的四年級學生。相信大家會喜歡跟我做朋友的！

一位我尊敬的人

陳銳淇 (5C)

一位我尊敬的人

我最尊敬的人是外婆。她有一雙炯炯有神的眼睛，頭髮短短的。額頭上還有印證歲月的皺紋，看起來就像沙漠上的車痕。

外婆是一位樂於助人的人。有一次，我跟她在街上走，突然有一位先生的文件從袋子裏飛了出來。我看到有的路人在哈哈大笑，有的人理也不理他。外婆走過去幫忙撿起了文件，那位先生點點頭，笑了笑說：「謝謝您！謝謝您！」外婆面帶微笑地說：「不用客氣！」我心想：外婆真是一位樂於助人的人！

除此之外，外婆還是一位守信用的人。有一天，外婆感冒了。但是她跟我說：「我要出去了，因為我答應了朋友要幫她做一些事。」我扁了扁嘴，擔心地說：「那樣我跟着去吧！」在繁忙的街道上，太陽仍是不歇息地炙烤着大地，我們幾經辛苦，終於到達了她朋友住的地方。外婆完成事後，這才帶着滿意的笑容離開了，我心想：「外婆真是一位守信用的人啊！」

我尊敬我的外婆。

朱世成 (5A)

一位我尊敬的人

我最尊敬的人是我親愛的爸爸。我的爸爸臉型瘦削，炯炯有神的眼睛上架着一副充滿學問的眼鏡。

爸爸做事很勤奮，為了我們可以不惜付出一切努力。在一個漆黑的深夜裏，當我想上廁所的時候，突然聽到「噠噠噠」的打字聲，我喃喃自語：「這麼晚了，是誰在打字？」我探出頭來想看過究竟，竟然是爸爸！他在微弱的燈光下噠噠地打字，那雙疲累的雙眼卻從來沒有放棄的意思。剎那間，覺得自己是身在福中不知福啊！我能擁有如此優越的生活環境全靠爸爸的努力拼搏，此時的我不禁流下了眼淚。

爸爸不但勤奮，而且對我們的照顧更是無微不至。爸爸每天不管有多忙，都一定會抽空教我們做功課。每當我們三姐弟在功課上遇到難題時，都會找爸爸。「這裏應要這樣……還有……」每次爸爸都細心地解答，不管他多麼忙碌。我想：真不知道爸爸不在時，我的功課該怎麼辦！

這就是我尊敬的人，一位充滿愛，負責任的父親。

我最喜愛的一種蔬果

陳祉穎 G5B (2)

我最喜愛的一種蔬果

你知道我最喜愛的蔬果是甚麼嗎？雖然我喜歡很多種蔬果，但是我最，最喜歡的是水蜜桃。

水蜜桃的外表獨一無二。它長得像嬰兒白裏透紅的臉蛋兒。外形飽滿，外皮上披着一層白色的茸毛。

水蜜桃的味道鮮美多汁的。當你拿着水蜜桃的時候，會先感覺到毛茸茸的外皮，一咬下去或撕開薄薄的果皮後，嘴裏都是滿滿像蜂蜜一樣甜的果汁，鮮美多汁，讓人回味無窮。水蜜桃可以做雪糕、蛋糕、飲品等食品。

水蜜桃還有很多有益人體的營養，例如蛋白質、鐵、鈣……。每一百克桃子裏，有一百一十七點二至七點七千焦。其實，水蜜桃的脂肪也算少，只有零點一克。

水蜜桃是一種獨特的水果。它可愛的外表像一個倒掛的心形，有着令人難以忘懷的香甜和滿嘴留香的滋味，而且營養豐富，只要一想到它，就足以讓我垂涎三尺了。你說，我甚麼不愛它呢？

呂康渝 G5A (19)

我最喜愛的一種蔬果

我最喜愛的蔬果是甜甜的火龍果。雖然火龍果的外貌不討好，但卻是我的最愛的水果。

火龍果的外形是呈橢圓形，像一個威力強大的手榴彈。它的果皮是呈鮮豔奪目的紫紅色，並長有一片片青綠色的，向外翻的萼片。它的果肉可分成紅色、白色和黃色三種，果肉內含成千上萬的、黑漆漆的芝麻狀種子。火龍果的果肉潤澤多汁，吃起來清爽可口。它不但給人視覺上的美，還帶來味覺上的享受。

火龍果含豐富的營養，是一種養身的天然美食。火龍果含有豐富的營養，包括：維生素B1，B2和C、鉀、水溶性膳食纖維等等。根據研究顯示，每100克的白肉火龍果有2克的膳食纖維，相比紅肉火龍果所含的1.3克膳食纖維還要多。

火龍果的食用方法變化多端，既可和各式各樣的調味料、醬汁相配合，也可和不同的食物結緣。火龍果打成鮮果汁飲用，可做冰淇淋、果凍，果皮和果肉也可搭配海鮮和肉類清炒，令餸菜更清甜可口，增加食慾。

火龍果除了美味可口外，更是具有排毒美顏、健康有益的天然美食。火龍果確實是獨特的食品。

我很喜愛吃火龍果，因為果肉多汁柔軟，清甜爽口，而且，果皮容易剝下，不需要吐籽，非常方便進食，有誰不愛它呢？

廖鐵男 (5A)

一位我尊敬的人

我最尊敬的人是我的爸爸。他今年四十七歲，頭髮的長度比螞蟻的身長還短，大鼻子上架着一副眼鏡，看起來很有學問的樣子。

別看他的長相這麼兇惡，其實他也有耐心、認真地教導我的一面。有一次，當我在練小提琴時，爸爸嚴肅地批評我，說：「這裏拉得不好，再拉五次！」我心想：爸爸怎麼要求那麼嚴格呢？他真的很麻煩，又要再拉五次了。旁邊的媽媽只顧着看手機，根本不理睬我。我只好跟爸爸的指示去做。當我拉完時，才發現在爸爸的嚴格要求下，我確實比以前拉得好多了！

爸爸不但做事一絲不苟，而且會常常提醒和幫助別人改正錯處。有一次，我和爸爸在回家的途中，看見有人在單車徑上修理單車，我心想：他這樣做未免太危險了吧？而怕事的我卻不敢走上前告訴他們這問題。路人也同我一般，置之不理，只顧着匆匆忙忙地趕回家，但爸爸卻二話不說，走上前對那人嚴厲地說：「你這樣做太危險了，你還是到行人路上修理吧！」爸爸真是一個有勇氣指出別人的錯誤的人，值得我學習的好榜樣！

爸爸就是這樣一個做事認真和熱心幫助別人改正錯處的人，我要好好地向他學習。我愛我的爸爸，我尊敬我的爸爸。

記得兩年前的某一天下午，我跟媽媽一起下廚，準備一頓豐富的晚餐。當時的情景叫我十分難忘。

那天，我和媽媽在廚房為晚餐做準備。我首先把菜從冰箱中拿出來，今天的菜有：西蘭花、魚、雞……

然後，媽媽用心地教我如何切開食物，媽媽先用洋蔥做示範。我輕輕地拍拍媽媽的手說：「媽媽，剩下的我切吧！」媽媽迅速地回答：「好吧！加油！」我一開始切的時候不太習慣，切得非常慢。後來，我越切越快，但也沒有弄傷自己的手。啊！終於大功告成了！我把切好的菜交給媽媽，然後再把煮好的食物端出去。「唉喲！這次完蛋了！」我一不小心把菜都掉到地上去了，我的腳也被碟子的碎片割傷了！

我不知如何是好，立即大喊：「媽媽，我的腳趾被割傷了！」媽媽立即從廚房跑出來幫我處理傷口，然後笑了笑：「好了吧？」我回答媽媽：「好多了！」

我看着媽媽心疼的樣子，我立定決心以後會為媽媽做更多好吃的食物，令她可以吃得津津有味，還有我以後做事不會再笨手笨腳了！

傷口經過媽媽用心地處理後，我的腳趾已經好多了！我對她說：「媽媽，我愛你，我會好好地孝順妳的！」

這時，爸爸飛快地游過來救我，一手抱起我上岸。然後，他不斷地安慰我：「兒子，你沒事吧？你沒事吧？」我回應他：「爸爸，我沒事了！」

週記

何皓晴 G5D (11)

六月一日至六月七日

這個星期發生了不少逗笑的事情，因為我的姑丈姑母到外地公幹，所以我「人見人愛」的表弟要來我家暫住。

星期一和星期二，表弟看了一會兒書便睡了，我半夜起床的時候，發現表弟在夢遊，他一直跳舞，我嘗試把他抱回床上，可是他跳來跳去，根本不能抱他，於是我便由他自己跳舞。過了一會兒，表弟在唱歌，把我弄到哈哈大笑。

星期三，我跟表弟玩耍，我不小心摔倒，表弟不停地取笑我，星期四，我哥哥來我家吃飯，他不小心把飯倒了在地上，喜歡笑人的表弟又取笑他，星期五，表弟把所有的玩具倒了在地上，我便取笑他說：「哈哈！哈哈！今天你不能取笑別人啦！」表弟不好意思地說：「哼！我知道了！」

周末，我的媽媽來了我家做美味的餃子，其中一隻餃子是分外好吃，媽媽在星期六的時候已經把餃子做好了，表弟偷偷地把一隻餃子吃了。誰知，星期日的餃子沒有一隻是分外好吃，原來表弟偷吃的就是最好吃的餃子，大家都笑他是一位「貪吃鬼」，表弟面紅耳赤地說：「對不起了！」

我的表弟既可愛又逗笑，我非常期待表弟再來我家玩，我愛我的表弟！

七月一日至七月七日

當我回看和表弟一起嘻嘻哈哈的照片，就回想起那星期所發生的事。

星期一和二，我想因為表弟不太習慣我們家，所以在第一晚，表弟在夢遊，我去洗手間時就在夢遊，他在說很多我不明的東西，我「哈哈」地大笑起來，就把表弟笑醒了。最後，我就陪伴表弟回房子睡覺了。

星期三和四，我要寫作文的功課，我就順道考考表弟寫「朋友」。誰知，他說：「你不會嗎？表姐，就是『友朋』呀！」我只能「吱吱喳喳」地笑他，和教他寫回正確的寫法。

星期六，我們做完功課，天氣也很熱，我們就去了游泳池游泳，我們做完熱身後，就迫不及待跳下去游泳。表弟又叫又跳地和我說：「表姐，表姐你看！這是我發明『狗仔式』，你看！像不像一隻狗仔？」我看到後，忍不住大笑起來。

這個星期在我們家發生了很多難忘的事，希望表弟可以再來多一次呢！

八月一日至八月七日

這星期，表弟要暫住在我家，我十分興奮！發生了很多逗笑的事！

星期一和星期二，表弟不熟悉環境，經常分不清洗手間和房間。晚上的時候，便走進房間刷牙，走進洗手間睡覺，我笑了很久，晚上睡不着。我便聽到表弟在說：「不要走！不要走！」但是他還在睡覺。

星期三到星期六，我們一起玩電腦遊戲機，混淆了彼此的位置，我忍不住笑了出來。他打輸了遊戲。我捧腹大笑，他問我：「你笑甚麼？」我回答說：「哈哈，你混淆了彼此位置，所以輸了。」他自己也大笑起來。

星期天，今天是最後一天表弟在我家，所以我們去了海洋公園，玩了很多遊戲。

晚上，姑母便來接他，他依依不捨地哭了起來，我笑他是小寶寶。

到長洲一遊

每當我看見那個藍色貝殼，就會想起我和家人那次去長洲遊玩的情景……

我們坐船去長洲。到了長洲我們先去騎單車，因為路程很長，所以我們慢慢地騎。騎了一會兒，我看見媽媽很疲累，所以我說：「我們騎了很久，不如我們去買些東西吧！」我覺得騎單車非常刺激，因為路中有一些小山坡，衝下去會有點快。

之後，我們去大街買東西。走進街裏，我看見數不清的商店。有些賣小食，有些賣衣服，真是人山人海啊！我和媽媽去買長洲大魚蛋，但弟弟和爸爸卻去買玩具。我和媽媽走進了小店後，嗅到一陣陣魚蛋的香味。我買了一個魚蛋，它像我的手一樣大呢！金黃色的魚蛋軟軟的，非常美味！我吃到傳說中的長洲大魚蛋，非常興奮啊！

我們最後到海灘看日落。日落的顏色充滿感染力。金黃色的太陽，紅通通的天空，是世上最美麗的日落啊！離開沙灘前，我在沙裏撿起了一個精緻的藍色貝殼作為紀念品，心想：這裏真平靜，我希望世界都和平。

看完日落後，媽媽、爸爸都非常疲累，但我卻覺得十分值得，因為我們欣賞到世上最美麗的日落啊！

到九龍公園一遊

每當我去尖沙咀跳芭蕾舞，我就會想起上一次逛九龍公園的那一天。

出門前，我興奮極了！一進大門就會聽到小朋友們跑去。想到這，我就迫不及待地跑上前面的麥當勞。

吃完後，我爸爸想去洗手間但跑進了女洗手間。我看見他後說：「你在這幹甚麼？」

出了洗手間，往前走一點是可以看其他人游泳，右面就是遊樂場，再前一點就是最後的地點—觀鳥。

我認為這個地方是我最喜歡的地方。

到大棠一遊

每當我看見牆上的紅葉，我就會想起元旦時和家人一起到大棠愉快的一遊。

一月一日大清晨，我和爸爸媽媽一起乘搭的士到元朗的大欖郊野公園。到達後，我們穿過一個花園，萬紫千紅的花簇包圍着我們。其他遊人便在美不勝收的風景下拍攝美景。

經過花園後，我們沿着彎彎曲曲的山徑一直走。走了四十五分鐘。中途，我們在燒烤場裏野餐，我看見外傭在談天，自拍和唱歌。燒烤場裏人山人海，他們在吃午餐。當我打開我的食物盒，便大叫起來：「呀！是我最喜愛的食物啊！太好了！」我感到很滿足。

順着山徑一直走，我們終於走到了山頂，看見一片如紅海一樣紅的楓香林。我跟媽媽說：「哇！這些楓香樹比我想像中多！」「是啊！十分美麗！」媽媽說。我看見很多人都在拍照留念，漂亮得讓人流連忘返。

欣賞完大欖郊野公園的美景，我們便懷着依依不捨的心情回家。心想：我走了這麼多，即使我的身體發出強烈的投訴，但我的內心仍然覺得十分值得！

遊香港迪士尼公園

回想起上星期天，那大叫和歡呼的聲音，真是特別興奮，令我歷歷在目。

那天早晨，我們九點左右就來到了迪士尼公園。我立刻用眼睛掃描一下地圖，就發現有我最喜歡的過山車主題——星戰極速穿梭。進入入口時燈色非常暗，像進入了宇宙世界一樣，非常科幻，令我聯想起進入太空館的感覺。一開始過山車向上慢駛，忽然過山車往下衝，然後不斷地急轉彎，真是非常刺激。

離開「宇宙」後，我們就走到另外一個主題樂園——反斗奇兵。看見一個巨型的U字形物體，我就立刻向那裏跑，心想：原來又是個過山車……可是聽見玩家的大叫聲，我就毫不猶疑的進入入口了。過山車的模型是個玩具車，坐了上去後一會兒向上，一會兒向下，一會兒停頓下來，可以完全體驗到驚險刺激的喜悅呢！

接着，就來到了最後一個過山車——灰熊山谷。入口充滿形形色色的裝飾，佈置得非常漂亮。坐上過山車後，速度極快，又高又低，又快又慢，又前又後，實在是驚險萬分！

我就這樣愉快地踏上歸途。在離開時，我跟爸媽說：「真是太高興了！下一次再來玩其他遊戲吧！」

香港的自然瑰寶——濕地公園

回想上星期天的濕地公園之旅，一幕幕鳥語花香的情景仍然讓我念念不忘。

當天早上，我們到達了香港的自然瑰寶——濕地公園。微微的春風撫摸着，帶我去探望一隻可愛的鱷魚——貝貝。「她在二零零六年時被漁農處的補鱷魚器捉到，才搬家到濕地公園住。很多補鱷專家都敗在她的手下呢！」媽媽興奮地解釋道。

離開貝貝之家，我們順着小徑走，不久便來到了紅樹林浮橋。我在泥土上看到彈塗魚和招潮蟹，彈塗魚體形幼長，身上有銀色的小斑點，雙眼如彈珠般突出，牠向着我活蹦亂跳，彷彿向我表演「彈塗魚之舞」。

欣賞過紅樹林的美景，我們返回小徑，經過蝴蝶園和小橋，到達了濕地挑戰展覽廊。那裏展示了許多工業發展對世界帶來影響的照片。

走出大門，不經意間，觸動了我的心。這是一種感動，在高樓林立的都市裡，竟然還有一方自然的淨土，那兒有大量的水鳥棲息，有寧靜的蓮花池，有傳來清香氣味的紅樹林，也有我久久尋覓不到的詩情。一個陌生的地方，幾個小時的停留，有時便能成為一輩子的回憶。我想，這裡是香港的天堂！

一次犯錯的經歷

當我看見婆婆生日的照片，我便會想起上個月所犯下的大錯。那件事讓我後悔不已。

當天，媽媽到了珠寶店，打算買一個水晶球給婆婆做生日禮物。回家後，媽媽說：「請你不要弄那個水晶球，因為那個水晶球十分昂貴的。」說完後，她便外出了。

於是，我心想：「那個水晶球一定十分精美了，看一看又怎樣？」我就興奮地用手從盒拿出來看。「啊！色彩繽紛的彩虹十分漂亮啊！」我大聲地說。但我一不小心，把水晶球打碎了！心裏膽怯地想：「怎麼辦？應該怎麼做呢？媽媽會不會罵我？說是弟弟打碎的？還是說是自己打碎的呢？」在這個時候，媽媽忽然回家了，看見打碎的水晶球，勃然大怒地喝道：「為甚麼水晶球打碎了？你為甚麼打開盒子？你說吧！」我含着眼淚，小聲地說：「對……不起，我……我……」

一次在海洋公園遊玩

每當我看見書桌上的海洋公園入場券時，我就想起上次到海洋公園度過了很難忘的一天。

那天，當我們到達海洋公園時，已是人山人海。我們決定先去參觀海洋生物館。海洋生物館裏有各式各樣的海洋生物，我看到了魔鬼魚、珊瑚、小丑魚、雞泡魚等等。那裏的大魚缸充滿了五顏六色的海洋生物，而且站在大魚缸旁也令我覺得自己仿佛置身在海底裏，看着美麗的海世界。

接着，我們經過一些小賣部，就到了海豚表演場。我們進去看海豚表演。表演十分精彩刺激。當海豚最後要穿過三個圈子時，大家都興奮地叫着，為海豚鼓掌。那隻海豚易如反掌地穿過了，令大家感到十分驚訝。我感到十分幸福，我年紀這麼小就能到海洋公園遊玩，看到那麼精彩的海豚表演。

最後，我們走到新推出的虛擬現實過山車。我看到了等候玩的人非常多，心想這個過山車一定很好玩。經過長時間的等候，我們終於上車了。坐在車上，當我衝進海底時，我感到十分涼爽和十分刺激。在途中，我也看見不同的生物，而虛擬現實的影像也令我看到海底原來是十分美麗的。

那天，我度過了十分愉快的一天，感到十分滿足，因為去海洋公園遊玩是一件很難得的事，我應該珍惜今天難忘的點點滴滴。

一次捐贈食物的經歷

在一個風和日麗的早晨，我上學心情很愉快，不會像下雨天一樣，讓心情變得鬱悶。準備進校時，我抬頭仰望着太陽，它像一個溫和的老公公在向我打招呼，令我覺得今天將會很美好、很幸運。

可是，在早會的時候，老師說要我們用自己的零花錢買食物捐給獨居老人。聽老師說這一番話後，我內心開始掙扎了：最近新出的遊戲機，我的零花錢剛好可以買一部呢！如果我捐給他們，我就買不了新款遊戲機了，而且我捐了錢對我了沒什麼好處啊！

過了一會兒，老師播放影片給我們看：那些白髮蒼蒼的老人們在乾巴巴地吃饅頭，看着就令人心酸。我想：如果我捐食物給那老人們，他們就可以吃飽了，也會有更多的人關注他們。

最後我受不了良心的責備，決定要買食物。第二天，我就用了所有的零花錢買了很多食物，捐了給那些獨居老人們。捐完後我感覺自己做了件很偉大的事，也受到老師的讚揚。

心裏的煩惱解開了，我整個人感覺也不同，變得很輕鬆。

推動校園環保

林見晴 6E (11)

如何在校園推動環保

現在有很多學生都沒有環保意識，令學校浪費很多資源。你們有沒有想過，我們可以如何在校園推動環保呢？

首先，我們不應該浪費食物。根據調查，香港人每天棄置逾三千六百噸廚餘，當中由學校生產的佔一百噸。我們每天棄置這麼多的食物，有些人還沒有食物吃呢！所以，我們應該吃完預計能吃的份量，不製造廚餘。

此外，我們也應該循環再用，減少學校垃圾的數量。其實，循環再用有很多方法，例如：把用過的水澆花、把用過的膠瓶製作手工，用單面紙的背面寫字等。所以，我們在學校中都可以做到「環保」。

其次，我們也應該回收廢物。試想想：如果我們不斷地浪費，卻不回收廢物，香港的堆填區就會飽和。在學校中，我們可以使用回收箱回收紙張、膠瓶、廚餘……我們也要盡量使用一些可以回收的物品，所以，我們應該盡力回收廢物。

總的來說，我們的綠色校園需要每個同學共同維護。如果我們做到以上的幾點，同學們的環保意識就會提升，就可以令我們的校園更環保。

周佳彤 6B (30)

推動校園環保

近年來，很多學校實施了環保措施，究竟環保對我們來說有多重要呢？又會帶來甚麼好處呢？

首先，節約用水非常重要。如果每個同學都能珍惜用水並在洗手後關水，就可以節約很多水。現在有兩成的同學是會忘記關水的，把這些水存起來，有不少用處呢！我們可以設計海報，向同學們宣傳水的重要性。保護校園環境從節約用水開始。

其次，我們離開課室前應該順手關上所有電源。如果我們忘記關電燈，電燈半個小時可以耗電幾百瓦，不僅浪費電還浪費錢，學校支出的電費有三成是我們忘記關電源導致的。我們離開課室前一定要記得關上所有電源，節省能源，從我做起。

另外，回收廢物並循環使用也很重要的。我們可以用一些鐵罐來做花盆，用洗過手的水來澆花。我們不要在校園內邊走路邊吃零食，不要亂扔垃圾，如果看到垃圾可以幫忙拿起並扔進垃圾桶。我們可以做宣傳片來促進大家廢物利用，這些廢物被我們再次使用了，就會再次發揮它們的作用，如果沒有被再次使用就是一無所用的垃圾，所以我們要廢物利用，減少垃圾。

總括而言，環保真的很重要，作為學校的一份子，為甚麼我們想到了這麼好的方法，卻不去做呢？

推動校園環保——《綠色校園》

甚麼是「綠色校園」？它就是在校內推行環保。每個學生除了肩負做功課、守行為等的基本責任，還要履行各種推動環保的職責。

為甚麼我們要實行這計劃？因為全球正在陷入暖化的危機，所以如果我們從日常生活做起就是指在學校推行環保的情況必然會有進步。

首先，我們可以由回收廚餘做起。每天午膳後，清潔阿姨會把廚餘倒進廚餘機，然後這些廚餘就會變成肥料，幫學校種植植物。根據香港大學的研究指出，全港的學校平均每天可以回收七百公斤廚餘。而且沒有或減少廚餘，更可以減輕堆填區的負擔。綠化校園可以減少廚餘，不是一舉兩得嗎？

其次，我們可以實行學校不提供某些物資，避免同學濫用及浪費，又鼓勵同學們自己帶備物資。例如，不提供紙巾，買燒賣魚蛋等熟食就自備食物盒。據我觀察，我們班一天就用光了三包紙巾！學生們就像「紙巾減者」一樣，沒多久就把紙巾全浪費掉。而且小賣部的紙杯帶有膠質，難以被分解，更只會用一次，實在太不環保，所以我建議同學和老師們如果要買熟食，應該要自備環保盒。

最後，同學們也可以互相交換或捐贈不用的物件，又可以把不用的課本留給下一屆的學生，如果他們不見了或忘記帶課本，便可以拿一本借用。其實，我也會把我的校服、外套或鞋子保存好，留給弟弟。那就不用丟衣服，也不用買新衣給兩個人。自從我們家實行了這計劃，就每年節省愈千元了。

總而言之，請救救我們的地球吧！近年來的溫度差異大，氣候很奇怪，美國在冬天時最低溫度低至負六十九度，而澳洲最高卻有四十九度。如果我們不想再讓這些天氣蔓延到全世界，就請你們一起從學校，從自己做起。讓我們齊心合力，一起改變這世界吧！

推動校園環保

推動校園環保

近年來政府都支持學生積極建立「綠色校園」。我們學生可以怎樣在校園裏推動環保呢？

首先，推動環保的方法不一定死氣沉沉，只要動動腦也可以很有創意。廢物再利用，善用廢物是其中一個推動環保的方法。學生可以自己帶「工具」回校，然後創造自己獨一無二的玩具。既環保又有樂趣，真是一舉兩得！

另外，作為高年級生，我們應該做個好榜樣。對於一至三年級，他們可能對環保知識一知半解。相反，如果我們高年級教授他們，可能效果會更好。

除此之外，近年科技一日千里，可以利用科技作為傳授環保知識的好幫手。最近模擬影像受大眾歡迎。這科技男女老少都適宜，很多人都一試難忘。「打鐵要趁熱」我們可以利用它來做一些關於環保的益智遊戲和片段，讓他們知道環保的重要性。

總括而言，在校園裏推動環保有很多方法，既有樂趣，又可以加深我們對環保的了解。既然推動環保有那麼多方法，我們就坐言起行，為我們的「母親」地球出一分力吧！

如何在校園裏推動環保(第二稿)

近年來，社會各界都說要在校園裏推動環保，究竟我們可以怎樣實行這個說法呢？

首先，我們可以在校園裏進行推廣和宣傳。例如，我們可以在一些廢紙的背面設計宣傳海報，貼在不同年級的走廊上，呼籲各位同學要環保，我們還可以舉行一些小型的比賽，用一些不太舊但仍可使用的文具作為獎品，令低年級的小學生們在遊戲中領悟到環保的重要性。

其次，我們身為學姐應該以身作則，向學弟學妹親身示範如何在校園裏實行環保。例如：我們可以把喝完的膠瓶清洗乾淨；我們還可以循環再用紙張，把只用了一邊的白紙，用作廢紙，這樣我們便不用浪費紙張了。有一份研究指出這樣做能節省大約百分之六十的紙張。

另外，我們可以邀請一些專家和環保組織來學校教導我們，例如：立法會議員姚松炎、綠色力量、綠色香港等。我相信專家給我們的專業知識能讓我受益匪淺。

總括而言，在校園裏推動環保的好處真是多不勝數，既可以建立良好的綠色校園形象，還可以為保護地球出一分力。如果每間學校都在校園推動環保，相信地球一定會變得更好！
