

PASSION
2021 - 2022

PREAMBLE

The ordinary dictionary meaning of “Passion” refers to a strong feeling of enthusiasm or excitement for something or about doing something. In A-School, students are taught to develop a great passion for learning through various modes to foster their creativity, logical thinking, communication skills, aesthetic sensitivity and cultural awareness.

The capacity and ability of learning of students can never be underestimated. With appropriate pedagogies and guidance, their potentials can be unleashed and brought to the full that beyond our imagination. Consisting of essays, poems, sculptures, collages, drawings, etc, Passion is a recollection of the learning outcomes of our lovely primary students in this school year.

A big thank-you to our dedicated teachers for making the masterpieces of the young passionate learners into an attractive designed Passion. Hope our little writers, poets and artists could bring you cool, fascinating and refreshing moments in the hot and humid summer!

Dr. Benjamin Chan
Chief Principal

Creativity is a powerful strength and students are strongly encouraged to grasp every opportunity to develop their creative capacity, from art making and writing that transforms thoughts through language to different artistic forms. In this anthology, I am immensely proud that through the splendid efforts of teachers and students, our students have created incredibly outstanding writing and art pieces that reflect their unique ideas, experiences, moods and individual talent. May all students continue to develop their writing skills and creativity through their learning and life journey.

Jackie Chong
Senior Vice Principal (Head of Primary Division)

今年的莘莘學子努力筆耕，把在課堂所習得，透過細膩的筆尖展現其創見，集結成書，喜見同學的作品情懷、文筆兼重。文集作品題材廣泛，體裁多樣。有寫景，情景兼融；有抒情，直抒胸臆；有記人，觀察入微。「Passion」不但收錄多元化的作品，更是記錄了同學們對寫作的熱忱。讓我們閱讀文集的一字一句，一同感受同學們那觸動人心的「熱情」吧！

The secret ingredient for any good writing is to write with your mind and heart. This year's anthology, *Passion*, shows that our young writers have done just that. They have used their minds to showcase facts and research through non-fiction writing, and they have used their hearts to dive deep into the emotional depths of narrative writing and poetry. From creating worlds that don't exist in their fantasy writing to rib-tickling poetry in the style of Shel Silverstein, they have achieved such magic with their writing. Congratulations and Good Luck. To quote the words of our favourite wizard from the Harry Potter series, Professor Dumbledore, 'Words are, in my not-so-humble opinion, our most inexhaustible source of magic.' Keep writing!

Winnie Pradhan
Assistant Principal (Curriculum & QA, Primary Division)

A-School devotes to nurture students' 21st-century skills and developing students' creativity through our Visual Arts curriculum. Our students, starting from a very young age, are immersed in a learning environment that promotes observation, exploration, appreciation, imagination, sense of aesthetics and creation. An important element of our curriculum lies in the ability to appreciate and critique art pieces. We are proud to showcase students' wonderful and creative artworks here. By appreciating student's Visual Arts learning outcomes, you can experience and feel how passionate they create art pieces, as well as how they express their personal feelings and ideas during lessons throughout the whole year.

Visual Arts Panel Head

MY SUMMER HOLIDAY

I love this summer holiday. First, I would like to thank my teachers because they arranged a lot of activities for us during the holiday. I loved joining the OLE lessons, such as “Funny Doodling”, “Fun with STEAM”, “Sing Along”, “Kahoot Game” etc. I could learn different things in the lessons and had so much fun.

Then, I want to thank my parents because they accompanied me most of the time. My mom watched the Doraemon’s movie with me, and she taught me how to make a dog with shadow. My daddy rode bicycle and roller-skated with me. Sometimes we played ball together. On the weekend, we went to the beach. It was cool.

Lastly, I had an unforgettable birthday party. This year I could only celebrate with my parents. They prepared a yummy birthday cake for me. I received a “Super Mario Lego” as my birthday present. It was a big surprise!

MY SUMMER HOLIDAY

In my summer holiday, I tried to study, exercise and play with my mom and sister every day.

I studied for two hours. I did my Chinese, Math and English homework. I also did reading, OLE, and online exercise. I think the Planetii is the most fun. I exercised every day. Sometimes we played badminton, table tennis, yoga, stretching and rope skipping. I like table tennis the most. We used our dining table to be the table tennis table. We used some packet drinks as the net, so we could play happily at home.

My family and I played games too. The games we played were Sleeping Queen, Ticket to Ride Europe, Sushi Go Party, Saboteur, and Brain Box. One of my favourite is Brain Box. I like it because Brain Box helps us remember things from the card.

I had a really fun summer holiday.

MY KINDERGARTEN

I went to a kindergarten in Ma On Shan. My school is big, clean and beautiful. There is a music room, a playroom, an art room and a sky garden. There is a little school hall where I performed for my graduation ceremony. It is a sweet memory.

My class teachers were Ms. Tsang and Mr. Ho. They are helpful and kind. I enjoyed the art lessons with Ms. Lam because we drew funny pictures together.

Charlotte was my good friend in school. She is very nice and friendly.

My kindergarten is wonderful!

MY SPECIAL SUMMER HOLIDAY

I made perfect use of my time during my summer holiday. I spent some quality time with my family, stayed active physically, and went to a barber shop to have a haircut.

On a Sunday, I spent some quality time with my family. I received a special marble run toy that I really wanted to play with at my classmate's, Jacob's birthday party last December. Papa and I read the instruction manual and built the marble run toy together. It was remarkable!

For a few days a week, I stayed active physically by joining the online Latin dance classes. First, I had to put on a pair of black pants, a pink tutu dress, and Latin dance shoes. Then, I watched my teacher's demonstration attentively and followed his instruction accordingly. The steps were manageable for me. After practicing with the whole class, my teacher would choose six to nine children to be the "little teacher" to perform in front of the class. If I wanted to be picked, I had to raise my hand and wait quietly. I was picked for about six times, and I really enjoyed being the "little teacher".

On a Tuesday, I had a great time going out with Mum and my little sister, Alicia. We had lunch at Outback Steakhouse. We ordered pork ribs with French fries, spaghetti in tomato sauce, and some grape juice. It was scrumptious!

After that, Mum wanted me to have a haircut because my hair was very long like Rapunzel's. However, the first barber shop we visited was closed. So, we had to go to another barber shop. Upon arrival, we had to buy a ticket showing that we had already paid for my haircut. I sat down patiently while waiting for my turn. Soon, a strong man approached me with a smile. He announced, "It's your turn now." I climbed up on a high chair like hiking up to the peak of a mountain. Quick as a flash, he finished the haircut! After the haircut, we bought a banana egg puff for me and my little sister to share, and a chocolate egg waffle for Mum. I felt thankful.

Although this summer holiday took place earlier than usual, I enjoyed it very much! I was as happy as a clam as I had time to do some of my favourite things.

POON Hoi Yan (1B)

MY HOLIDAY

I had a lot of fun this holiday. I went to a farm in Tai Po with my mom and dad. I saw a peahen raising its beautiful tail. It was really great! Next, I saw six alpacas. They had soft, thick white fur and a long neck. They were chasing me for food. They were so adorable! Then, I played on a bouncy castle, swing, and trampoline. It was extremely fun! After that, I played on the claw machine. I won the Alpaca doll even though it was the first time I played with it. At the end of the day, I was tired but happy. I want to visit the farm again with my friends.

AVOCADO EGG SALAD SANDWICHES RECIPE

Ingredients

1
avocado

2
tablespoons of
plain yogurt

2
eggs

4
slices of bread

First, boil 2 eggs for 10 minutes. Make sure you do not overcook your hard boiled eggs.

Next, peel the eggshells and chop the eggs into a bowl. You can rinse hard boiled eggs under cold water, so you can easily peel the eggshells.

Then, cut and scoop an avocado into a medium bowl and mash it with a fork. You should choose a ripe avocado for better texture.

After that, add the plain yogurt and chopped eggs into the medium bowl, and stir them until they are creamy. It is always healthy to have yogurt instead of using mayonnaise.

Afterwards, spread the avocado eggs salad over a slice of bread. You need to spread them to the edges.

Finally, put the other slice of bread on top of the avocado egg salad bread. Repeat the last two steps to make one more sandwich for your mummy.

You can now enjoy your healthy and delicious avocado egg salad sandwiches. Make sure you don't drop any avocado egg salad on the floor.

CHEESE BOILED EGG SANDWICHES

Ingredients

2

slices of bread

an egg

a piece of
cheese

sweetened
condensed
milk

In the beginning, boil an egg in cold water for 10 minutes. Be careful not to break the egg, and you need to wash your hands before preparation.

Afterwards, peel of the eggshell. Remember to cool down the egg before that. Then, chop the egg into small pieces with a knife. Be careful not to hurt your fingers. After that, squeeze the sweetened condensed milk into the chopped egg and mix them altogether. We mix them altogether because we need to spread the mixture onto a slice of bread.

Next, place a slice of cheese on a slice of bread. Open a packet of cheese before that. And then, spread the mixture onto the cheese. Don't forget to spread to the edges too. Now, place a slice of bread on top.

Finally, cut the sandwiches into half like 2 triangles. It is time to enjoy the cheese boiled egg sandwiches.

For everyone who is not on the bad behaviour list, there will be a Christmas present.

A lot of crunchy ice and slushy snow for swift ice-skating and speedy skiing. After that, I will warm myself near the blazing fireplace.

Be a decent child to get sparkling Christmas presents from the benevolent Santa, then the respectful kids will be overjoyed to have stunning presents!

Ultra-excitement playing combative snowball fight with all my kindergarten friends because it will be pleasurable for everyone.

Large spectacular Christmas party for all obedient kids, and all participants will cheer for this meaningful festival with scrumptious cuisine like stuffed turkey.

Optimistic white Christmas with almighty Jesus and omnipotent God, therefore hopeful people will sing Ode to Joy to celebrate this significant coming of the saviour.

Using multiple snowballs to make a gigantic snowman like Jack Frost, hoping he will protect us children just like a heroic guardian against the chilly weather.

Snowing all around from the massive sparkling sky, so I can taste the mushy snow by raising my head, wondering if it tastes delicious.

CHILLY WINTER

Chilly winter occurs in the most bustling month of the year which is December.

Here and there, you see people wearing warm and cozy jackets because of the numbing weather.

In the world, that's the last season every year.

Leaves are nowhere to be found and trees are bare; all are covered in picturesque snow.

Little hedgehogs hibernate until it's spring but people do otherwise.

You should not touch anything that's freezing or else you'll get frost bitten.

We do lots of winter activities such as skiing, building a snowman, skating and making a snow angel.

It's the most bone-chilling time of the year.

No wonder, kids are always looking forward to it because it's school break.

Tea and hot chocolate, both are the best drinks in winter.

Everyone must wear fluffy clothes and mittens, and stay by the fire to feel cozy.

Ready for winter? Yes, I am!

LAM Chun Wai Milton (2D)

SHIVERING WINTER

Sitting in front of the wood-burning fireplace, or laying on a fluffy cozy couch.

Hedgehogs are hibernating in the nest, but bats are dormant in the hollow cave.

Incredible glacier is misty and blustery, but pure and spectacular.

Vivid poinsettias are swaying in the park, and melodic Christmas songs are popping up all around town.

Elites are skiing on the powdery run, while toddlers are sledding on the slippery hill.

Reindeer, are you delivering fantastic gifts with Santa Claus?

Instant hot chocolate gives you warmth, and marshmallows bring you happiness.

National Park is full of sparkly Christmas lights, and streets are decorated with shiny ornaments.

Gathering with friends for the scrumptious cheese fondue, so we can set our new year's resolutions together!

Wearing a woolen jacket and mittens like an Eskimo.

Inhale! Frozen air makes our nose and mouth numb.

Night parade is fascinating, and fireworks are gorgeous.

Treasure every minute, every second, every moment!

Exhale! Breath is white as snow.

Roasted turkey, baked gingerbread man, and sweet chocolate yule log are filling up the table because it's time for the Christmas feast!

BURNING SUMMER

Building an enormous sandcastle and surfing at the glistening beach in burning summer.

Under the bottomless sea, we can find sparkling seashells and colourful fish, so we can collect them and bring them back home.

Running at a high speed in Kowloon Park makes us sweat a lot, so we must drink icy water.

Never wander the vast Pacific Ocean without a brave adult to help you swim and dive because you will get lost.

Ice lollies are very syrupy but will melt rapidly because of the boiling sun.

New comfortable swimsuits and pants to wear during exciting swimming lessons because last year's swimsuits do not fit.

Going to magnificent Disneyland Hotel for vacation; go to the park to ride colourful scooters or swim in the gigantic pool.

Sandy beaches are fun and brilliant, but can also be dangerous because of powerful waves.

Ultraviolet light can burn your delicate skin, so remember to put a lot of sunscreen.

Mega waterslide for kids to play and sandcastle competitions.

Many people have been collecting plastic bags in the ocean for a few decades because it will cause global warming.

Enormous ships can pour filthy oil into seas; they could affect sharks and dolphins.

Rats come out on summer evening while you are sleeping peacefully; they might hide under your bed.

EVIL COVID-19

Everybody keeps suffering from the COVID-19 because it keeps making people sick.

Viruses have lots of types; COVID-19 is one of them.

I think the people that are infected with the COVID-19 are feeling sad.

Let's get healthy and get rid of the COVID-19 by wearing a mask.

Children can also receive the COVID-19 vaccine to protect us against the virus.

Oh, the COVID-19 is so annoying that stops us from meeting our friends.

Vacationing in the Philippines is my dream after the COVID-19 pandemic is well controlled.

I'd really like the COVID-19 to go because it makes us stay at home and can't go to school.

Don't go outside unless very urgent because the COVID-19 is highly infectious.

MOK Hing Yu (2D)

SERENE WINTER

Sparkling snowflakes are falling, and it's a glacial, fluffy world, like Häagen-Dazs vanilla ice-cream, waiting to be dived into.

Even though it's freezing, I feel peaceful and pleasant because I am bundled up in my blanket.

Radiant icicles tinkle across the rooftops, but when they play their tune, Ms. Peters warns us not to touch them.

Evening comes, and the moon shines brightly, so it's time for a nice mug of delicious, sweet hot cocoa.

Numb are my tiny, chubby fingers, but I still make the most massive snow angels.

Even better, the nights are longer, so I can sleep under the shimmering stars longer too!

Wondrous Northern Lights, flood the frosty white street, and the Nutcracker is about to put on an elegant performance.

Icy crunches are heard under my UGG boots which keep my feet toasty, and that just feels so satisfying.

Nobody should hate this wonderful season, including exhausted Santa Claus because there's so much to do, so much to see, and so much to feel!

Terrific for playing in, so join in and ski down the gorgeous Mount Everest! Emma is waiting for you.

Even though it's shivering cold, we can dig out woolen sweaters, or we can wear our squishy down jacket!

Run along and come outside because I want to hold hands and explore this dreamland tonight, so would you like to join me?

JOYFUL HOLIDAY

Joined the football class in summer holiday to make me strong and to meet more friends.

Ocean Park is awesome because I can see a lot of beautiful ocean animals there.

Yesterday was the last day of school and I can't wait to play the exciting Super Mario Party video game with my best friend Zachary.

Fishing with my grandfather near the seaside is relaxing, and I ate yummy fish after that.

Uncle Tony and I went to Tai Po Swimming Pool, swam and played water slide.

Love to eat ice-cream after swimming with uncle Tony because it is sweet, and it can cool me down.

Hamster was my first pet from Aunt Ivy, and I gave him a name "Sonic" which means very fast.

Oxen, goats and pigs are big and cute in the Lo So Garden Farmland where I visited last summer holiday.

Last Christmas, I got plenty of presents including a collection of Harry Potter fiction.

I like to sleep with my daddy and mommy on a cozy bed.

Day dreaming and kicking pillow are my favourite activities at home during holiday.

Aunt Susan bought us two boxes of Japanese cookies in Chinese New Year.

Yummy candy makes me satisfied during Christmas holiday but if you eat too much, you will get sick.

INFORMATION REPORTS

CHAN Sheung Hang Alwin (2E)

DOLPHINS

Are dolphins fish or mammals? Dolphins are mammals because they are warm-blooded animals that drink milk from their mothers and use lungs to breathe.

Do you know what dolphins look like? Dolphins have a pointed snout. Some dolphins like river dolphins have long, thin snout whereas some such as ocean dolphins have short snout. They have one top fin which is usually hooked or curved and two flippers on their side. Their skin is black, white, and grey in colour, and is also smooth and rubbery.

Dolphins eat different kinds of food. When they are babies, they drink milk from their mothers. When dolphins grow up, they eat a variety of food such as fish, squid, shrimps, jellyfish and octopuses. A pod of dolphins usually works together to catch a school of fish. However, dolphins are also at risk of being eaten. Their predators include large species of sharks such as bull sharks, tiger sharks, and great white sharks. Dolphins may also be eaten by killer whales.

Where do dolphins live? Most dolphins live in warm ocean water near the Equator. But some dolphins like the Amazon river dolphin live in rivers.

Dolphins live in small groups called pods. They use squeaks, squeals, and whistles to communicate with each other. They sleep about eight hours a day. They sleep by resting half of their brain at one time because the other part of the brain needs to breathe and watch out for predators.

There are some interesting facts about dolphins. As it is hard for dolphins to see their prey in the dark ocean floors, they use echolocation to search for food. After getting the food, they never chew. Dolphins have two stomachs, similar to cows. One is for storing food, and the other is for digesting food. Another interesting thing about dolphins is that they are intelligent and friendly animals. They can develop their own whistles and recognize theirs and other dolphins' names. They like to play with other animals even humans.

We should protect dolphins because they are endangered.

CHEUNG Cheryl (2B)

MONKEYS

Monkeys are mammals.

Do you want to know about their appearance? They have two arms and two legs to grasp tree branches, and a coat of hair with bare skin on the flat face. They have forward facing eyes and long tails to hold onto branches.

Do you want to know monkeys' diet and predators? They eat fruits, insects, nuts and leaves. Big cats, crocodiles, and hyenas are their predators. Humans hunt monkeys for their meat and fur. Some monkeys are captured and sold as pets.

Do you want to know where monkeys live? They live in trees in the tropical rainforests of Asia, Africa and Central and South America. They live with their families. A group of monkeys is called a mission, a tribe, or a troop.

Do you want to know more interesting facts about monkeys? Some monkeys live on the ground, not on trees. Monkeys can live between 10 to 50 years. Monkeys have unique fingerprints.

Do you like monkeys? I love monkeys because they are so cute!

CHEUNG Phil (2C)

KOALAS

Koalas are mammals. They give birth to their babies, but they do not lay eggs. Their babies drink milk from their mothers. They are warm-blooded.

Do you know what they look like? They have a furry body. And, they have a pair of furry grey, round ears. They have a spoon-shaped nose. Their body has gray and white pattern. And did you know that they have no tails?

Do you know what they eat? They are very very very picky eaters. They eat only one thing in the world—eucalyptus leaves. They barely drink any water because they get the water from eucalyptus leaves! Eucalyptus leaves are poisonous, but their body digest them.

Do you know where they live? They live in Queensland, New Zealand, and even Africa! They are found in places where there are eucalyptus leaves. They are endangered because humans chop down eucalyptus trees to make places for homes. Do you know what are their predators? Their predators are owls, eagles, dogs, dingoes, and lizards. They climb on the trees to live.

Do you know any interesting facts about koalas? When a koala is born, its size is about a jelly bean. After koalas eat eucalyptus leaves, they feel sleepy. Koalas are super lazy.

I really like koalas because they are so cute! Do you like them too?

HO Joy Lam (2B)

KOALAS

Koalas are mammals. They give birth to their babies. They don't lay eggs. They are also warm blooded. But after they give birth to their babies, the babies will go on their mom's back until they are able to find food by themselves.

Do you know what they look like? They have a fluffy body. They have a black, shiny nose. They have a pair of round ears. Their bodies have grey and white patterns. They are very fluffy, but they have no tails.

Do you know what they eat? They are very picky eaters. They only eat eucalyptus leaves. They do not eat all kinds of leaves. These leaves are unique and poisonous, but koalas work very hard to digest them. They normally eat 200 to 500 grams of leaves every day. Their predators are owls, eagles, dogs, and dingoes. Koalas' biggest predators are humans because human chop down trees and destroy their homes.

Do you know where they live? They live in eucalyptus trees in Queensland. They enjoy living together with their neighbors because they can

communicate with their neighbors.

Do you know any interesting facts about koalas? Koalas can hold food in their belly for over eight days. They can also sleep 20 hours a day! Koalas don't drink much. They get moisture through their diet. To conserve energy, koalas sleep most of the day. They often are wakeful for only two hours in 24. They have two opposable thumbs.

Koalas are cute. I think koalas are as cute as babies! Let's protect the koalas, or else they will all be gone. Don't chop down trees. Don't you think so too?

KOALAS

Koalas are mammals. Mammals give birth to their babies. Their babies drink milk from their mothers.

Do you know what they look like? They are grey-brown coloured with white patches. Their fur protects them from hot and cold weather and from rain. They have round face and ears and snub noses. Koalas also have tails, but it is almost too short to see. Koalas have sharp pointed claws and rough pads on their paws to help them climb trees. Their arms are almost the same length as their legs which helps them to climb.

Do you know what they eat? Koalas eat the oily leaves of toxic trees. They have special teeth to help them eat the leaves. Koalas sometimes eat leaves from other trees, such as wattle, tea tree, or paperbark. Eucalyptus leaves are not very nutritious, so koalas sleep for up to 20 hours a day to save energy. Koalas spend almost all of their lives high in the treetops. There are safe from most predators. Sometimes however, koalas are attacked by large owls, wedge-tailed eagles, pythons, or even giant lizards. Wild dogs called dingoes also eat koalas if they find them on the ground. The koalas' worst enemy, however, is people. Many forest areas where koalas once lived have been destroyed to make room for city, roads, and farmland. With fewer eucalyptus trees, koalas have less food to eat and fewer places to live. Many koalas are also hurt or killed trying to cross roads to reach new trees.

Do you know where do koalas live? Koalas live in Australia. Most of them live in Queensland, but there are also koalas in New South Wales, Victoria and South Australia. They live in eucalyptus trees and spend most of their time wedged between forks in the trees, sleep in trees, and hang out in trees. The only time they leave the trees is to walk to another tree with a better food supply. Koalas do move around in their chosen tree.

Do you know? Koalas sometimes speak to each other with grunts and self clicking, squeaking and humming sounds. When koalas are very scared, they make a loud cry like a baby screaming. After coming out of their mother's pouch, koalas don't drink again! They get all their water from the leaves they eat. Koala means 'no drink' in the Aboriginal language.

Koalas are cute, fun, and amazing! But koalas are in danger! Many people are trying to save these wonderful animals of nature. Do you like koalas?

KOALAS

Koalas are mammals because they give birth to babies, and don't lay eggs. They are warm-blooded.

Koalas look like a puff toy. They have black nose. They have strong claws, arms, and legs. Their fur are fuzzy and waterproof to keep them warm. They are fluffy and have very short tails.

Do you know what they eat? They are very picky! They only eat eucalyptus leaves mainly, and also barks, fruits, stems, flowers, and buds. They normally eat 200 to 500 grams of leaves every day. Their predators are dingoes and large owls. They are at risk of getting hit by cars and attacked by dogs.

Do you know where they live? They live in eucalyptus trees and on the ground too! These trees are near Eastern Australia and islands nearby. They eat in the trees, sleep in the tree, and hang out in trees.

Do you know some interesting facts about koalas? First, every koala has its own territory, also called a home range. A male koala rubs its chest against a tree. The smell left behind tells other koalas that the tree is already claimed. Second, koalas talk to their neighbors with booming bellows or loud, growly snores. Third, koalas snooze for 18 to 20 hours every day!

Koalas are so cute and cuddly! Do you want to cuddle koalas? Yes, I do!

HIKING AT STUPENDOUS LION ROCK

Two weeks ago, Dad, Mum, and I went to Lion Rock for hiking. We started from Hung Mui Kuk Nature Trail in the Lion Rock Country Park.

First, we went through many bumpy steps, but when we made to the top of Hung Mui Kuk, there were two paths: the path to Amah Rock and the other path to Lion Rock Summit. Of course, we chose the Lion Rock summit since we wanted to challenge ourselves!

The Lion Rock is extremely dangerous since it almost does not provide any fences at the summit of the Lion Rock. The Lion Rock's height is 495 meters high and Lion Rock Summit is one of 16 "high-risk" locations for hikers. On the other hand, The Lion Rock got its name because its shape looks like a lion.

My family and I walked through thousands of steps during the hike. And I also enjoyed the beautiful scenes while going through the bumpy road. I liked the steep road at the summit of Lion Rock.

I was very excited that I could learn about different species of plants. For example, we saw fungus and asparagus. I knew the plant names by looking at the information tags. I was very glad that I could make it to the top of the Lion Rock summit. I saw a cloudless sky, so we took a picture. We saw Kowloon, Shatin, and our home too! While we went down from the Lion Rock, we saw a beautiful sunset too!

I felt exhausted and satisfied after we had arrived at the summit. I did the rock climbing with my parents' help. Well, I walked up thousands of steps and also went through all that rock climbing. That is the reason why I felt extremely exhausted.

MY BEST HOLIDAY

My family went to Japan in July 2017. We got on the airplane at 1:00 p.m. and arrived in Japan at 5:00 p.m. My dad drove us to a house, and we went to a supermarket that night.

On the first day, we went to an aquarium. We saw jelly fish, black water fish, small fish and most importantly, the big whale shark! I loved the big whale shark the most! We stayed for about 20 minutes. I took many pictures until my camera was full! We all took a group picture. I got a small talking whale shark toy. It was so cute!

Next, we went to the Pineapple Land. I rode on a pineapple car and a pineapple train. I felt overjoyed! We also bought a cute pineapple talking doll. It was fluffy and warm.

Then, we went to my dad's friend's home. I played for the whole day. It was the best house that I have ever been to. At tea time, we ate watermelon. It was very juicy and sweet! My dad drove us back to where we stayed when it was about 9 p.m. By the time we arrived, it was already midnight. We were too sleepy, so my brother Declan and I slept in the car!

At last, my family returned to Hong Kong. Declan played Angry Birds on the screen. It was boring, so I fell asleep. When we arrived at Hong Kong, it was 7:00 p.m. We arrived home at 9:00 p.m. After the holiday, Declan has got a nickname, "Sleepy Little Brother On The Road".

Let me tell you something. I have been to Japan two times! Have you been to Japan before? I am sure you will love it!

MY BEST HOLIDAY

In December 2018, I went to Korea with my mum's secondary school friends, their daughters and sons, and my mum and dad. We went there to celebrate my dad's birthday. Do you know what we did?

First, we changed into puffy clothes. My coat hood had a cute dog face! After we all had changed into warm clothes, we went outside and made some pretty snow angels. Then my mum found a sled, and we all played on it. It was super-duper fun!

Next, it was starting to get dark, so we all took a relaxing hot bath. Do you know how long I stayed in the bathtub? You will find this funny. I stayed in the bathtub for over 50 minutes! When my mum tried to drag me out, I shouted "Argh" because I wanted to stay longer in the bathtub.

Then, we went to a restaurant nearby to eat. It was winter, but the restaurant only provided cold food and noodles in ice cubes. Uh! I felt cold for the whole night just because of the noodles. I was freezing!

Finally, we finished the food, and went back to our hotel room. I changed into my winter pajamas that had some heart patterns. It was beautiful. I slept in a room with a bed with my mom and dad. But my friend had to sleep in an empty room, with a mattress on the floor. It was really small and narrow that made him super grouchy in the morning! And in that morning, we had some macaroni, and delicious fried egg from my dad. My dad is not a chef, but his cooking skills are so good. And so, it went on like this for a few days.

I felt excited during this winter vacation! Do you like my freezing holiday?

MY BEST HOLIDAY

In Christmas holiday, my family and I went to Disneyland to celebrate Christmas.

First, we went to a restaurant in Disneyland. We had French fries, burgers and drank a lot of soda drinks. It was very fancy and yummy. I loved it. Do you think it sounds yummy?

Next, we decided to try out the rides. We got on the scary Star Wars roller-coaster. We were very scared after the ride, but I had loads of fun on the roller-coaster.

Then, we watched "Pooh The Bear". It was very funny. We liked it. After that, we decided to have dinner because we were getting hungry. We found a restaurant and ate lots of food and drank a lot of soda. The food was groovy and appetising. How yummy!

Finally, it was getting dark. We called a taxi and went back home. I slept in the taxi for a long time because I was very tired after this long day. Can you guess how long I slept? I slept for one hour!

It was my best holiday ever! The view was always the best! Do you like my holiday? What did you do in your holiday? How did you celebrate it? I really want to know about your holiday!

THE FIFTH TRICK

Zoom! The Enormous Crocodile flew back to Earth. Do you know why the Enormous Crocodile did not die? He crashed into the coldest part of the sun.

Splash! The Enormous Crocodile fell into the muddy sticky river. The Notsobig One swam over to the Enormous Crocodile and said, "Did you eat the children?" The Enormous Crocodile said, "I just need a little more help." "How about I also come?" suggested the Notsobig One. "OK, you can help me," said the Enormous Crocodile.

They started to walk through the jungle. They saw Blue the cheetah and Delta the lion playing together. When Blue and Delta saw the two crocodiles, they said, "Hi, Crocky, don't often see you in the jungle." "Guess what? I am gonna eat something that walks on two legs," said the Enormous Crocodile. "Oh no! Are you gonna eat children?" asked Blue the cheetah. "Yes, I am," said the Enormous Crocodile and they walked further into the jungle.

After a long walk, they came to the city. They heard a child and the Enormous Crocodile grinned, "Today, we will go to the tall grass to have an adventure," so they immediately ran to the tall grass. The Enormous Crocodile said, "I will become tall grass, and you need to pretend to be friendly and guide them to me." "OK!" said the Notsobig One.

In a heart stopping moment, the Notsobig One followed the Enormous Crocodile's order and went over to a child and her sister and said, "Hello, I know a place that is great for adventures." Then, he headed back to the Enormous Crocodile. The Enormous Crocodile waited in excitement.

Just when the children were three footsteps away, something pushed the Enormous Crocodile away! Swoosh! It was Delta, Blue and their two other friends Echo the cheetah, and Charlie the lion. While Echo and Blue warned the children, Delta and Charlie threw the two crocodiles to Pluto and they were frozen to death.

THE ENORMOUS CROCODILE'S FIFTH TRICK

Do you want to know what the Enormous Crocodile did for his silly fifth trick? If you want to know, you will need to read the rest of the story.

Where were Annie and Amy going? Annie and Amy were going on a vacation to Korea where they planned to meet their favourite Korean pop band.

Splash! The Enormous Crocodile landed on the slimiest, muddiest, and brownest river in the whole world. The Enormous Crocodile said, "I am going to do my fifth trick." The Not-So-Big Crocodile said, "You'd better not." The Enormous Crocodile didn't listen to the Not-So-Big one, and headed off.

The Enormous Crocodile said to himself, "Where should I go?" Just then, he had a marvelous idea. He was going to go to a Korean pop band's practice room and pretend to be a chair. He arrived at the practice room and saw Carry the rhino. She was the security guard at the practice room. Carry asked the Enormous Crocodile, "What are you doing here?" Of course, I'm finding something with two legs to eat," the Enormous Crocodile chuckled. Carry said, "Don't tell me that you are going to eat people." "Of course I am," said the Enormous Crocodile. The Enormous Crocodile crept into the practice room and pretended to be a chair. He put a fancy water bottle on top of himself. Do you think it will work?

Meanwhile, Amy, Annie and the pop singers came into the practice room belonging to the Korean pop band. In the practice room, they were playing some of the band's most famous works, like Ice Cream. One member of the band Blackpink, called Jisoo said, "I am having a drink," and went over to a fancy water bottle.

Suddenly, in a heart stopping moment, there was a sound. Snap! Snap! It was Carry! Carry said, "No, Jisoo! It is the Enormous Crocodile, and he wants to eat you! "Ah!" Jisoo shouted as loud as she could. Everyone was frightened in the room, except the Enormous Crocodile who was feeling sad. Carry used her front legs to kick the Enormous Crocodile into the hot sun. The Enormous Crocodile nearly died in the sun.

Everyone cheered for Carry! They had a fabulous, incredible, and joyful party, and the Enormous Crocodile learned that he would never get to eat children!

THE TRICK NUMBER FIVE

Do you know what happened when the Enormous Crocodile flew back to the Earth? If you want to know, then you can read this story.

Splash! The Enormous Crocodile flew back from the sun to the Earth. He flew to a beautiful grassland area wanting to find some animals to eat children with.

The Enormous Crocodile found many animals, but do you think any animal would help him eat children? Of course not! Therefore, the Enormous Crocodile sat under the tree and fell asleep. After ten minutes, he woke up and ran to the middle of the grassland. Suddenly, he heard, "Sha! Sha!" Then, he saw a pair of long ears.

"Who are you? Why did you come here?", asked Mary the rabbit. The Enormous Crocodile invited Mary to eat children with him, but Mary asked, "Why does your mind think about such nasty plans and tricks? I will never join you!" The Enormous Crocodile was so angry that he wanted to bite Mary's fluffy tail, but Mary used all of her power to immediately jump up and run away.

Suddenly, the Enormous Crocodile realised that there was a huge kindergarten nearby. He was very excited as there would be a lot of children inside. He got in quietly. "Ding-Dong! Ding-Dong!" It was recess time, and everyone came out. The Enormous Crocodile immediately ran inside and pretended to be a chair. After recess, all the children came back in. A girl called Icy took a story book from the reading corner and found a chair to sit on. Unluckily, she sat on the Enormous Crocodile. At the same moment, Mary the rabbit ran into the kindergarten from the grassland. She stood in front of Icy and shouted, "Run! Run! That is not a chair. It's the Enormous Crocodile, and he wants to eat you!" All the children felt frightened and ran out of the classroom. Mary used all of her power again to kick the Enormous Crocodile. The Enormous Crocodile flew away from the classroom. Next, Mary screamed loudly. After hearing the scream, many birds appeared. All the birds helped Mary to punish the Enormous Crocodile. They carried him up into the sky. Finally, the Enormous Crocodile flew back to the sun again.

THE ENORMOUS CROCODILE'S FIFTH TRICK

Do you want to know about the Enormous Crocodile's fifth trick? If so, then read on! The Enormous Crocodile returned to Earth from Space and landed in Heng On Park. There, he hid behind a tall tree talking to himself, "Let me think about trick number five now." Suddenly, he heard a deep voice, "Um... excuse me, Mr. Enormous Crocodile, did you get hurt last time? Why are you in Heng On Park?" It was Molly-Wolly the bird, Roly-Poly's sister! "Silly little bird, it's none of your business!" replied the Enormous Crocodile rudely. "I have a special idea!" whispered the Enormous Crocodile with a chuckle.

Woo hoo! Woo hoo! The children from A-School were very excited about the Play Day! Today Mr. Chan had brought the class to the beautiful Heng On Park. There were different slides, including zig-zag ones, wiggly ones, and slimy, yellow, and straight ones. The students played happily. Meantime, the Enormous Crocodile said to himself, "Hee hee! Ha ha! I think that dumb Molly-Wolly has flown away with her sister Rolly-Polly!" as he removed an old, smelly frog shaped rubbish bin. Then, he stood on his four legs, raised his head, and opened his mouth pretending to be a crocodile rubbish bin and waited for someone to become his prey as he stared at the children playing in front of him.

All of a sudden, the air was filled with flower pollen, and Mr. Chan unexpectedly sneezed because he was allergic to pollen. He wiped his nose with a tissue and went to throw it in the bin. But luckily, Molly-Wolly was watching, and she shouted hurriedly, "It's the Enormous Crocodile, and he wants to eat you! Run!" Mr. Chan looked at Molly-Wolly and replied, "Oh Molly-Wolly! That's a bad joke!"

"It's true," cried Molly-Wolly! The Enormous Crocodile came closer and closer to Mr. Chan. In a heart-stopping moment, he opened his mouth to bite Mr. Chan's hand. Luckily, Mr. Chan was feeling cold that day so he had gloves on. The Enormous Crocodile thought he had bitten off Mr. Chan's hand, but it was just his glove! Mr. Chan thought it was too dangerous for the students to continue playing in the park, so he decided to immediately take them back to school. The Enormous Crocodile had miserably failed his fifth trick!

This story teaches us that we have to be smart if we want to solve problems in our daily lives!

A TERRIFIC AND WONDERFUL DAY

Do you know what a terrific and wonderful day looks like?

First, a wonderful day should start with..... a square breakfast! I ate five chocolate fudge cakes with whipped cream and mint ice-cream with chocolate chips. Moreover, I had the best hot chocolate with marshmallows that was sweeter and tastier than sugar.

When I went to the pristine white toilet to brush my teeth and have my morning shower, I saw a gigantic surprise in the bathroom. It was the rose scented shampoo that I had wanted for so long! Hence, I brushed my teeth and washed my hair as fast as a cheetah. While I was opening my mail box, I saw a pinkish letter. I opened it tentatively and saw a picture of Elene and me joyfully playing together, and I knew what it meant. I let out a scream as deafening as thunder.

When I got to my friend's house, her face told me that we would have a blast. She had a spring in every step she took as she led me to her massive ice-cream maker. I yelped and said, "When did you get such an enormous ice-cream maker?" She grinned sheepishly and said, "I persuaded my mom to buy this. She didn't know what she was doing!"

We both laughed quietly and out of earshot as we didn't want to be heard. "Well, let's test it out. Let's see if it works." She gave me some instructions and ran off to get powder for the ice-cream. The powder was a magnificent shade of ultramarine. When Elene came back, she had two tiny bags with labels on which she had written "Strawberry" and "Chocolate" respectively. I turned the machine on, and it made a whirring noise. "Put the powder in now!" I shouted. When the ice cream came out, there were two dollops! I chose the chocolate flavor. I was nothing if not keen to try my ice-cream. I tasted it and felt an icy, but decadent sensation spread across my tongue. While we were enjoying our ice-cream and jovially talking about why the ice-cream machine made two dollops of ice cream instead of one, Elene's mom arrived and said, "Girls, it's time to pack your bags. We are going somewhere special!" I ate my ice-cream faster than Elene, and packed my bags quietly because I wanted to know where we were going as quickly as possible.

By the time we arrived at the special place, it was already night time. Elene's Mum told me to set up our rose-red, heart-covered tent, so I set down my marshmallow-white backpack. I figured out we were going stargazing. I fished out my cranberry-red binoculars. "You can go first," I said. "I have to install something on my binoculars." Slowly, I climbed out of the tent and put the binoculars to my eyes. I saw the bright moon, swirling stars, and colourful planets. I used a special camera installed on my binoculars to take some glamorous pictures. I was dead on my feet after taking the photos.

Later, we went back to Elene's massive home where I relaxed and wondered about the room I would spend the night in. Elene's mother told us to take a shower and unpack our bags. I let out a humongous yawn, hoping I could sleep soon. When I had finished taking a soothing bath to relieve all the pain I had from walking, Elene showed me my room. I was flabbergasted by all the captivating unicorn pictures and by the adorable ice-cream shaped bed. I climbed on the bed immediately without thinking and wearily muttered, "What an evocative day I've had with copious amounts of fun," and dozed off to sleep.

MY SWEET, TERRIFIC, WONDERFUL, VERY GOOD DAY

Yesterday was my 9th birthday. I was so cheerful because my dad said that he would buy me a Mac Book Pro, and my mum said she would buy me a pet dog.

That morning, I woke up and I went with my mum to help her decorate with balloons. I touched the shiny one, and it felt bumpy. After that, my dad woke up and told me to get ready to go to the Apple store. We sat on the mini bus and arrived at eleven o'clock. I saw gigantic trees when we were on the way there. We went in and I used the Leave Home Safe app to scan the code. I ran to the Mac Books. I touched the keyboard, and it was cool. After buying it, I asked my dad to buy me a magic mouse, too.

After we bought the computer, we sat on the bus. During our ride, I heard many people chatting. When we arrived home, Ezra and Thomas had already arrived. They both gave me a present. I wanted to open the presents right away, but my dad said that it was not polite to open presents in front of your friends, so I did not open them. We played hide and seek together. My friend Ezra was the seeker for the first round. I hid in the kitchen and Thomas hid inside the carpet. Ezra went to the toilet first, and then to the kitchen where he found me. Ezra asked me to help him find Thomas, so I helped him. I went to the bedroom, but didn't see him hiding inside the carpet. Then, Ezra came and checked, and he found Thomas inside the carpet.

When it was twelve o'clock noon time, Mum started to cook lunch. She took out eleven chicken wings and noodles from the fridge. She cooked the

food for 20 minutes. After she cooked, it smelled very good. We ate together. I ate four chicken wings and some scoops of delicious noodles. They were not spicy, so I added some spicy sauce and they were a lot yummier than before.

After eating, we went to the club house that is below my home. There were lots of toys inside, so we played in the ballpool together, and it was fun. At four o'clock, Thomas and Ezra left. When it was sunset, I opened the MacBook happily. I set the settings of the MacBook, and it loaded for 15 minutes. It took so long.

After the computer had finished loading, my mum took me to the pet shop and bought a small poodle. I named her "Susie", and we went home.

In the evening, my whole family, my grandparents included, went to eat a buffet at Hung Hom. I ate a lot of food, such as sashimi and noodles which were super-duper yummy. I also ate a chocolate-flavored ice-cream. We chatted until 10 o'clock at night.

After eating, we went home. I played video games with Jacus online. He was as good as me. We played Roblox, Minecraft, and Brawl Stars together and it was cool.

When it was one o'clock, I slept. In the morning, I screamed, "It's my birthday!" and my mom laughed. It was truly the best day of my life.

MY SWEET, TERRIFIC, WONDERFUL, VERY GOOD DAY

I woke to a beautiful, magnificent day with sunshine and birds singing a harmonious song. I brushed my teeth merrily and went down for breakfast. Mum made my favorite rainbow cereal. I ate my breakfast as fast as lightning. I walked my dog for a bit and after, I washed my hands when I came home. Then I saw a cute invitation on my bed!

It was an invitation from my funny cousin, Gianna to a slumber party! My dad drove me to Gianna's house and said, "Be good, okay?" I replied, "I will be fine." Then I stepped into their gorgeous house. Gianna was very happy that I had come to her slumber party. We played dress-up. I took a sparkly, sequined dress and a homemade paper crown with a stripy shell on top, and put them on. Then Gianna took a pink, glittery dress with a flowery headband, and put it on. Afterwards, we put on make-up. I grabbed a pink blush and some red lipstick. I applied it quickly. Gianna took out her cool nail polish set. I used the purple colour. I carefully painted it on my fingernails and toenails. Gianna took out her rose-scented fragrance perfume, light pink eye shadow, black mascara, and black eyeliner. After playing dress up, we looked fabulous! Then we had lunch, yummy chicken wings with rice. After we ate, Gianna's mum took out a plate of scrumptious vegetables. Gianna said, "Yuck! Not these kinds of vegetables again!" I said, "Eat them! They're yummy!" After lunch we watched some TV and played with Barbie dolls.

After watching TV and playing, it was already night time. We ate delicious Japanese noodles with "Coca Cola". After we ate dinner, we had a bubble bath. Gianna's mum put in a cupcake-shaped bath bomb with a huge squirt of bubbles. The fizziness of the bath bomb tickled Gianna's and my feet and the bubbles turned pink. "Eeee!" I squealed. Then, Gianna's mum brought in a classic rubber ducky and an orange rubber ducky. After we bathed, we showered with rose scented soap. After the most amazing bath ever, Gianna's mum told us to put on our soft, silky pajamas. I got into my cozy, fluffy sleeping bag and Gianna flopped on her purple fluffy bed. We talked and had a secret midnight feast. Then we realized we had forgotten to brush our teeth! I took my purple flashlight and Gianna took her normal flashlight. We brushed our teeth in the dark! It was fun! Then suddenly, Gianna took out some amazing glow in the dark nail polish. We applied it on our nails and turned off the torches. It glowed beautifully. We made shadows of animals. Finally, we went back to bed. I was very happy and joyful about my sweet, terrific, wonderful, very good day. I hope I get to experience another great day!

HAVE YOU EVER HAD A SWEET, TERRIFIC, WONDERFUL, VERY GOOD DAY?

Have you ever had a sweet, terrific, wonderful, very good day?

A year ago, Mom, Dad, and I went to Disneyland to celebrate my mom's birthday. We saw elegant, golden, shimmering, Disneyland character statues like Donald Duck and Mickey Mouse on the train. The one I liked the best was the Snow White one. I even took a picture together with it! It was very crowded and noisy in the train. I was very lucky that I got a seat on the train.

When we arrived at the park, there was a large Minnie Mouse greeting us at the entrance. I could smell some sweet popcorn. There were free scented lollipops. They were pineapple flavor. They were the best lollipops ever! I saw a girl dressed up in a puffy, fairy dress. I was a bit jealous, because I was only dressed in normal clothes.

When we went in, we went to a store to buy clothes first. I asked Mum if we could buy elegant dresses for me because I saw a girl wearing a glamorous dress which was as beautiful as a real princess dress. My mum said I could. I was so excited! I chose a beautiful Sleeping Beauty dress and an Elsa character dress. My mum helped me choose an Ariel dress. My dad chose a Mickey-Mouse T-shirt for himself. We were all happy to have new clothes, especially me!

It was lunch time now, so we happily went to a restaurant. For lunch, I ordered French Fries, fried shrimp burger, and a cup of nice pineapple juice. It was delicious. But it was super expensive. It was the yummiest lunch I've ever had.

After my scrumptious lunch, we went to watch the "Lion King" show. It was freezing inside as I had not brought my Sumikko Gurashi coat. I saw some colourful decorations. The fireworks made noises like "Bang, Bang"!

Then, we went on the "It's A Small World" ride. We sat on a pink boat, and we rode in the dark. I was super scared. It was raining in there, and there were large crocodiles with big mouths showing thousands of pointy, sharp, white teeth. I was almost crying.

After riding on the "It's A Small World" ride, it was evening. The sky was gorgeous. It was pink and purple, the same as the clouds. We all took a picture of the view. My mum said, "Let's eat dinner here and take the train to go home." We were having a good time there, so we all headed to dinner. It was delicious! For dinner, we had spaghetti in tomato sauce, crabs, fried chicken, and fried shrimps. For dessert, we had mango pudding!

It was the best day ever!

Dear Polly,

I'm very well. Thanks for asking.

I have a nice school life. My friends are Greta and Charming. Greta is talkative and energetic, while Charming is smart and kind. It's really hard to get bored with them! We meet up every single recess. We always have lots of things to talk about.

My school is ABC School in Shek Mun, Shatin. There are events and holidays for different occasions. There are also other events like STEAM Day, music performances, Cake Week, and Crazy Week. Crazy Week is when we dress up as something crazy every day for that week. Moreover, during Crazy Week, Monday is Crazy Hat Day, Tuesday is Crazy Pants Day, and so it goes on until Friday. Everything is crazy during Crazy Week, so it has the perfect name! During Cake Week, everything is cake-related, but is disguised as other food. There's another special event called the Everything Week. It's a week with all the events together during one week. It's a nice week because it has extra events and one of them is No Homework Day!

There are lots of events at my school. The teachers are nice, and everyone is always cheerful and hard working.

How is life in England? I wish I could experience what it is like over there and visit you too! If I come, maybe you can introduce me to your friends!

Love,
Jane

Dear Polly,

I've been great lately. I really hope you're in great health. I've been enjoying my new and relaxing school life in Shek Mun, Shatin!

I am in Grade 3 at ABC School and I am learning better in this harmonious environment. I moved to this school because it is closer to my home. I really like Music Marathon, Book Character Day, and Meet Your Big Brother/Sister Day. My favorite activity was the lively Music Marathon. It had Mr. Cottam who sang beautifully and people played a lot of different instruments like saxophone, tambourine, flute, piano and lots more.

Now, I have made a lot of friends. I want to tell you about some of them. My best friend is Jenny. She likes to go swimming in the lovely sunshine. My classmate, Peter, likes to tell jokes, use nicknames, and run around in the playground. My other best friend is Lina, who likes to draw cute animals and go ice skating. We all have something in common which is playing pranks on each other, listening to fun songs, and collecting stationery. We also like to help each other when we are in need, chat at recess, and care for each other.

I think my friends are honest and kind to me. I wish you the best of luck and a happy life.

Your bestie,
Jane

Dear Polly,

I am very well! Thank you for asking. I am grateful to receive a letter from you about your new school and your friends. I want to let you know how I love my friends in third grade in Cool School, Ma On Shan, too.

At Easter, the class teacher hides eggs and we go and hunt for them. Then we eat the colorful, delicious chocolate eggs at recess or lunchbreak. On Arts and Crafts Day, we make emoji's such as smiley faces, angry faces, happy faces and more.

Carlos and Sherlock are my best friends. When it is recess or lunchbreak, we usually chat, play sports, and share healthy, delicious snacks. We often meet up five or six days a week. We love STEAM lessons the most because we can learn about coding, and chat using the Internet. Also, we love PE lessons because we can play sports, such as forward and backward rolls, running, skipping, and basketball. We also love playing Minecraft because we can build battles. After we finish, we take a look at what each of us has built, explore it, have some adventures and enjoy some fights with zombies, creepers, pigs, cows, skeletons and more!

I am pleased that my friends and I have a gigantic amount of things in common. I love them so much and I whisper to them, "I want our friendship to last forever." Then we exchange smiles. I value our friendships very much.

How about you? Who is your best friend?

Dear Polly,

Hi! How is your new life in England? I hope you're doing well. I'm coming to visit you soon!

Do you know that I moved to a new school called ABC School? There are many interesting facilities, such as a swimming pool, badminton court and an indoor gym. My school also has OLE lessons. OLE means 'Other Learning Experiences' where some lessons are related to sports. There are many activities such as badminton, table tennis and sports climbing. There are some events in our school too, such as PBL and Book Character Day. PBL means 'Project Based Learning' where during the last few months, we have a big project during which our parents come to our school to see us present. However, we mostly do it on Saturdays. We have SLC too where I show my parents what I have learnt. I do it by myself and no one helps me. It is a surprise though. My favourite activity is Third Language because I can learn different languages. I feel so happy in this school.

Also, I made some new friends called Jodi, Gabrielle, and Abigail. At recess, they chat with me, or sometimes when I forget to bring food, they give me some of their food.

Please write back and tell me about your friends too.

Your friend,
Jane

THE BEST DREAM I EVER HAD

That night, after I climbed into my bed, I went out like a light as soon as I touched my pillow...

I thought I wasn't asleep because a few seconds later, I felt my back not touching my bed anymore. Instead, two wings popped out! I was into the air, higher and higher, until the buildings were just the size of a seeds. I sank into a fluffy, soft cloud full of glitter. I opened my sleepy eyes and a cool breeze hit my face! The houses were not made of old wooden bricks, but made out of candy! Gingerbread houses! Dozens of lollipops stood guard, and cheerful fairies danced around beautifully. It was a spectacular sight!

"Wow! What a beautiful place!" I gasped. And the clouds were...hmm...something sweet, something sticky, something—marshmallows! Suddenly, someone patted me on the back. It was a one word man. He said, "Can you help me find my missing ribbon, please?" "Of course!" I answered. "Thank you! Just call me Ginger," the Ginger bread man replied gratefully.

We started immediately. I flew up high and found a river of lemonade and an ice cream bridge. "Quick! Let's go across the bridge before it melts!" I yelled. We ran across it and saw a field full of chocolate bunnies! "Look!" cried Ginger. "Every one of them has a ribbon on its head! Maybe one of them has mine!"

Out of the corner of my eye, I saw something. I twirled around as quick as I could. It was a bunny but not a chocolate bunny. I realized who it was. It was Fifi, my missing pet bunny doll, and she was wearing Ginger's red bow! I caught her just in time. Catching a hopping bunny isn't as easy as you think! I gave the ribbon back to Ginger and found Fifi's own ribbon. "I don't know how to thank you!" Ginger said happily. But then, a hole appeared under my feet, and I started to fall. "Whoa!" I screamed. "Bye! Ginger! See you!"

I fell back on to my bed and woke up. It was morning. I really hoped I would see Ginger again the next night, and guess what? I did.

A DAY I'LL NEVER FORGET

On 24th December, 2021, I was woken up by a bird twittering outside my bedroom window. I was ecstatic, but I felt anxious as well, because I had a basketball competition that afternoon. I ate some scrumptious pancakes and drank a cup of chocolate milkshake. The breakfast made me energetic. After eating my breakfast, I changed into my basketball jersey.

When my dad, my mum, and I arrived at Siu Sai Wan Sports Centre, I hastily went to meet my teammates and my coach. It was my third time to meet them. My teammates were Jayden, Dexter, and Desmond. We were chatting gleefully. Then, we had the first game. During the last minutes of the game, my team was losing by one point. I scored another point just before the game finished, and my heart pounded. Luckily, no one scored after me, so it made me feel relieved. I scored the free throw, and we won the game. It made everyone cheer for us.

Are you wondering if we won the other three games? YES, WE DID! That took us into the finals. Before the shooting contest, I was starving. My basketball friend gave me sushi to eat. I felt more comfortable after wolfing down the sushi. Hayden was my friend, but also my opponent. My coach gave us some zesty candies. The candies were sweet and extremely sour. I liked the candies very much!

Next, we had the shooting contest. I was the shooter, and my teammates helped me to get the rebound and pass the ball. I shot the ball carefully. Eventually, I got eleven points. I got the most points in the contest. I was as happy as could be.

After a while, the final game started. At the end, we were winning by two points, but my opponent scored two points as well. I felt dreadful and my jaw dropped. I got the rebound and drove to the basket which drew a foul. I hit a free throw, and was delighted because everyone applauded loudly.

Although I got the shooting champion, FMVP and the champion, I need to stay humble. I need to do better next time.

BACK TO MOGAO GROTTOES

"The new COVID-19 variant virus keeps menacing us and raging globally. The total number of deaths in the world has increased to 5.4 million" Issy was watching a televised news report and soliloquized, "Alas! When can I go to school?"

Issy was a 9-year-old girl who displayed great passion in Chinese culture. Schools had been suspended during the epidemic so she was doing home learning. She read a book, "The Silk Road" before sleeping and turned to a page about the Mogao Grottoes, "The Mogao Grottoes are peerless!" Issy's eyes shot wide open with wonder. She turned over page after page, "I wish I could go to Dunhuang one day". She read until midnight, but as she could barely keep her eyes open, she finally went out like a light.

When Issy awoke, she felt chilly and was surrounded by Chinese paintings and sculptures. She was stunned! Oh no! This can't be true. She was in one of the Mogao caverns!

All of a sudden, a man wearing a kasaya came to her.

Issy rubbed her eyes and looked closer, "You..you are Monk Yuezun! I saw your portrait in the book!"

"I have successfully returned to ancient China! My dream has come true!" Issy murmured.

In the blink of an eye, Monk Yuezun knelt in front of her and said, "Tulku! You must be Tulku!"

Issy was feeling lost, "Sorry, I don't know what you are talking about."

Yuezun kept kneeling and said, "You look glistering and your clothes are...so special. I have never seen this before! I know you're Buddha--sent to help us!"

Issy was completely bemused and thought, "What! It's just pajamas!"

Yuezun responded enthusiastically, "It is my pleasure to have you visit! A few monks and I are building grottoes here." He then respectfully escorted Issy to one of the grottos. Inside the grotto was a magnificent cave with walls covered in fine paintings and sculptures of Buddha. Issy stared with fixed eyes, "This is a feast for my eyes!" she thought.

Issy observed that on the wall were the words, "All compounded phenomena are impermanent."

Yuezun explained, "Yes, it means nothing will last forever. Look bright, be merciful and thankful, and look to every new day with positive hope!"

Issy thought deeply about his words and a light shone on her. She slowly opened her eyes. She was still on her bed holding her book, "Oh, it was a dream!" she reflected.

Whoosh! Just then, a strange breeze came through the window and turned the pages of the book. Upon the page about Mogao Grottoes, a little girl wearing pajamas appeared prominently next to the monks and the paintings.

EFFORT ACHIEVES A DREAM

Everyone has a dream
From making a dream come true
From achieving a goal in our heart
Or meeting expectations of loved ones
Reaching the goal is the source of motivation
The dream will never be lost

A dream can generate energy
Combine conviction and courage
Holding your dream and trying your best
It will keep you going
Even in the face of difficulties
Very little is impossible
Everyone does not give up

A dream is the navigation light of life

Do not be frustrated and doubtful
Remind yourself when you feel tired
Even if you fail in the end
A dream still gives you memories
Memories are something you are proud of

Dear Andy,

Hello! It's nice to see you again! I'm doing well in Hong Kong. How about you? I am so excited to see you after the pandemic! Stay safe from Coronavirus. Be careful!

First, you are worried that you don't know how to prepare for winter in Hong Kong. I understand your concern! Winter in Hong Kong is not very cold, so you don't need to prepare much. Here are a few things that you can buy from Australia and bring to Hong Kong several days before you go to the airport. You could bring six to seven bags of cocoa powder for making hot chocolate. It is sweet and hot, so you won't feel freezing cold in winter. Second, you can bring two jackets to Hong Kong, one made of fleece, and one made of wool. Fleece can block the wind, and it is light, so you can take it anywhere whenever you need. If the temperature is lower than 5 degrees Celsius, you can wear a woolen jacket because it will keep you warm. Another advantage of wearing a jacket is that you can take it off anytime!

You can also eat some delicious red meat such as beef and pork. They have great iron content which helps transfer oxygen and keep your body warm. It is very tasty too! Root vegetables such as sweet potatoes can be a good choice also! They produce energy because they need more time for you to digest them. You can come to my house, so we can enjoy homemade, scrumptious hotpot together!

Secondly, you mentioned that you are bad at Math, and that you got a D in your math assessment. Don't be sad! You have done

the best job you can already! I have a few suggestions for you to improve your math skills. First, you can buy two to three grade 4 math exercise books at the bookstore. Practice makes perfect! You can practice doing two pages a week, especially during summer holiday because it's important to refresh your memory and revise the learning content during a long break like this. I also use this method to brush up my skills. Although it will be difficult to finish all the exercises, this method is very efficient! That way, you can get a much better grade in assessments! If you want a more relaxed approach, you can download math learning apps including Math Ninja, Planetii, and Math Monsters. You could even practice for an hour per week. However, be careful, as playing for too long may hurt your eyes! This is an entertaining way to have fun while learning Math. You can also spend some money on joining math remedial classes twice a week after asking your parents' permission. The teacher will teach you detailed knowledge that you could not just search for on the Internet. If you need help, you can always ask me!

I hope my ideas can help you! Remember, if you have any problems or questions, you can count on me! I am always there to support you! I'm looking forward to receiving your reply. Stay safe and healthy!

Your friend,
Jennifer

Dear Andy,

How are you? Thanks for your letter. I am so happy that you are coming to Hong Kong. I can't wait to see you very soon!

Last time you mentioned that you had two problems. Firstly, you don't know how to prepare for a chilly winter in Hong Kong. Secondly, you are finding Math difficult. So, I am offering you some solutions. I know Math is difficult, but I will always have your back. Never give up! I am sure that my solutions can help your grades improve!

To help you prepare for a winter in Hong Kong, I have some solutions that may help you. First, you can go to some online shops and choose some duck down long coats, so your legs will be warm, some long thick socks for keeping your feet warm, a scarf to keep your neck snugly, and a pair of mittens to keep your hands warm and cozy. Second, you can bring a thermos bottle, so when you feel cold, you can drink some hot water. Alternatively, I can prepare some hot chocolate powder for you, or we can have a hot pot dinner on Christmas Eve. That way, we can stay warm in the house. Third, I can teach you some exercises to keep your body warm. For example, you can stretch your whole body, go to the playground, and run several laps every day in preparation for when you arrive in Hong Kong. Lastly, I can give you some heat packs to keep your hands warm if the mittens cannot keep your hands warm enough. You can always count on me. Together we can solve all your problems.

I understand that Math is super difficult, so I have some ideas to help you improve your progress at school. First, you can ask your parents to buy some supplementary exercises. They will help you to learn at home, but you might need to spare extra time for learning by doing a few pages every day after school with your parents. If you have difficulties or come across some challenging questions, try to email me or WhatsApp me or your teacher or even ask your parents. Second, do you like playing video games? I can introduce some online Math games to you. This way you can learn while playing, and you will have fun and not be bored. There is a game called Kahoot. You can search for the topic you need or contact your teacher to create questions on Kahoot. When you enter the game pin you can fill in the multiple-choice questions and ask your teacher to give you more time to do the calculations, so you can get the questions correct. When you get the questions correct, you can ask your teacher to give you less time to think. If you have any questions, you can always count on me. I will always be by your side and never give up on you!

These are the ideas I have for you. I hope they work. If you have any difficulties, feel free to ask me. Please let me know if my ideas work and update me on your progress too. I'm looking forward to seeing you in Hong Kong.

Your friend,
Jennifer

A HISTORICAL AND FUN SPORT - SWIMMING

Have you ever learned swimming before? Swimming is a cool, fun, and historical sport. Swimming has a long and amazing history. There are some famous, cool swimmers and many interesting facts! Do you want to know more? Read on to know more about swimming!

In South Western Egypt there is a ten thousand year old painting of people swimming that was found in a cave. Swimming was one of the first modern Olympic games and was already invented in 1896 in Athens. In 1587, Everard Digby wrote a swimming book that claimed that humans could swim better than fish. Digby's short treatise, *De Arte Natandi*, was written in Latin and contained over 40 woodcut illustrations depicting various methods of swimming, including breaststroke, backstroke, and crawl.

In Hong Kong, there is a famous swimmer called Siobhan Bernadette Haughey. She began to wear arm floats when she was six months old and was familiar with swimming pools because there was a pool at her house. At the age of four, she began to participate in swimming classes at the Nanhua Athletic Association and received swimming team training by the age of six. In 2021, she won two silver medals for Hong Kong at the Tokyo Olympics.

There are some strange and interesting facts about swimmers. The first fact is that swimmers sweat in the pool. They lose just as much sweat as other athletes training on land. However, there has not been enough research done to know how much sweat swimmers actually lose in the water. Fact number two is that swimmers can flex their toes on the ground. Foot and ankle flexion is important in swimming performance, which means swimmers work hard on increasing their toe-pointing. Swimmers can sit with their legs stretched out in front of them and point their toes all the way down to the ground. The last fact is that they use nearly every muscle in their bodies. While there are many people out there who dismiss swimming as not being a "real sport", swimming is one of the most intense sports in existence. Swimming is an all-body exercise. Swimming actually uses more muscles than baseball and football.

Finally, swimming is really a fun and spectacular sport! So I hope you can enjoy this sport as much as the swimmers do!

A FABULOUS OLYMPIC SPORT – DIVING

Diving is a famous Olympic sport that requires athletes to dive into water from a platform or springboard, usually while performing acrobatics. Diving is an internationally recognized sport that is part of Olympic Games. Do you want to know more about diving? If so, read on to find out more!

First, diving has a lot of stories about its history. The first official diving event was at the 1904 Olympics. Men's platform diving and the men's springboard diving appeared at the 1908 Olympics. Additionally, the first women's platform diving appeared in 1912, and the women's springboard diving appeared eight years later. At the 2000 Sydney Olympics, synchronized diving first appeared. The United States has become the dominant diving power and has accumulated 49 gold medals which has made it first place in the world for diving. China has gained 47 gold medals since 1984.

Second, there are many famous athletes that have received medals. One of the most famous athletes is Greg Louganis. He was born on January 29, 1960 in California, U.S.A. He is an American Olympic diver. He is the only man and only the second diver in Olympic history to sweep the diving events in consecutive Olympic Games. He has been called both "the Greatest American Diver" and "probably the greatest diver in history". He got two golds (3m Springboard, 10m Platform) in the 1984 Olympics and two golds in the 1988 Olympics (Seoul). He also got a silver medal in the 10m platform event and a bronze medal with Nick McCrory in the men's synchronized event in the 2012 London Olympics. Moreover, when he won the 10m platform gold at the 2012 Olympics, he became the first American Male Olympic champion in diving since Mark Lenzi who won the 3m gold 20 years earlier.

Third, everyone needs to know diving rules. There are two main parts to the rules, the springboard diving rules and the platform diving rules. In springboard diving, six dives should be completed by men and five by women. During the contest, one dive must come from five different categories, forward, back, reverse, inward and twisting. Men may repeat one of the categories for their sixth dive, but women may not. In platform diving, the rules are that dives for both men and women can be of any difficulty level. Both men and women must complete dives from at least four different categories with at least one of the dives being forward facing.

Now, you know more about Olympic diving's history, famous athletes and its rules. I'm sure you know more about Olympic diving now than you did before.

TREASURE HUNT

It was going to be Pete's birthday soon. As his best friend, Ben decided to do something very special for him.

On Pete's birthday, Ben invited Pete to go hiking in Silver Rocky Mountain. Before they started, Ben secretly handed Pete a scroll and whispered in Pete's ear, "I got this scroll from a cave, and it looks like a treasure map." "Wow!" said Pete, "That's cool!" "Maybe we can find treasure from an ancient emperor," said Ben. "Really? I can't wait for one more second! Let's go!" said Pete.

According to the map, a treasure chest was buried under a huge apple tree at the mountain top, so they had to go on a long and challenging journey up there. First, they crossed a wide and deep river with a wobbly bridge. They huddled each together and tried to keep balance while crossing a bridge. Then they had to go through a silent, wooded forest. Suddenly, Ben stopped. He stared at the front and muttered, "P-P-P-Pete, what is that?" Pete took a look and gasped, "A-ah! A dinosaur!" They were so scared that their skin prickled with goose bumps from head to toe! They tiptoed closer and got a better look at the creature. It had sharp claws, pointy teeth, huge jaws, and a strong tail. Pete threw a small stone at the creature, but the creature didn't move at all. They looked at each other and decided to get even closer. Now they realized it was not a real dinosaur. It was just a sculpture! "Phew! What a relief! We were so lucky that it wasn't a real dinosaur!" said Pete.

Since Pete and Ben were so determined to find the treasure, they didn't stop to rest on the hiking trail. Soon they arrived at the mountain top and saw a tall apple tree. Fortunately, they found a spade under the tree and dug out a spaceship Lego set, a bundle of detective comics, and a note that said, "Surprise! Happy Birthday, Pete! Love, Ben." "Thanks!" said Pete while hugging Ben tightly, "This is the best and most unforgettable treasure hunt I've ever had!"

THREE PLACES I WOULD LOVE TO TRAVEL TO

I would love to travel to New Zealand, New York, and Singapore.

New Zealand is a place that I have visited before. It has a special language called the Maori language. Of course, they also speak English. Did you know there are more sheep than people in New Zealand? Yes, there are more sheep than people in this country. Also, many other animals also live there.

Try to be careful when you say the word “kiwi”! In New Zealand “kiwi” has more than one meaning. “Kiwi” usually means a kind of fruit. Of course, New Zealand plants large amounts of kiwis every year and exports them all over the world. The other meaning is a person who was born in New Zealand. We call him or her a “Kiwi”. “Kiwi” is also a kind of unique bird with a long beak and feathers that cannot fly. It is the national symbol of New Zealand.

There is lots of beautiful natural scenery to explore! Milford Sound is a very pretty place. I have been lucky to see Milford Sound when it was not misty because there is always mist there. I love New Zealand because it has an incredible culture and language.

The next place I want to go to is New York. New York is a famous metropolitan city. In New York, there are lots of people who come from different countries. So, people who live here call themselves “New Yorkers”. New York has a big park inside the city called Central Park. It took me three hours to walk from one side of the park to the other.

Let me give you a riddle to help you guess my next place: “I was bronze. Now I am green. Who am I? Yes, it’s the Statue of Liberty. The statue was a present from France to America. It is a symbol of freedom. Did you know that there is a symbol related to freedom in the statue that most people can’t see? It is a broken chain wrapped around her feet. There is a lot of popular entertainment in New York. They have Broadway shows that are a kind of musical. There are shows and musicals on every day.

The last place I would like to share with you is Singapore. It is in Asia, and it is one of the smallest countries in the world. Merlion is the lucky sign of Singapore. Merlion is a myth, and it is a half mermaid and half lion.

The first stop you should visit is the Singapore Botanic Gardens. The Gardens showcase the best and most spectacular tropical flowers set in stunning verdant landscapes. It is really amazing! When you step into the gardens, you will find it just like being inside “Alice in the Wonderland”.

Are you feeling hungry? It’s lunch time! What do you want to eat? The Hainanese chicken rice and the ‘Bak Kut Teh’ are the best choices. ‘Bak Kut Teh’ is a kind of pepper soup, and it tastes yummy. Both the dishes are traditional Singaporean food.

Would you like to visit these three places someday?

A SECRET HIDDEN TREASURE

It was a hot, hot day and it all began with a young girl called Jasmine. She felt bubbly and excited even though the temperature was enough to make her feel like someone had just set her on fire. But Jasmine had something to do today; and that was to attend a treasure hunt held by her friend.

Jasmine skipped along the stone path to reach her friend's house. Beautiful pink, purple and blue flowers greeted her, and the lime-green grass waved delicately in the breeze. As soon as she knocked on the door, a voice said, "Are you Jasmine?" "Yes! Can you let me in please?" The voice paused. Then, it answered, "Okay." The door swung open, and Jasmine's friend bounced out from her room. "Well, hello, Jasmine! Are you hungry? I'm starving!" "Hi, Liana. I just have a few questions to ask you which are –" Liana barreled on, "Let's go get some chocolate-chip cookies. They are on the shelf up there." Liana waved her arms about, but she couldn't reach the jar. "Mum!" Liana hollered. A very skinny woman walked out of the kitchen and placed the jar on the coffee table.

"Thanks," Jasmine said as she munched on a cookie, "but where are we going to have our treasure hunt?" Liana sighed. "My mum told me that we'll be doing the hunt in a thousand-year-old cave. I read books about it back at school." Jasmine knew that it was going to be very creepy. "It must have been there since the age of the dinosaurs," Jasmine joked. Liana giggled, "No, silly! They died out millions of years ago."

The treasure hunt began, and they walked toward the entrance of the cave. A cold shiver ran through Jasmine's spine. "Come on! This is the first time my mum has let me find real buried treasure!" They slinked inside and then crawled through a narrow tunnel. It looked like somebody had poured the night

sky all over the cave. Moonlight filtered through the cracks on the ceilings as Jasmine heard a wolf howl. Some dirty water dripped down from above, making a 'pitter-patter' sound. The flashlight that Liana had given her grew dimmer and dimmer. When she saw Liana dive into a river of water, she paused. "Why is there water in here?" she thought, feeling confused.

As she splashed into the water, Jasmine dived deeper and opened her eyes. Deep channels of water flowed into a gigantic river. She floated up back up to the surface. The water blocked her eyes. Jasmine wished she had the wings of a dragon, so she could spread them open and float. The coldness of the water started to sink into her body.

She decided to go limp and the ripples pushed her up against the surface which helped her cut through the water as fast as a cheetah. Jasmine hopped out of the water and saw Liana glancing around at a sparkling cave. "Oh, wow!" Jasmine thought, her breath taken away. All around, she saw rubies, diamonds and sapphires reflecting off the cave walls and some deep-purple colored oysters were filled with milky-white pearls that shone in the dark. Shards of blue crystal poked out from the floor. Amber shone from deep cracks within the cave. "Here are some really sharp scissors." Jasmine handed Liana a pair and started pulling pearls out of the oysters.

When they finished, both Jasmine's and Liana's baskets were full of gemstones. They knocked on the door, and Jasmine's mom poked her head out. "Come in!" she said. As they sat down, they showed their mom's the baskets full of rubies, sapphires, diamonds, pearls and amber. "Wow! How pretty and shiny they are! Great job!" the moms said. "I told you it wasn't going to be creepy and scary!" Liana said as she smiled at Jasmine.

AUDREY AND THE TALKING CHAIR

Once upon a time, a talented girl named Audrey was making fun of an ordinary girl named Allie for being so dull and untalented at everything.

“Do you even have any special talents?” Audrey asked with a shrill laugh. Allie ignored her and continued working in her tiny little hut.

Prince Clark put out a proclamation to find a considerate girl to be his wife. He sent out a task which was to hand make a chair in four days for his six-year-old brother. Every princess and girl from miles around tried to take up the challenge.

Audrey had unbelievable talent and ingenious woodworking skills. She could create the world’s best furniture. She confidently started making the chair. But eventually her fingers started to hurt and she muttered, “My fingers are aching to death.” At this moment, a thought flashed into her brain. She decided to bluff her way by secretly buying a new chair from the market and thus cheating.

Meanwhile, Allie worked tirelessly on her chair, her hands scratched by using the most effort she could. She did not create a stunning chair, but it was definitely one of the most delicate and unique chairs around, full of love and meticulousness care.

At first sight, Prince Clark and his brother were amazed by Audrey’s chair. They were impressed by its magnificent and exquisite appearance. But when his little brother sat on it, it spoke saying, “Who’s so rowdy there?” and threw the little boy out. Audrey was speechless and full of regret for what she had done.

In the end, Prince Clark had a word with his house fairy about Audrey whom she turned into a carpenter’s elf. Audrey flitted around the castle helping with all the furniture maintenance, forever and ever. Prince Clark married Allie, and they lived happily ever after!

I like to write and let my mind choose us as it might
My brain and soul can do this every single night
It could be incredibly good unless

MY PET PEEVES

"A pet peeve is something that a particular person finds especially annoying." After reading this quote, I am reminded of all of my infuriating pet peeves. They make my brain explode like the big bang. They are far worse than riding Takabisha, one of the most dangerous, nerve-racking roller coasters on EARTH! My pet peeves are mosquitoes and masks.

My first pet peeve is disgusting, and they are creatures made by the devil! They are mosquitoes and insects. When did they become my number one enemy? Well, it all started when I was in my classroom concentrating on my math lesson and taking notes. Suddenly, a fly swooped into my face. I slapped it away, but the teacher looked at me and said, "Caleb, did you hear what I said?" My face turned as red as the blazing sun. That's when it became my pet peeve.

I also HATE their buzzing sounds!! It is like a forever looping radio programme, playing the same buzzing sound over and over. Don't get me started on when somebody starts engaging in that behaviour!!! I always see my brother acting like a fly at home!

I also encountered this foul beast before. It all started in my nanoscopic room. I had just had dinner and was reading an action packed book and munching on some scrumptious apple. Then, I heard a familiar, ear-shattering buzzing sound. I turned quickly and saw a fly on my bookshelf. It stared at me like it was taunting me, daring me to kill it. I took the bet. As fast as a cheetah going full speed, I grabbed a tissue and tried to smash it. But it skillfully landed on my scrumptious apple, making it dirty. I screamed in rage. On the other side of the wall of my room, I could hear my obnoxious brother say "BE QUIET!".

My second pet peeve is masks. They are anti-breathing machines, making me unable to breathe in their presence. It is like being in space without a space suit when I wear them. It became my pet peeve in 2020 at the height of the pandemic. I hate how stuffy and itchy they make me feel. I become a pot of bubbling boiling water even though I have to wear it for only one second.

I had another bad experience with masks in my Taekwondo lesson. I had a hard time concentrating because of my itchy mask. I found myself turning into an angry queen demanding her food to be served. The worst part was that my mate kept staring at me as I scratched my nose. Even the coach stared at me like I was a maniac. I was like a volcano about to erupt! Worse still, my brother said to me after the lesson, "You should really stop scratching your nose. You're embarrassing me!" I wanted to punch him to the moon when I heard him.

These are my pet peeves. Do not dare laugh or make fun of me, or else I will turn into a drugged rhino and chase you all the way to India!

MY PET PEEVES

Do you have any pet peeves? Well, I do. It is like the worst thing ever. Extremely irritating like a pesky itch that never goes away. I chose to share two of my pet peeves that are the most annoying and disgusting. I hope that you can also tell me what your pet peeves are, and I promise I won't tell anyone. Ha! Ha!

The first pet peeve is slow internet, and I think everyone agrees that it is annoying. I feel enraged that I cannot watch a trendy video smoothly due to laggy internet. It often happens at my home, and it normally happens almost every day.

Every single time, I will be as enraged as a fire dragon blowing fire when I recall that moment. Let me share the story before I scream in fury. It all started on a placid, peaceful day. I was sitting on my chair, glaring at my computer, acting as enthusiastically as a Christmas elf on a break. I was watching a famous YouTube video, but suddenly the screen turned white like fluffy snow. I was a pot of overflowing boiling water. The video was loading, and I was so annoyed because the video was so popular, and I did not want to miss it! I tried to tap the mouse to make the video load. However, it still did not work. I became the Queen of Hearts waiting for the food to be served.

All of a sudden, I slammed the mouse, and I thought it was done with loading. However, I was wrong. It still did not work. Then, I tried to use my phone to watch it. When I turned YouTube on, my mood turned worse. I saw the four dreadful lines. You know what I mean? Yes, the Wi-Fi was such a naughty kid who was trying to annoy me. I was so annoyed that I tried to stomp my feet like an enormous giant. I was a maniac who wanted to murder the Wi-Fi. Lastly, I gave up. After this experience, I really hate laggy Wi-Fi. I hope that it will disappear.

Next, I will share my second pet peeve - nose pickers. I think they are really disgusting and a bit bothersome because

nose picking will disturb other people. It will spoil our appetite. Nose pickers are everywhere in my school. I often see this once a week which makes me want to quit school. I see my classmates doing it, and it makes me want to vomit. Let me share one of my experiences with you.

On a cheerful day, everything was fine and peaceful. I was having recess and enjoying some scrumptious snacks. I was as joyful as a puppy. But at that moment, I saw a boy who looked as handsome as a prince riding an adorable horse. When I was dreaming about that boy, he put his finger into his nose, and the finger started rolling around his nostrils. I was so furious! I became a towering dragon spurting fumes of lava and ash because that boy's action was so gross. My face became a red tomato, and my head became a volcano about to erupt. I thought that boy would stop doing the action, but I was totally wrong. He did not stop but he kept on picking his nose. I started charging at him like a drugged rhino. I could not calm myself down and walked beside him. I said, "Can you stop your action? Do you know that it will disturb other people?" But the boy answered, "I was just picking nose. I did not do anything wrong." After hearing his explanation, I was so cross! My face was like a monkey's red butt. I thought to myself, "That boy is actually a sneaky monster. I hate him!" I was like a powerful cannon, ready to throw a bomb at him. I was as delighted as a fish swimming in the sea after telling a teacher on him because I could eat my snacks finally.

So now you know what my pet peeves are. I think they are the worst things in my life. I hope your pet peeves are not as bad as mine!

SIN Wang Ho (5C)

MY PET PEEVES

Do you know what my pet peeves are? Yes, you are right! My two pet peeves are unfair older siblings and YouTube advertisements. At first, you might think it cannot be that bad. No! You are one hundred percent wrong. It is so annoying that you might turn into a furious beast. Trust me, you will hate these pet peeves after reading this.

So my number one pet peeve is unfair older siblings or cousins. I have an older brother named...let's just call him "Desmond". When I was really young, he used to bully me all the time. However, I do not precisely remember all of the times that he bullied me because I am a dumb goldfish. This pet peeve does not happen so often now as he is really old now. He has an adult mind now so he does not like to be immature or bully me.

I have had this pet peeve since I was around six years old. I am going to tell you my worst situation. One day after school, I was playing with my Lego, then Desmond took my Lego blocks and we started to argue. As the argument went on, Desmond decided to solve the issue with violence and scratched my face. His finger nails went so deep into my face that he nearly pulled a piece of meat out of it. My face was a blood waterfall. I have a scar that is as big as an elephant. I am exaggerating a bit.

Do you think my number one pet peeve is annoying? Well, buckle up, buckaroos because I am about to tell you my second pet peeve. I believe that all of you know what YouTube is. If you do not know, YouTube is an app that you can use to watch videos, but there is a twist! When you are watching a video on YouTube sometimes an advertisement pops out of nowhere and stops you from watching. Isn't it annoying? It has been my pet peeve since I was nine years old. This happens to me and my friends a lot.

Once, when I was watching YouTube on my brand new

Samsung HD television, an advertisement suddenly popped up, and my brain was like, "Hmm, it's just one advertisement. No need to be angry." Then, more advertisements were popping up after the first one, and my brain was as frustrated as an erupting volcano. The video I was watching finally continued, but then another advertisement popped up again. It was like an advertisement ambush. My heart was raging with anger.

My two pet peeves "annoying siblings" and "YouTube advertisements" are duos of destruction. They have made my life incredibly worse! Trust me! Your brain is going to explode like a nuke if you face these situations. The best thing to do, when you have these situations, is to lock yourself in your room, close the curtains and lay on the bed, and meditate or have positive thoughts. Your room is as peaceful as a paradise!

MY PET PEEVES

If I ever read this writing again, I will instantly turn into a volcano erupting blood-red lava! Do you know why? It is because it contains two of my most loathed pet peeves - slow Wi-Fi and selfish people!

First, let me talk about my first pet peeve - slow Wi-Fi. I am sure almost everyone has this dreaded pet peeve. I mean, isn't it so frustrating when you want to relax with a YouTube video when suddenly - the screen goes as white as a layer of snow? It immediately angers me when this happens, especially after I finish all my tiring homework. This became my pet peeve when I started watching YouTube, and it still happens almost EVERY SINGLE DAY!

The most aggravating experience I have ever encountered was on a gloomy Friday afternoon. I had just finished my work and was about to watch a fascinating YouTube video. However, once I clicked into the video, the screen was like my glasses settling from a cold to a warm environment. The video could not load. I was already feeling irritated since I am a very impatient person. I reconnected my computer to the Wi-Fi immediately and continued watching. However, the joyful feeling did not last long. Right then, the loading icon popped up on my screen. I was furious and slammed my computer's cover down. I tried it with the TV as well, but with no luck. YouTube loaded for 20 minutes straight. UGH! Why, oh, why, can't YouTube work without Wi-Fi? The internet was as time-consuming as the tortoise from *The Tortoise and the Hare*!

My next pet peeve is even more unacceptable. It is selfish people who only care about themselves! To give an example, there is an ear-deafening girl in my gymnastics class. I often see her roaring on the shuttle bus to Tsing Yi, and it happens around twice a week. It became my pet peeve two years ago. Pretty insane, right? But honestly, I do not know how she has this horrendous behaviour. It makes me disgusted when she screeches for her aunt to be quiet, laughs at us when my friends and I do not have seats on the bus, and COMPLAINS, COMPLAINS, and COMPLAINS every time I see her! Also, to make her even more unbearable, all she does is snatch her aunt's phone to play games and glare viciously at others even if they take a minuscule peek!

Let me share with you my most "memorable" experience with her. Three of my friends and I were on the bus on our way home. Since the bus was overflowing with passengers, we had no choice but to squeeze into two seats. The bus had just started to leave the bus stop when I heard a shrill voice blabber behind me, saying, "Look, Auntie! It's hilarious! Those girls actually have to share seats!" We turned around and prayed that it was not her. Unfortunately, it was her! She was a TV blasted on full volume, still bragging about how she could have a seat by herself. Immediately, we turned into serial killers, ready to squeeze her eyeballs out. However, she thought we were jealous or something, so to make us more enraged, she snatched her aunt's phone and started playing a game. Then, she gave us a vicious glare and squealed loudly whenever she got an outstanding prize. My friends and I tried so hard to ignore the noise, but her voice was like an irritating mosquito bite! She was so bothersome!

So, now you know my two pet peeves - slow Wi-Fi and selfish people! If you dare act like that in front of me, I will turn into a ferocious lion, ready to gobble you up for a snack!

DOUBLE WIPEOUTS TAKE TWO SOAKED AND BRUISED

By Torres Chan

A Mercedes-Benz SLS, belonging to Joe Pufferson, rammed head on into a Toyota Camry, owned by the victim, Glydia Sootkins on Highway 125 yesterday.

Officer Sam Dickens reported that Joe Pufferson, 20, was texting while driving, ramming into Glydia Sootkins, 68. The heavy rain also resulted in poor visibility. Both cars shunted into the side barriers, and eventually, the force of the scraping broke the barriers. This resulted in both drivers diving off into the sea.

Both drivers were rushed to the North Lantau Hospital immediately. Doctor James Sukonut announced, "Pufferson has suffered from serious brain damage, and Sootkins has fractured all of her leg bones."

Daniel Rastley, a witness reported, "I was driving to the airport for a flight to Ukraine when suddenly, an SLS stormed out of the junction at around 100 mph. Then, I saw it ram straight into a Camry. Both cars skidded along the highway and dived right off! Moments later, I heard a huge splash! It was horrifying!"

Another witness, Jaxon Gramsay cried, "I was having my morning drive when I saw an SLS blitz right past me! Before I could say anything, I immediately dialled 999!"

Pufferson's son, Jim Pufferson sobbed, "I was waiting for him to pick me up until I found out what happened! Thank God he didn't drown!"

Courtney Geller, a judge reported that Pufferson will be sentenced to a 3-month jail term at Shek Pik Prison. He will also be fined \$1,000,000 to repair Sootkins' car.

Tow trucks, officers and firefighters immediately arrived at the scene to clean up the debris.

Police chief Jan Flinko reported, "Pufferson exceeded the speed limit of 120 mph. Sootkins was driving at the limit, but Pufferson eventually rammed into her."

The Fire Department used grabbers to pick up debris and all of the broken car parts. The Transport Department checked the car damage and debris and reported that only a few street lamps and side barriers were destroyed.

Both cars had received huge dents, scrape mark and damaged engines and fuel systems.

There were no other injuries or fatalities that occurred that evening. Highway 125 was closed from 6:09 p.m. until 7:09 p.m. for a clean-up.

Previously, a total of 69 accidents happened on the highway over the past ten years, one of which involved a bus, which crashed into the bridge causing 365 fatalities. As a result, Highway 125 has been nicknamed "Highway of Hell".

Mr Peters, Head of Transport Department reported, "The Transport Department has decided to shut down Highway 125 in favor of a brand new train line linking Lantau and the rest of the city. All drivers will need to use Route 12 to get to Lantau."

Currently, Pufferson is locked in jail and Sootkins has been discharged from the hospital. The police continue to investigate why the highway is a major traffic black spot.

CAR CRASHES INTO SUPERMARKET

HONG KONG – At 3 p.m. yesterday, a car crashed into a local supermarket in Mei Foo Sun Chuen, causing three deaths and six casualties.

The driver of the vehicle, Mark Tang, told the police that he had suddenly lost control of the vehicle, and the brake had stopped working. Not wanting to slam into the civilians crossing the streets, he decided to take a hard turn. The vehicle then crashed into a crowded supermarket, causing severe damage to the shop.

Five of the casualties had experienced serious injuries, and two of them are still in great danger.

The last victim, Angie Chan, a 6-year-old girl, only experienced a minor concussion due to tripping and landing on the back of her head. They were all sent to the nearest hospital, Ruttonjee General Hospital.

The young girl, Angie was interviewed after she was healed. She claimed that the vehicle came out of nowhere. “I was picking some chocolates from the shelves, but then the car suddenly came in! The car knocked down some shelves. Thankfully, I didn’t get hit, but then I slipped on something, and I tripped and hit my head! I don’t remember anything after that though,” cried Chan.

An eyewitness, Mr. Lee, a primary teacher, explained to the police officer, “That car suddenly turned and crashed into the supermarket! It gave me quite the fright. I almost fell to the ground.”

Another eyewitness, Miss Chan, called the emergency number two hours after the crash. She claimed that she was a friend of the driver who crashed into the supermarket. “I saw my friend’s traumatized face. He looked like he didn’t do it on purpose. I believe he’s not the type of person who would do such a thing. That’s why I don’t think it is his fault. He has a kind heart,” explained Miss Chan on the phone.

Miss Chan also stated that she could not call the police beforehand since she was so traumatized by what happened.

Now, the police officers and authorities are still discussing the case. The driver, Mark Tang is going to court on January 26. Other eyewitnesses are encouraged to call the emergency number to tell the police more information about the case.

DRIVER USES DRUGS, 1 STUDENT DIES

The crash happened around 7 a.m. on Thursday. A black Toyota Prius lost control near Nathan Road. It ran onto the pavement and knocked down four students.

Last Thursday, a Toyota Prius lost control near 123 Nathan Road. According to the police, the driver had been seen driving at the speed of 100 and 70 kilometers per hour which was completely off the limit. The car lost control, crashed into the tail of a taxi, and ran onto the pavement next to Happy Cafe. It knocked down four students who were walking on the pavement.

The senior police officer explained, "The driver, Mr. Chan, had been tested and proven to be using marijuana which is a common drug that causes car accidents."

Another drug expert added that marijuana can cause hallucinations which usually makes the driver think that he is in danger or people are chasing after him and makes the driver want to escape by driving ridiculously fast. The police found seven boxes of marijuana in the car that cost around 600 to 700 dollars.

The four students were seriously injured and were sent to Shek Mun Hospital and Shatin Hospital respectively. All four students were sent to an operating room immediately. One student, Peter Parker was pronounced dead around 11:30 p.m. and others were sent to the ICU. One student exclaimed, "We were discussing something about our PBL project, and all of a sudden, the car knocked us down."

A seventy-year-old woman who was shopping nearby when the incident occurred exclaimed, "It was super scary. The car was zooming around briskly, and then it crashed. I'm still scared now!" She described that the accident happened super fast, and it scared everyone near the crash site.

Another man who was walking on the pavement commented that he was super lucky. He almost got hit by the car. He also blamed the driver for driving super fast.

The three students are stable now and able to walk. The driver, Mr. Chan, is facing critical charges such as drug driving, speeding and dangerous driving causing death. He will also lose his driver's license.

DRUNK DRIVING INJURES 4 PEOPLE ON TOLO HIGHWAY!

Two cars collided and injured four people on the Tolo Highway at about 5 p.m. yesterday.

A witness called Ms Wong claimed, "I was driving my car normally. Then, a zooming car rushed by. A second later, I heard crashing sounds!" Peter Chan, who was injured, also croaked, "I saw the car speeding and kind of lost control!"

It was drunk driving that caused the accident. The police gave Mr Pang a breathalyser test and he failed it.

However, Mr. Pang made an excuse that his car malfunctioned. "I think this is an unforgivable lie," commented Leo Chan, a first responder, "I saw what he looked like when the cars crashed. His face was red, and he was muttering weird words."

The accident injured Mr. Pang, Mr. and Mrs. Chan and their child. Mr. Pang broke the bones on his left arm. Mr. Chan's head was heavily bleeding, and he is still unconscious in the hospital. Mrs. Chan is in good condition, but she had a headache because she bumped her head on the driver's seat. Their child, Leo Chan's nose was bleeding and his eyes were reddish. He reported that he was scared when the cars crashed. He also claimed that it was the worst day in his life.

A teenager, who lived in Royal Ascot, Donald Yip explained, "When I was studying, I heard an ear-splitting noise from below. Then I saw smoke coming out from two cars down at the highway! I couldn't believe that I heard a car crash on the tenth floor! I knew it must be extremely serious, so I called the emergency number." Another witness called Mr. Cheung reported that it was the first time he saw a car accident near Fo Tan.

According to the witnesses and police officers, Mr. Pang drove his car when he was drunk. His car swerved, lost control, dashed to the opposite lane, and collided with a car that belonged to the Chan family.

Mr. Pang will appear in Sha Tin Court next Monday for his dangerous driving hearing. The Police Superintendent announced that there have been 45 cases of car crashes so far this year. He reminded the public that everyone should drive carefully and cross the road safely.

DRUNK DRIVER CAUSING FATAL DEATH IN MANCHESTER

An allegedly drunk driver crashed into more than five cars, set some of the cars on fire, and knocked down many pedestrians in Manchester last evening, leaving them with serious injuries. The Mitsubishi Building was on fire.

Police officer, Keith Haring, from the Central District reported that a crash happened at Lockman Road, in front of the Mitsubishi Building just after 6 p.m. yesterday. The pavement was wet due to rain. The Lockman Road was crammed with pedestrians and cars. A 70-year-old man was dead after being hit by the vehicle, and four passers-by were severely injured.

A 23-year-old driver, Peter Lou, was driving his Tesla Model X at high speed on the way to the spot. Lou lost control of his car, and crashed head-on into the parked cars outside the Mitsubishi Building. At least five parked cars burst into flames after the collision. The blaze engulfed the cars and spread quickly to the Mitsubishi Building.

Mr. Haring added, "The driver escaped from the car before crashing. His arm and leg were slightly hurt. A paramedic bound up the wounds with bandages. The driver is suspected of drunk driving."

"Including this case, six men have been reported for drunk driving offences in just three weeks. Drunk driving will not be tolerated. It is a selfish act which puts the safety of every innocent road user, including passengers, drivers and pedestrians, in

danger," he continued.

The firemen rushed to the scene. They deployed fire hoses to put out the fire and stopped the fire from spreading.

The Chief Inspector, James Kong revealed, "The fire spread to other cars parked along Lockman Road. The blaze quickly spread to Mitsubishi Building and generated dense smoke. The blaze gutted the first floor and slightly damaged the second floor. We took 30 minutes to control the fire."

The Fire Services Commander, Jeremy Eric reported that all the residents in the building and passers-by were evacuated to the shelter at Lion Garden that was at the junction of Lockman Road and Kings Road.

A paramedic, Ian Kan, announced that a 70-year-old man was certified dead near the scene and medics covered his body with a red blanket.

A man, aged 50, suffered serious head injuries and was unconscious when he was taken to St. Teresa Hospital for treatment, according to the police.

Another three pedestrians, two males aged 25 and 35 and one female aged 28, also sustained injuries and were rushed to St. Mary Hospital.

The spokesmen of St. Mary Hospital, Kaylee

Rose, stated that one man, aged 50 was critically injured. He suffered multiple fractures from the crash. Another man and woman were described as being in a stable condition.

"I was just passing by. I was stunned when I saw the accident. It was so scary," Fudge Wesley, one of the witnesses said, "the car suddenly lost control and smashed into the parked cars and the pedestrians. Many pedestrians screamed."

Frank Evans, another witness added, "There was a big noise. It was like a huge bomb!"

Marcus Duncan, one of the residents of the building gasped, "I was sleeping in my house. I heard a loud crashing sound, then heavy smoke came from the window. I ran out of my house and called for help at once."

An officer from the Buildings Department, Leo Lee, inspected the building after the incident and announced, "Despite damage to the first floor, there is no structural damage to the building."

The building did not sustain structural damage. All the residents could return to the building after the inspection by the Buildings Department.

Anson Cole, the security guard of the Mitsubishi building remarked, " Luckily, the blaze did not spread up into the building. Otherwise, there would be a disaster."

The scene was not an accident black spot. Police have cordoned off the area of the accident in Lockman Road for further investigation and towed away the burned vehicles.

The traffic queued up to about 400 meters from Lockman Road to the end of Lincoln Road. The Transport Department announced that the closed section of Lockman Road would reopen, but traffic queues took much time to disperse.

The driver could not pass the screening breath test, and was arrested for dangerous driving and careless driving causing death. He will be remanded in custody overnight.

Drunk driving is a serious criminal offense and will cost a maximum fine of HK\$25,000, up to three years' imprisonment and ten driving offence points. The police department recommended citizens, "If you drink, don't drive!"

ONE DEAD, TWO INJURED IN CAR ACCIDENT ON SCIENCE PARK ROAD

A car accident killed one elderly person and left two injured on Science Park Road yesterday.

The driver was a 42-year old celebrity named Mack Chan. He failed the breathalyzer test. His family mentioned that he had mental problems. He was sent to Union Hospital and will be sent to the court subsequently. The driver was the only person in the car during the accident.

The female and the elderly person were standing on the sidewalk, waiting to cross the street. A witness's dashcam footage showed that the driver was drunk driving, speeding and rammed into the pedestrians. The government and police reiterated that drunk driving can be very dangerous and may even lead to death, and hoped that such accidents would not happen again.

The road was a bit wet as it had rained two hours before the car accident. However, experts believed that it was the driver's problem which caused the accident since the number of car accidents happening previously on that road was not substantial. The road was blocked for around 30 minutes, causing some traffic jam.

The driver roared, "I just bought my car, and now it's broken. I need to buy a new one again." The driver's family apologized for what Chan did and hoped that everyone would be fine.

A witness explained, "I was on my way home when suddenly, I heard a big boom. I was really scared and shocked. I noticed

the car crashed into the pedestrian and the shop. The victims were badly injured, and so I pulled out my phone and called the ambulance."

The 16-year old female was rushed to Kwong Wah Hospital and was seriously injured. The 83-year old elderly person was fatally injured and was certified dead in Union Hospital at 3:21 a.m.

The elderly's family cried, "We were still having lots of fun this morning. I can't believe that he has passed away." The hospital mentioned that they had tried their best to save him but were not successful due to severe injuries. The head nurse apologized for the family's sudden loss.

The policemen and medics arrived at the scene moments later. The police cordoned off the affected area with police tape. The vehicle is known as the Tesla Model X and is totaled.

A shop was destroyed and the shop owner exclaimed, "It is okay that the shop is damaged. It can be fixed very easily. However, I truly hope that all of the victims are all right and can recover soon."

After all of the victims had been sent to the hospital, the policemen collected some clues and evidence that might be useful. About half an hour after the policemen and medics had left, a cleaning company came to clean up the scene.

FRIENDSHIP

Friendship is an important part of our lives. It helps you grow, flourish, and become a better version of yourself. There are three different types of friendships, and personally I value friendship of the good the most.

Friendship of the good is most important to me although the others are also important. I believe that this is the most genuine and realistic form of friendship. True friendship is hard to come by these days. Most people, like friendship of utility, may just be willing to be your friend as long as they can profit off you.

What separates the friendship of the good from the other two, is that your friends care about you no matter what. They wouldn't care if you couldn't help fulfill their needs. All that matters to them is you. The same should be said for us. Friends should be made purely because you like that person and you consider him or her someone you can trust. A state of enduring affection, esteem, intimacy, and trust exists between two people.

Friendship of the good also means that the friend stands up for you. When others try to hurt you emotionally or physically, they do everything they can to help. They don't care who is trying to harm you; they will defend you anytime, anywhere. If they can help you, they'll do it without reservation or reward.

I treasure friendship of the good above the others because to me it's the most sincere kind of friendship.

TIME TRAVEL – ROME

Today I have constructed a time machine to go back in time. I now have the chance to go back anywhere in the past, a great opportunity to study the past.

I would like to go back to the time of ancient Rome to see how the Roman empire had fallen. First I typed in some coordinates, then I selected the year, and with a click of a button I entered the time of ancient Rome. When I was in Rome, the first thing I saw were great quartz pillars; they were as tall as a fully grown giraffe. The pillars belonged to one of the world's most eye-catching structures, the Colosseum. It was most definitely more polished than the one we have in the present.

At that time there was a battle between two mighty gladiators. Surely I had to see the event that was going on, so I sneakily tip-toed behind the guards and into the stadium. If you saw the inside of the stadium you would even be questioning why no one has died of suffocation; it was so crammed inside. Luckily I found a seat in the top row. Personally, I thought the battle was full of glory, and I thought that slaves who have equal human rights should have the right not to fight.

I learned that day the people of the past were blinded with excitement. I guess that's why so many people went to the Colosseum to see people fight to their death. I sure am glad that the people now were not the people then. After I left the Colosseum I wandered around the great city of Rome. Every street there was always full of life and lined with street stalls. In the streets, you would see street stalls, politicians, people, guards, and so much more.

Then I went to see the Temples of Baalbek. They had great structure. They had pillars supporting the roof, and they had walls inside near the pillars which is the main part of the temple. These temples are for worshipping Gods like Jupiter.

Suddenly people started running for their lives, screaming in fear. They were shouting that the volcano had erupted! Now I remembered that there once was a giant volcanic eruption that happened in ancient Rome. Then the ground started to rumble like an earthquake. Lava started to flow slowly through the streets, and that's when I rushed through the streets before lava could destroy my time machine. Then just at the nick of time, I traveled back to the future and I was home.

TIME MACHINE- EGYPT

My time machine can take anyone to any time in history. This time, I am searching for the myths of Egypt, so I traveled back to BCE 5000.

I love Egyptian myths about Gods and others. You might be thinking - are the Egyptians a copycat? The Greeks have myths too! But you're wrong. The Egyptians were one of the first civilizations, and the myths are actually their own culture. Greeks are not copycats; it's just that every civilization wanted to explain scientific things before science was known.

These are the main Egyptian Gods: The Sun God Ra, the first king of the Gods; the Magic Goddess Isis, wife of Osiris, her brother and the God of Dead; Horus, the War God, son of Isis and Osiris; Seth, the God of Evil, brother of Osiris and Isis; Ptah, the God of Creation; Hathor, the Goddess of Motherhood and Fertilizing; Anubis, also the God of Dead; Thoth, the God of Knowledge, Writing and Wisdom; Bastet, the Cat Goddess; Shu, the God of Air; Nut (I kid you not), the Goddess of the Sky; Geb, the husband of Nut and the God of the Earth; Lastly, Khonsu, the God of Moon.

Each God has their own story like Isis the Magic Goddess. I just witnessed her plan working out. She was weak, but she found a way to make herself powerful; she sent a serpent to bite the Sun God Ra, the King of the Gods. The serpent's poison could only be cured by Isis herself, but she demanded a price - to learn the true name of Ra. Ra needed healing, so he told her his true name. After that, Isis's power increased so much that she made Osiris the king. What she didn't know is that Seth would kill Osiris and become the

king himself. I almost felt sorry for that order-a-snake-to-bite-the-king lady.

Everything I need to know about just happened before my eyes, so I can't even believe it. But the trip was too short for me, so I decided to explore Greek myths. These are the 12 Olympians:

Zeus, the king of the Gods; Hera, the Queen of the Gods; Poseidon, the God of the Ocean; Athena, the Goddess of War and Wisdom; Ares, the God of War; Aphrodite, the Goddess of Love; Artemis, the Goddess of Hunting and the Moon; Apollo, the God of the Sun and twin of Artemis; Dionysus, the God of Wine; Demeter, the Goddess of Agriculture and Cereals; Hermes, the God of Messengers, Travellers and Stealth, and lastly Hephaestus, the God of Blacksmith, Craftsmanship and Fire.

Similarly, the Olympian Gods have lots of stories. I literally saw the evil king Kronos. Brrr, he sent a chill down my spine! Originally, the Olympians were only the children of Kronos - Zeus, Hera, Poseidon, Hades, Hestia and Demeter. But Kronos was afraid of his children stealing his throne, so he swallowed every child that was born, except Zeus. His mother - Rhea took him away from Kronos. Zeus grew and saved his siblings. They raised Mount Olympus, and engaged in a war against Kronos. Alas, Zeus killed Kronos, shattered him into a million pieces, and cast him into Tartarus, the God of the Pit. I wonder why all myths have bad endings.

These are all the places I had travelled back in time to. Egyptian myths fascinate me most!

LETTER FROM WOLFIE TO THE THREE LITTLE PIGS

Dear Mr Eldest Pig, Mr Middle Pig, and Mr Youngest Pig,

Hello, I'm Wolfie. Yeah, remember that Big Bad Wolf who supposedly blew down all of your houses except one? Yep, that's me. Or should I say, that was not me. I'm writing this letter to you because I've been blamed for someone else's actions. Now I'm in jail while they aren't.

Before you laugh and walk away, please, listen to me. I've only got so long. And if you finish reading this and think that I'm telling the truth, then please get me out of jail and send the real culprit back into his rightful place.

Alright. So the story starts off like this. I was minding my own business in my house. I saw through the window that Mr Eldest Pig- forgive me for being too formal, I still do not know your real name- had just finished building his house. It was made out of straw, as you would remember. I thought it was quite a nice house, and I've never had neighbours, and that's why I wanted to come over and say 'Hello' and maybe give you some constructive criticism.

Unfortunately, my twin-brother saw me and decided to ruin everything. You see, I actually had a twin brother. He looked exactly like me, sounded exactly like me. Basically was a replica of me. He has hated me since the moment we were born. Nobody knew of his existence as our parents didn't like him and favoured me, but he had always tried to ruin my day. All the bad rumours I got were all about him. It's just that people got everything mixed up.

He apparently thought it was the perfect chance to blame me. He pushed me away hard, and I fell onto the floor, dazed. Then my twin ran over, knocked on the door, and when Mr Eldest Pig refused, he gave his best imitation of my voice and blew the house down. I would never do such a thing.

Of course, Mr Eldest Pig ran away, screaming to his brother's house. I had gotten up and was just about to apologize, when my twin beat me to it. Since the windows on your house were small, I guess you couldn't see me in the background. He blew the house down again, and Mr Middle Pig and Mr Eldest Pig of course panicked and ran to Mr Youngest Pig's house.

By then, I was so furious with my brother that I knocked him unconscious. It wasn't like me to do such a thing to hurt others, but he had gone too far. Destroying people's homes was unforgivable. I was going to hand him over to the police, but I decided I would apologize to you three pigs first.

I hid the unconscious body of my twin back in my house, knowing that people would immediately assume that I was a murderer if I left him out in the open. I locked the door, so that my brother wouldn't be able to get out lest he awoke. Then I went over to Mr Youngest Pig's brick house.

I knocked on your door, but I wasn't able to get one word out before you guys spotted me and yelled, "Go away! Haven't you ruined enough houses?" I tried to defend myself, "I-" "Good luck trying to blow this house down!" Mr Youngest Pig laughed.

I felt offended, and I was angry. I was desperately trying to calm myself down by taking deep breaths, but I guess the reporters took my red face and huffing breaths as an attempt to blow your house down. I was taken to prison for property damage, and my brother got off scot-free.

Now that you've heard my story, I guess it's your turn now. Do you trust me? Or are you still so blind? I do not know, but do accept my sincere apologies that I could not stop my brother.

Yours sincerely,

Wolfie.

Dear Sir/Madam,

I am Joe Joe Cheung. I went to your restaurant last week, and I am here to write a complaint about your restaurant.

It was the 13th of September, 2021, and the first thing I was greeted with when I went into your restaurant was the thunderous sound of a raging river emerging from your speakers, and that is what your staff called peaceful, calm scenery music. As if that was not enough, there was more to come. I ordered a chicken ramen and a sushi set, but what was served was a small bowl of half-uncooked chicken ramen with a sushi set with normal rice instead of sticky rice. Who makes this mistake? How would you like it if you were served the same way? How would you feel if you paid a total of three-hundred dollars for uncooked meat and a plate of sushi that has no sticky rice?

Next, the service – horrible! We were looking at the greasy menu when the staff came advertising a thirty-thousand-dollar seafood set with Wagyu beef and an overpriced dessert. It was absolute torture. I did not get a good meal, and I had to hear your staff advertising in front of my table! Although I love your interior and exterior design, it felt like you were insulting me for coming into your restaurant and treating me like a ‘money-making machine’.

First, I recommend having a conversation with your food management team to buy sticky rice instead of normal rice because it is more suitable for making sushi with sticky rice or the topping will fall off. There is a supermarket right next to your store and there is sticky rice for sale inside, so you could buy from there. Second, I recommend you to retrain your staff by holding a ‘Weekly Cooking Test’. You can tell the chefs in your restaurant to cook something and then taste it and try to improve their cooking skills as they had left half of my ramen uncooked. Third, for the music in your restaurant – you could either turn

down the volume of your speakers or change it to something more pleasant. Try searching ‘Peaceful rainforest sounds’ online; there must be some good nature scenery sound effects.

If these problems are fixed, I might buy the seafood set from your restaurant, and also hold my grandma’s birthday here in November. There would be twenty guests coming, and that would mean a big business, and you would earn a lot of money. I would also compliment your restaurant on social media and tell my friends to visit your restaurant. I will also be writing a good review on your restaurant. But if these problems are not fixed, I will report to the Food and Hygiene Department and tell my subscribers on social media to not visit your restaurant and post negative reviews on your web page. I would also report your restaurant to the A-news, so everyone in Hong Kong will stop visiting your restaurant. If that happens, this may be the end of your business.

Being a senior manager, I am sure that your staff will listen to your instructions and obey you to fix these problems. Knowing how you love your restaurant, I’m sure you will try your very best to fix these problems. I will expect a very high quality restaurant next time I visit. Your restaurant theme and decorations are excellent. If the food and service were improved, it would certainly be the best restaurant in town, and you would have hundreds and thousands of customers visiting.

You can contact me by phone or by Gmail. My phone number is 2222 2222 and email ID is abcdef@gmail.com. I look forward to hearing from you shortly. See you again in November.

Yours faithfully,

Joe Joe Cheung

Dear Sir/Madam,

I am Hiu Ching Lai, and I visited your Pasta Palace last Saturday. I am here to complain about the terrible service, the horrible hygiene, and the extremely expensive prices.

First of all, I was appalled by the terrible service of your restaurant. I kindly asked the waitress to serve me a mocktail along with my meal, but she kept scrolling on her phone! I asked her if she had gotten my order, and she said yes! But when my meal arrived, there was no mocktail. I asked her again, but she said that I had never ordered it! This is outrageous! How would you like it if your waitress forgot to bring your drink?

Secondly, the meal was too small. I paid \$260 expecting to get good quality in my meal. Instead, I got a measly little bowl of soup and a meagre plate of pasta. Besides that, the food was terrible as well. I still had high expectations for our food since it was so expensive, but the pasta just tasted ordinary! There were no extra special ingredients to make up for the outrageous price. How would you feel if you had to pay \$260 for a pasta you could easily make at home?

In addition, I found a spider in my soup. I was appalled by the lack of hygiene! And the waiter didn't even bring me another bowl! She simply scooped the spider out and handed the soup back to me! I was so disgusted!

Pasta Palace is a very well known restaurant. It has been blooming ever since it opened. But recently, many things have been going downhill. I believe that a dependable restaurant like yours can easily make some improvements to your restaurant. I

also have a couple of recommendations for your restaurant.

First, I want all your staff retrained, so they can provide the best service possible. Make sure they pay attention to the orders customers request. I also recommend having customer surveys, so your customers can tell you how well the staff are doing. You should also stop hiring staff like your waitress before you lose all your customers.

Next, I would like your chefs to double check all your meals before they serve it. And also please hire pest control. This could avoid further incidents about insects in food. If these changes are not made, I will tell my friends that this place is terrible and never to come here to eat ever again.

Lastly, I suggest your restaurant to add a salad, some bread, or a side dish alongside your pasta, or you could use different ingredients for your meals. Instead of your ordinary ingredients, you could use Roma tomatoes and Camembert cheese.

If these changes are made, I will host my grandmother's 90th birthday here at Pasta Palace. I hope you can achieve my goal, otherwise I will not eat here ever again.

I can be reached at abc@gmail.com. I look forward to hearing from you shortly.

Yours faithfully,

Hiu Ching

Covid's a killer
But turned to be a teacher
It's time to explain

I'm blind without friends

I realized it's heaven

Phew! Mine's fine!

Family's a ruby
Yay! Leant to take care of them
Woah! Hard, but worth it

TEACHER MR. HARDY SONNET

Shall I compare you to a generous king?
Who respects and looks after all his subjects
So powerful and wise, you know absolutely everything
In this kingdom - the classroom, you rule over all people and objects

You are an inspirational leader, so quick-witted and full of knowledge
For every question, you teach and guide us through every single part
With your unrelenting leadership, we'll surely go to college
You know and teach us everything! Math, English and Art!

But you are also a menacing tyrant, the dictator of dictators
Always yelling and shouting at subjects with homework that's late
One moment you're smiling, one moment you're steaming, and sometimes
you act like traitors
Your stubborn and quick-to-change personality is something we absolutely
hate

You're a king who doesn't tolerate anything, and you always demand perfection
But nobody's perfect, we all know that; you're an amazing teacher with great
intention

MY FAVORITE TEACHER SONNET

Shall I compare thee to a hilarious clown, giving us entertainment?
I'm sure you're made for giving us happiness
Your lessons are so fun, bringing us enjoyment
Laughter fills the room without any sadness

Are you a smart robot who knows everything?
Every lesson, you give us unlimited knowledge
It seems that you know every single thing
The skills you teach can definitely lead us to college

But you are sometimes a sly, cunning fox that is very cheeky
The riddles you give are too complicated and make us feel miserable
Your tricks give us a headache; it is too tricky
Without solving your tricks and riddles, our brains feel uncomfortable

Although Mr. Hardy's tricks never make our brains free,
He's my beloved teacher, giving knowledge and happiness to me

STORIES WITH FLASHBACKS AND CLIFFHANGERS

CHAN Hei Ching (6B)

TOM'S ROBBERY

Tom and his two men were fighting for their lives with the cops as they stole the ancient golden egg from the museum. As they were fighting, more reinforcements for the cops arrived, and soon they were quickly outnumbered. Hence, they had to execute their escape plan. As soon as they were about to start, Tom's mind flashed back to the events that happened earlier...

A week ago, Tom, who was a thief, had a plan to steal the ancient golden egg from a museum. His plan was to first make a replica of the egg, sneak into the museum, replace it with the real one, and escape. So he spent the next week forging and building a copy of the egg which was more difficult than he thought since he kept failing and failing, but he didn't give up. He kept trying and trying, and after all those failed attempts, he finally succeeded in making a copy. Since all the preparations were ready, Tom went to the museum at night with his two men, Hank and Bank, who were brothers. Before they arrived, Tom told Hank and Bank to be very cautious in the museum. They arrived and immediately went to find the egg. When they found it, he started to switch it. While Tom was switching it, Hank accidentally triggered an alarm! They were in a panic and knew that they didn't have much time until the police arrived. They had to act quickly.

They swiftly stole the egg and were ready to escape, but the cops had already arrived. They knew if they tried to escape, they wouldn't have enough time. They were in a pickle and didn't know what to do. They had no choice but to fight back, so they pulled out their weapons and started to fight.

Tom and his two men were fighting for their lives against the cops as they had stolen the ancient golden egg. As they were fighting, more and more reinforcements for the cops had arrived, and soon they were quickly outnumbered. So they decided to execute their escape plan.

They pulled out the dynamite which they carried just in case and activated the bomb. It had a one-minute timer on it, so they had to survive for one minute more until they could escape. There were only ten seconds left, but they were starting to lose control of the battlefield and were cornered. But luckily the dynamite was about to explode, and they immediately jumped out the window. Unfortunately, Hank got caught in the explosion, and his leg was severely injured. Tom wanted to save and carry him, but Hank told them to go on without him since they didn't have a lot of time until the cops caught up to them. Sadly, they had no choice but to leave him behind. They safely escaped from the museum.

A few months later, Tom and Banks were planning to rob an extremely rare pink diamond from a museum at night again. When they arrived, they were shocked and surprised that the diamond was already gone. Then Bank saw a shadow lurking around the museum, and he got a glimpse of his face. He recognized him as Hank, his dead brother...

KIDNAPPED

Nolan and Jasmine didn't know how to escape, as the door was locked. They both were terrified and anxious. As the bomb's counter started counting down, Nolan's mind flashed back to events from earlier in the day...

A few hours ago, Nolan Bruce, a fifth grader at Pine Hill Elementary School, was walking home with his friends as usual. He had many friendly friends who always played with him, and he was always respectful to everyone. He got good grades in all tests and assessments, and every teacher liked this student very much. He was born in a rich family, yet he wasn't spoiled by his parents. The only activities he did were either studying for exams or reading books.

When Nolan was almost home, he was suddenly pushed from behind. He felt that he was hit on the back by a wooden stick. He didn't know what was happening and was shocked. He shouted for help, but no one replied, and a man used his hand to cover his mouth to prevent him from shouting. The men were really strong, so there was no way that Nolan was able to beat them up. He couldn't see them since they were masked though he thought that he recognized the sound of the men when they were talking. Nolan couldn't breathe properly. As soon as he stopped struggling, he started to feel faint. He didn't know that the men were trying to kill him.

When Nolan woke up, he found himself inside a room with a bomb inside. He saw some men with masks on. He used his full power to cut open the rope that was binding his hands and legs. Since the men went out for lunch, Nolan tried to sneak out, but he saw a little girl, Jasmine. They were both kidnapped and locked in the room. Nolan and Jasmine didn't know how to escape as the door was locked. They both were terrified and felt anxious. The bomb's counter started counting down,

and they didn't know how to escape. They used a tool on the ground to screw open the door with their whole power, but it didn't work. Nolan peeked out of the window, and he saw the men with their masks off. He recognized them and knew that they were some of the workers in his parent's factory. He started to find his backpack to get his phone to call his dad. Unfortunately, his dad thought that Nolan was playing a prank, so he ignored Nolan. The kidnappers said, "Unless the boss hire us back at work, we're not going to release the children." As time passed by, Nolan couldn't help but keep trying, and they could finally screw open the door. Nolan and Jasmine successfully opened the door. But there were only a few seconds left till the bomb would go off, so they ran as far as they could together. Before they could leave the building, suddenly, BOOM, the bomb exploded.

The police came and rescued both Nolan and Jasmine. Nolan's dad also came to see him. Nolan found out what had happened and the reason he was kidnapped. Nolan's dad was a rich person who owned a factory. He was going to fire some workers because there was a traitor in the factory. The kidnappers were the workers that Nolan's dad had fired. They were angry and they kidnapped Nolan because the workers were poor. The police arrested the workers, and they were sentenced to jail for many years. After Nolan and Jasmine got hurt, both were sent to the hospital to recover. After a few weeks of time, Nolan recovered from his injuries and returned back home. Since then, Nolan lived life happily as normal.

One day as Nolan went to the hospital waiting for his checkup on the bed, the lights suddenly went off. A man walked towards him, and he was holding a knife. Suddenly there was a spine-chilling yell, and the only sound one could hear was the sound of blood dripping on the floor...

最後，台下的觀眾聽着耳熟能詳的歌曲，一邊打拍子，一邊大聲合唱。表演結束後，大家都熱烈地鼓掌，我也興奮地跟媽媽說：「我希望能經常來公園玩耍，因為我不想錯過這麼精彩的活動啊！」然後我們便依依不捨地離開了。

烈日炎炎的暑假終於來臨，爸爸媽媽和我一起到大浪灣海灘玩耍。

蔚藍的天空，一望無際的大海，藍藍的海水，金黃的細沙，還有翠綠的樹木，就像一幅美麗的圖畫。海浪沖上沙灘發出「嘩嘩」聲，彷彿在演奏着交響樂曲，旋律優美動人。

沙灘上人山人海，有的堆沙堡，有的游泳，有的曬太陽，熱鬧極了！我們先吃點鮮甜的蜜瓜，然後就開始堆沙堡，幼細的沙既熱又軟。我跟爸爸說：「我們一起堆沙堡吧！」我先把沙子裝進水桶裏，然後請爸爸把水桶倒扣在沙地上，我們很快就堆了一座宏偉的沙堡。

轉眼間就到黃昏，我們欣賞美麗の日落後，便依依不捨地離開。今天真是愉快的一天啊！

接着，我吃媽媽預備的早餐，真美味啊！頓時，我感到精神奕奕，還很想上學。

我趕快背起背包出門。突然，我看到日曆發現今天是星期天，不用上學。我覺得自己既糊塗又逗趣。我真後悔沒有痛快入睡一覺，要培養每天看日曆的習慣。

年三十晚，我和家人在家裏吃了一頓美味的年夜飯，有魚、有蝦、還有雞……我們吃得津津有味。

吃過年夜飯，我們一起去逛年宵市場，我們看到有的人在買花，有的人在買新年裝飾，到處人頭湧湧，我忍不住說：「媽媽，年宵市場真熱鬧啊！」媽媽回答說：「對呀！新年就是喜氣洋洋的。」我們感到歡樂極了！

接着，媽媽到花檔買年花，爸爸幫忙捧着桃花，我捧着水仙花。我對爸爸說：「水仙花既漂亮又香氣撲鼻呢！」爸爸回答說：「桃花也是啊！」我們期待新年的來臨。

回到家裏，我和妹妹裝飾桃花，爸爸準備紅包，媽媽還煮湯圓給我們吃呢！真是愉快的一晚！

年三十晚，爸爸、媽媽、妹妹和我在家裏吃既豐富又美味的年夜飯。我們吃了新鮮的魚蝦、爽口的冬菇和嫩滑的雞腿，肚皮都快要被撐破了，我十分滿足。

吃過年夜飯，我們去逛年宵市場。那裏人山人海，有的攤位賣金閃閃的元寶，有的賣漂亮的水仙花，有的賣五彩繽紛的氣球，四處瀰漫着喜氣洋洋的氣氛，我高興地說：「這裏真熱鬧！」我們逛得樂而忘返。

接着，媽媽買了一大束紅彤彤的桃花和一盆香噴噴的水仙花，我興奮地對爸爸說：「這盆水仙花很漂亮呀！」然後，我們便捧着這些「戰利品」，滿載而歸地回家去。

回到家裏，我們齊心合力佈置家居。爸爸把錢放進紅包裏，我們則把紅包掛在桃花上，把這溫馨的家裝飾得漂漂亮亮。媽媽會做湯圓，還會做糕點給我們吃，真令人期待啊！

我每年都熱切盼望新年的到來，因為可以和家人一起吃年夜飯和逛年宵市場，真快樂！

《60週年校慶》

上星期六是我的學校思思小學的六十週年校慶，學校準備了很多慶祝活動，並且邀請學生和家長一起參加，熱鬧極了！我和爸爸媽媽滿心期待地回到學校，看見各種各樣的活動，有攤位遊戲、舞蹈表演、學生畫作展覽、小食亭……令我急不及待去玩了！

首先吸引我的是可愛的動物氣球。平日上課十分嚴肅的陳老師，今天臉上竟然掛着微笑，親切地在操場上派汽球！大家圍着陳老師，耐心等待，輪到我的時候，老師遞給我最喜歡的小熊汽球，真是令我喜出望外！之後，我們去玩攤位遊戲，我擲出的圈圈接連套在目標上，得到很多獎品，老師也稱讚我的眼界十分準確呢！

隨着音樂響起，舞蹈表演快要開始了！我的好朋友美思也有參加演出，我和爸爸媽媽趕快坐下欣賞表演。同學們的舞姿優美，動作一致，十分精彩，台下的觀眾紛紛為他們鼓掌歡呼！

很快便到了黃昏，校慶活動也隨之結束了。我感到非常開心，大家都很喜欢這所學校，願意積極參與校慶。我們依依不捨地回家，期待參加下一年的校慶活動！

一個天朗氣清的早上，學校在校園舉辦了「六十週年校慶嘉年華」，我和爸媽一起參加。我感到很興奮。

一走進校門，我們就看到老師、同學和家長在校園熙來攘往，十分熱鬧。我看到有很多活動，有攤位遊戲、有芭蕾舞表演、還有小食亭……我想玩攤位遊戲，便跟爸媽說：「我們可不可以先去玩攤位遊戲？」媽媽搖搖頭說：「芭蕾舞表演快要開始了，我們先看芭蕾舞表演，再去玩遊戲吧！」

我們在芭蕾舞的表演場地坐下來，安靜地欣賞芭蕾舞表演。台上的舞蹈員姿態優美，動作一致，表演得很精彩。觀眾都拿起相機把表演拍攝下來。

看完芭蕾舞表演，我們到攤位遊戲玩耍。我們來到一個「拋圈圈」遊戲攤位。我獲派三個木圈，我拋了兩次，但都沒有拋中。到了第三次，我終於拋中了，大家都高興地歡呼起來。我的獎品是一個布偶，我歡喜極了！

中午，媽媽說：「是時候吃午餐了。」我依依不捨地跟爸媽離開。我想：嘉年華的活動真是多姿多采，我很期待下次再來參加嘉年華啊！

星期六早上，我、爸爸和媽媽參加學校舉辦的「六十週年校慶嘉年華」，我感到又緊張又興奮。

在我們去學校的途中已經聽到很多熱鬧的歡呼聲，令人感到很高興！一走進校門，我就看到老師、同學和家長在校園熙來攘往，十分熱鬧。我看到很多人正在進行不同的活動，有的人玩攤位遊戲，有的人在台上表演，有的人欣賞畫作，有的人拿氣球，有的人在買小食，很熱鬧啊！

首先，我迫不及待地跑到攤位遊戲玩「拋圈圈」，每個人有三次機會，我已經拋中兩次了！爸爸、媽媽大叫：「加油！努力！」我緊張得手發抖，然後我瞄準目標，最後拋中了！我們興高采烈地歡呼大叫，還得到一份大獎呢！接着，我去排隊拿媽媽最愛的老鼠造型氣球送給她。她稱讚我是個好孩子。

時間過得很快，嘉年華會要結束了，我們依依不捨地離開，今天我們感到真快樂啊！

每次看到我和三甲班同學和老師們的照片，就會想起參觀香港濕地公園的經歷。那真是個令人難忘和高興的回憶呢！

那天早上，班主任王老師帶領我們三甲班同學乘坐旅遊巴士從學校出發。在車上，老師告訴我們，濕地公園位於天水圍，佔地六十一公頃，是個以展示濕地生態系統多樣性為題的旅遊景點。

一下車，我們先登上訪客中心的綠化天台，遠眺整個濕地生態區，映入眼簾的是一片大自然美景，有像棉花的藍天白雲，有湖邊摩肩如雲的荷花，又有嬌艷奪目的花朵，真令人心曠神怡。

接着，我們到了「蝴蝶園」。「蝴蝶園」種植了大量蝴蝶幼蟲的食用植物，是賞蝶的好地方。色彩繽紛的蝴蝶們在花間飛舞，有的在捉迷藏，有的在採花蜜，到處都是牠們的身影。園內还有不少罕有的蝴蝶品種，真令我們大開眼界！

之後，老師帶我們看濕地動物。到了「貝貝之家」，我就看到一條小灣鱷，這位鱷魚小姐在戶外的水池裏自由自在地游泳，同學們都很雀躍。然後，我們聽從管理員的指示，幫忙餵飼貝貝，真是個難忘的體驗。

我們沿路走着，到處鳥語花香。最後，老師帶我們到「生態迷宮」遊玩。室內遊戲室如一棵巨大的樹屋，我還以為自己是奇妙天使呢！

快樂的時光總是短暫的，我們只好依依不捨地回家。

在一個陽光普照的早上，天空萬里無雲，像碧玉一樣澄澈。老師帶領我和同學們遊覽大富翁夢想世界。第一次來到這裏，我高興得像一隻活潑、愉快的花蝴蝶。

一踏進大富翁夢想世界，這裏景色怡人、環境整潔，讓人賞心悅目。這裏設置七個「大富翁遊戲」的主要場景，讓我感覺進入了「大富翁遊戲」世界。

首先，我和同學們興高采烈地來到了火車站四維影院。我們先找到位置坐下來，再小心翼翼地戴上三維眼鏡，安安靜靜地等待着動感電影的開始。過了一會兒，精彩的電影開始了！一個戴着黑帽子，留着白鬍子的「大富翁」出場了，哇！他擁有一顆金光閃閃的鑽石，散發出迷人的光彩。我和同學異口同聲地說：「好漂亮呀！」突然，一個來勢洶洶的大盜搶走了那顆鑽石。怎麼辦？怎麼辦？我和同學急得直跺腳。可是，大富翁卻十分沉着冷靜。他想辦法打敗了大盜，順利奪回了鑽石。看到這裏，我和同學們禁不住歡呼起來。

然後，我們來到了遊戲區。我迫不及待地奔向「二十秒搶紙幣」的活動區。一分鐘後，到我了！我進入了一個小房間，「呼！」紙幣從天空中飄下來。我雙手飛快地抓住紙幣。我抓的紙幣越來越多，感覺自己變成了真正的大富翁，別提多開心了！

快樂的時光總是很短暫，轉眼間，我們要離開大富翁夢想世界。最後，夕陽西下，我們依依不捨地離去。今天真是又開心又難忘呀！如果下次有機會，多麼希望我能再來遊玩啊！

《放風箏》

易曦朗 (3D)

今天，我和同學們來到草地上，一起分工合作放風箏。

我們的風箏是一隻色彩繽紛的蝴蝶，它有一雙巨大的翅膀，翅膀上刻着一朵朵鮮艷奪麗的鮮花。我們又興奮又緊張，因為這次是我們第一次自己放風箏。

我們出盡力氣將風箏拋上天空，可是風箏每一次都飛不起來，好像生病了似的。大家都十分沮喪，士氣低落。這時候，老師走過來鼓勵我們說：「放風箏一定要邊跑邊放，順着風向，不可以逆風。力度不可以太緊，也不可以太鬆。」我們恍然大悟，再努力嘗試，慢慢順着風向，齊心合力將風箏送上天空。這一次我們成功了，看着風箏在天空中飛舞，舞姿優美。大家都十分激動，互相擊掌歡呼。

通過這次放風箏，我們明白到要溝通好才分工合作，還要了解風箏的特性，加上不放棄的精神，才會成功。下一次我有信心挑戰放更巨大的風箏。

每當我聽見《上一個聖誕節》這首歌曲的時候，總會想起去年學校歌唱比賽的美妙情況……

那次，我被選為班代表參加比賽，雖然已經過努力的練習，但忐忑不安的心情在越接近比賽時就越沉重，就像一塊大石頭壓在心口上，比賽前夕我輾轉難眠，哭着跟媽媽說：「我害怕在舞台上會出醜！」媽媽摟着我說：「寶貝，表演時把台下的觀眾都幻想成食物，那就沒有壓力了。」

比賽那天，我站在舞台邊預備演出時，手心好像同時握着小太陽和小雨雲一般又熱又濕。這時我想起媽媽給我的提議，把觀眾們想成為我愛吃的番薯、蘋果等等，頓時輕鬆了不少。我帶着愉快的心情表演，唱着自己譜上的新歌詞，把歌曲發揮得淋漓盡致。一表演完，觀眾就為我送上熱烈的掌聲，我無比滿足。

到了宣佈結果的時候，我仍然沉醉在剛才的表演中，拿了第一名還懵然不知。當老師和同學們恭喜我時，我才反應過來，快樂得哈哈大笑，心花怒放地團團轉。

經過這次比賽，我更加熱愛表演，也學會了讓自己心情平靜的方法，就是專注和享受。我真期待下一次的演出！

星期三的上午，我的表妹來了我家，突然她問我：「表姐，那個銀色的獎杯是從甚麼比賽獲得的？」我就想起了我參加羽毛球比賽美好的回憶。

記得在二零二零年三月某個星期天的下午，我和家人一起去沙田運動場。我代表學校參加羽毛球比賽，我一進入運動場就踢到一個呼拉圈，腳趾感到很痛，但是我沒有為了小小的傷而放棄這個比賽，一定要堅持下去。得到爸媽和教練的支持和鼓勵，我已經充滿信心。賽前五分鐘，我像天使一樣平和，我已經慢慢忘

記了腳趾的痛楚。終於到了賽前半分鐘，我就像士兵一樣準備好迎戰。

羽毛球比賽正式開始了。最初，我落後了三分，然後在第四局，我獲得了一分，使我充滿信心，所以一分、兩分、三分……反勝對方，最後我以十五比十二這個分數，勝出了這個比賽！

評判開始宣佈結果了！我非常緊張，結果我拿了第一名呀！我開心得樂不可支，還好像洋娃娃般笑容滿面。

因為這次比賽，我明白到「世上無難事，只怕有心人」這個道理。

每當我看見放在書櫃上的「運動挑戰日」獎盃，我就想起那一次比賽的難忘回憶……

記得在七月的某一天，學校邀請了我代表甲班，也就是我班，去參加「運動挑戰日」，而我就毫不猶豫地答應了。比賽前的一分鐘，我緊張萬分，我的信心就像小鳥那樣飛走了。當天帶領我們的王老師拍拍我的肩膀，安慰我說：「不要緊張，好好發揮就可以了！」聽到王老師鼓勵，我的信心就像小鳥回巢般恢復了。

終於到我挑戰一百米短跑了！我一點也不緊張，勇敢地走上賽道。我像一匹馬飛快地跑到終點，終於拿到了第一名。全場的觀眾有的在尖叫歡呼，有的興奮得跳了起來。然後，我走回休息室，才放下了心頭大石。

同學們一擁而上地恭喜我，我也來不及反應，但心裏覺得感動萬分。我心想：沒有他們的歡呼聲，我也拿不到第一名，所以這個獎盃是屬於大家的。我覺得這真是難忘的一天啊！

每當我看見掛在衣櫃裏的樂團表演服，我就想起了那一次「冬季音樂會」的美好回憶……

記得在表演當天，爸媽帶我到沙田鄉議局參加「冬季音樂會」的表演。我懷着戰戰兢兢的心情，獨自提着小提琴進入表演場地。為了讓表演順利進行，老師安排我和團友加緊練習。在休息的時候，蘇老師看見我悶悶不樂的樣子，拍拍我的肩膀，關心地問：「你是不是很緊張？」我回答：「這是我第一次參加表演，我擔心跟不上節奏。」蘇老師安慰我說：「不用怕，我教你一個方法，表演時眼睛只要全神貫注地望向樂團指揮家，專心地演奏樂曲，就不會感到害怕了。」

終於到我表演了！我心裏像有一隻小兔，不停地亂跳。當我準備表演時，我按照老師的方法，目不轉睛地看着指揮家，專心地完成表演。全場觀眾為我們送上熱烈的掌聲。下台後，我感到如釋重負，鬆了一口氣，像在大海中游泳的小魚。

這次表演令我非常難忘，獲得寶貴的台上演繹經驗，令我的自信心提升了不少。我真期待下一次的表演呢！

星期一早上，是學校班際足球比賽，我興致勃勃地回校，準備和同學們一起參加比賽。

當我們到達球場時，我聽到同學們熱烈地歡呼，我的心情興奮不已。大家都精神抖擻，準備迎接即將開始的比賽。

哨子聲響起，比賽便開始。我和隊員們馬上進攻，可是對方的前鋒像箭一樣衝過來，把我的足球搶了，

然後射進一球。我感到有點緊張，同學們都變得沒精打采的。突然，足球場傳來同班同學和老師的吶喊聲：「加油啊！不要放棄呀！」當我們聽到老師的鼓勵，便重新振作起來，奮起直追。在比賽結束前的五分鐘，我跑得像野馬一樣快，把足球射進對方的龍門。

比賽結束了，雖然我們打成平手，但是我和隊員們都激動不已，緊緊地擁抱在一起，並一同歡呼。

這場足球比賽，我感到既興奮又感動。因為我學會了：做事即使失敗了，也不要放棄，只要堅持，就一定會成功的道理。

《遊澳門》

我經常從新聞聽到澳門這個地方，知道與香港很近，真想親身到那兒看看。這次終於有機會了，我感到十分興奮。上星期爸媽帶我和哥哥乘坐飛航船到澳門遊玩。一下船，就發現跟香港有點相似，也有點不同，感覺很新鮮。

這天天氣清、陽光普照，我們一家人都懷着愉快的心情前往澳門歷史城區域。沿途看到兩旁的建築物很有特色。這裏景色怡人，漂亮極了！

當看到大三巴牌坊，我馬上被眼前宏偉的建築物吸引着。可是，我越看越奇怪，忍不住問媽媽：「媽媽，這個牌坊看上去明明像是一座大教堂，為甚麼只有一道牆？」媽媽笑着說：「孩子，你真細心，留意到它像一座教堂。大三巴牌坊原本是聖保祿大教堂，但不幸經歷了多場大火，現在只剩下這道牆了。」我不禁搖頭嘆息：「真可惜啊！好好的教堂就這樣不見了。」

我還想着大教堂當年的不幸遭遇，突然聽到哥哥大喊：「那裏傳來一陣香噴噴的氣味，我的肚子就咕咕作響。」爸媽便帶着我們到伴手禮商店購買肉乾和杏仁餅，部分會送給親友，相信他們一定會喜歡這麼美味的手信。

時間不早了，我們要到其他景點參觀。臨走時，爸爸拿出相機，我們一家人拍照留念。最後，我們依依不捨地離開，我希望以後有機會再來澳門歷史城，了解更多澳門的歷史。

上星期五，陽光明媚，風和日麗。我們一家一起到澳門的大三巴牌坊遊玩。

一路進大三巴牌坊裏，那裏人頭湧湧，非常熱鬧。有的人購買紀念品，有的人拍照留念，有的人在參觀大三巴牌坊。旅客都表現得興高采烈。

我們一家參加了當地的觀光團，導遊先帶我們到有葡萄牙色彩的大大三巴牌坊遊覽。導遊哥哥向我們介紹大三巴牌坊的歷史，我們細心地聆聽導遊哥哥精彩的介紹，導遊出色的講述，彷彿把我們帶到從前的澳門，別有一番風味。

接着，我們走進大三巴牌坊的特色小店裏選購紀念品。商店裏的紀念品多不勝數，令人目不暇給。就在這時，我聞到香噴噴的肉乾香味，令我垂涎三尺。我立刻掏出零用錢，買了很多不同的特產食物。逛完小店後，我向大家提議：「不如我們一起合照留念吧！」大家都同意了。我們便一起拍照，作為留念。

轉眼間，夕陽西下，我們都帶着依依不捨的心情回到酒店。我想：壯觀的大三巴牌坊不但令我留下深刻印象，而且還令我大開眼界。我十分期待下一次的來臨。

上星期天，我們一家人去了澳門遊玩。這是我第一次遊覽澳門，當天陽光普照，真是令人興奮。

我們到達澳門，就看到遊人眾多，商店林立。遊人熙來攘往，爭相前往不同景點，有的打算參觀歷史建築，有的計劃登上觀光塔，有的搶先購買手信，好不熱鬧！

首先，我們遊覽充滿歷史氣息的大三巴牌坊。爸爸說：「這裏是澳門歷史城區，而大三巴牌坊原先是聖保祿教堂前壁。」牌坊前有一道長長的樓梯，我們拾級而上，走到頂端，一起拍照留念。

然後，我們逛了手信街，打算購買紀念品。那兒有家伴手禮商店，可以讓客人試吃。我吃了杏仁餅和肉乾，杏仁餅口感香脆，肉乾味道鮮甜，吃後感覺有如騰雲駕霧，飄飄欲仙，津津有味。我們買了十多盒回家，打算分一些給爺爺和奶奶呢！

最後，我們還逛了其他地方，便離開澳門。我懷着依依不捨的心情，乘上輪船，心裏期望：我一定會再次回來澳門遊玩的。

二零一九年的復活節假期，爸爸媽媽在百忙之中抽空帶姐姐和我一起去澳門遊玩。那天天朗氣清，萬里無雲，我們從九龍 尖沙咀 中港碼頭出發，坐船到澳門，這是我頭一次乘坐噴射飛航，我彷彿變成了小鳥在海面上飛翔，令我十分興奮！

不一會兒，船就到了澳門，我們便坐的士出發去大三巴牌坊。沿途看見怡人的景色，有寧靜的海邊，也有熱鬧的市區。澳門雖然是一個很小的地方，卻匯聚了中國和西方文化，每走幾步便會看見具有中國特色的寺廟，或者葡萄牙的歐式建築。大街上人山人海，人聲鼎沸，到處都是遊人和在兜售的店員，空氣中瀰漫着肉乾、杏仁餅和蛋捲的香氣，香噴噴的牛肉乾教我口水直流，十分吸引。

首先，我們去參觀澳門的地標——大三巴牌坊。我們拍照留念的時候，聽到其他遊客說：「大三巴牌坊原來是聖保祿教堂的前壁。」爸爸告訴我們：「一場大火把教堂燒毀了，只剩下前壁及石階，由於當地華人認為它形似中國的傳統牌坊，因而命名。從前教堂後為埋葬教士的墓地。」我聽了之後驚慌極了，呼吸急速，心臟「砰砰」像打鼓一樣想要跳出來，覺得腳下的「死亡之門」隨時會打開把我吞噬，我無法停止胡思亂想，只好急忙拉着爸媽離開那裏。

接着，姐姐嚷着肚子餓，媽媽便笑說要帶我們到氹仔吃別具特色的澳門豬排包，我那饞嘴的姐姐雙眼彎得像香蕉一樣，歡天喜地說：「真的太好了！」氹仔到處都是美食，我們邊走邊吃，這邊有葡撻新鮮出爐，甜香飄逸；那邊有米芝蓮豬排包，外脆內軟；前面還有我最愛的香滑豆腐花，讓飢腸轆轆的我們大快朵頤。

夜幕低垂，最後，我只能緊緊握着半打外賣葡撻的盒子，帶着依依不捨的心情乘坐旅遊巴離開澳門。澳門是一個漂亮的城市，我期待下一次回來探望她。

這是一件令我緊張的事情啊！

記得那一次，我和爸爸到海洋公園遊玩，我問爸爸可否陪我玩「跳樓機」，爸爸爽快地答應我。

我拉着爸爸的手前往排隊區，在等候的期間，我覺得手腳冰冷，衣服被冷汗弄得濕透了。「沒事的！男子漢，『跳樓機』有甚麼可怕呢？」我喃喃自語地說。

轉眼間，「跳樓機」徐徐地打開門。我們坐下，繫上安全帶，然後「跳樓機」緩緩地上升，到達了頂部，這時我心中發抖，跳樓機突然快速地往下，嚇得我驚慌失措，我不禁大叫起來，抓着爸爸的手臂，害怕得哭了起來。最後，「跳樓機」終於停下來。

這真是一件令人緊張的事情啊！我明白了當遇到困難或挑戰的時候，我們不要輕易放棄，要勇於嘗試，才能成功。

上星期五早上，天氣清涼，吹着微微的涼風。我抱着既期待又緊張的心情回校參加班際排球比賽。

回到學校，我和同學們興高采烈地走到老師身旁報到，我們先熱身準備出賽。初時我們表現相當合拍，保持水準。到了中段，我們稍不留神被對方追上，這時候我們既緊張又慌亂，當四周觀賞的同學們為我們熱烈地打氣：「加油！加油！」我們冷靜下來，集中精神拼命地接球，成功追回失分，我內心感到無比興奮！

在比賽最後階段，我們沒有氣餒，集中精神，全力以赴，大家終於反敗為勝，贏取得分，結果我們得到勝利。

這件事真令我感到興奮，我明白了一個道理——就是比賽時團隊合作精神的重要和好好把握時機全力以赴。

上星期，因為我在期末考試拿到滿分，所以爸爸和媽媽獎勵我去迪士尼樂園遊玩。

當天，天公造美，太陽像紅彤彤的火球一樣，高高掛在天空上。到達樂園後，首先映入眼簾的是一片人山人海的景象，熱鬧不已！樂園裏有各式各樣的機動遊戲，令人眼花繚亂，我們迫不及待衝進去體驗「鐵甲奇俠」飛行之旅，全程精彩絕倫，令人目不暇給。之後，我們繼續玩了幾個遊戲，遊戲刺激好玩，我們玩得興奮極了！

午飯後，我們四處遊覽，也觀賞了一些劇場和參觀了鬼屋——迷離莊園。那裏的特技立體效果疑幻似真，但是我一點也不覺得害怕啊！

最後，我們去了商店逛逛。那裏有不同類型的紀念品和玩具，應有盡有，卻沒有我最喜愛的玩具槍，所以我只能空手而回。

這次遊玩樂園的經歷真興奮啊！我下定決心下次要拿滿分，再來迪士尼樂園遊玩。

《我最喜歡的老師》

何栢賢 (4E)

我最喜歡的老師是體育科許老師，他也是我的班主任。他有短而爽朗的頭髮，高高的個子，他常常穿著運動衣，也喜歡每天做運動。他經常面帶笑容，是一個樂觀和外向的老師。

他擅長各種各樣的運動，例如：足球、籃球和羽毛球等等。在運動課時，他教授同學們踢足球和打籃球的祕訣，令同學們非常熱愛做運動。

除此以外，許老師也很有表演才華，於今年的「音樂馬拉松」音樂會，許老師擔任司儀，他表演了唱歌，還有和我班一起演奏結他，他當天的精彩表演得到台下很多掌聲。

我喜歡的許老師真是一個才華橫溢的運動健將。

今天，我過了既苦又甜的一天。

早上吃過早餐後，我懷着興奮的心情上學去。今天是一星期裏唯一有體育課的日子，還可以和同學們一起踢足球呢！

終於到體育課了！我們在足球場上開展了一場激烈的比賽。敵方的小允第一腳射門，球「喇」的一聲直衝我方龍門。作為守門員的我連忙飛身撲救，結果重重地摔在草地上，那尖銳的草狠狠地劃傷了我的膝蓋，頓時流出血來，我在同學們的嘲笑中狼狽地爬起身，嘴裏還咬着泥巴。

下課後，我步履蹣跚地回家，只見小允快步走來，輕輕地扶我一把，還一路陪伴我回家，我心中不禁泛起一股暖流，剛才的沮喪也煙消雲散了。

吃晚飯的時候，我和爸媽分享了小允和我結伴同行一事，他們還着我邀請他到家吃飯，以答謝他的善意。

夜已深，我要上牀睡覺了，希望明天快點到來，可以和小允討論足球了！

九月三十日 星期四 晴

今天早上，我懷着興奮的心情和步伐上學去。我急不及待背着書包昂首大步踏進學校的大門，我一边走，一邊想：難得今天提早放學，明明說他想寧願犧牲休息的時間，也要跟我一起留校練習，因為下星期我們將代表自己班參加班際足球比賽。

「鈴鈴——」放學鐘聲響起，我們先準備好踢足球的裝備，再像箭一般衝往學校操場去，我和明明興高采烈地你追我逐，踢得不亦樂乎。

接着，正當我們踢得激烈的時候，我一不小心，被其他同學撞倒，摔倒在地上，我被嚇了一驚，並大呼：「哎喲！好痛啊！」明明看到，立刻跑到我身旁問候：「你還好嗎？你受傷了，我帶你去醫療室好嗎？」我點點頭，他輕輕地把我扶起來，送我到醫療室。護士姐姐給我治療傷口時，我忍不住「嗚嗚——」地哭了起來，她一面給我貼上既可愛又漂亮的膠布，一面安慰着我說：「不要緊，幾天後，傷口就會完全康復的。」我聽後馬上放下心頭大石了。

最後，因為明明擔心我的傷勢，所以他堅持讓我搭着他的肩膀，一拐一拐地陪伴着我回家去。回家途中，我難為情地對他說：「明明，不好意思，你這麼累，還要專誠送我回家，真的十分感謝你啊！」他向我微微地笑了笑並回答說：「不用客氣，你是我的好朋友，我當然會關心你。其實，我能夠幫助你，自己也感到很開心和滿足呢！」

晚飯的時候，我詳細地把今天發生的事告訴爸媽，他們都稱讚明明是一個樂於助人的好朋友，我們應該多向他好好學習。媽媽向我解釋，說：「能夠幫助別人，我們都會感到滿足和快樂，這就是『助人為快樂之本』的意思。」我點點頭說：「嗯，我終於明白『助人為快樂之本』的道理了！將來我也會盡力幫助有需要的人。」

《這就是我》

我是一個女孩子，在王錦輝小學唸書。我有一頭烏黑發亮的秀髮，常常束着一條長長的馬尾辮子，兩彎好看的柳葉眉，在那副圓圓的眼鏡襯托下，一雙明亮的鳳眼流露着稚氣的神情，鑲嵌在臉中央的小鼻子下，有一張與眾不同的笑臉，當櫻桃小嘴展開笑容時，小酒窩便在嘴角的兩旁搖曳着。那就是我——穎穎。

我既是中文科科長，又是一個勤奮向學的好學生。常言道：「寶劍鋒從磨礪出，梅花香自苦寒來。」我覺得從苦練中取得成功是令我最滿足的。

一如以往，每天放學後，我便自動自覺地做功課和練習小提琴，不用媽媽擔心。記得有一次，由於第二天有中文測驗，晚飯後，我便開始用功溫習。正當我全神貫注地溫習時，我聽見電視傳來一把熟悉的聲音，原來是我的偶像發佈了新歌。那首歌真是悅耳動聽，我真想像一隻獵豹跑去客廳欣賞，但我想起明天要測驗，正當我猶豫不決之際，心想：忍耐一下吧！明天過後便可以欣賞了，我一定可以做到的！我便決定戴上耳塞，繼續留在睡房專心溫習。結果，那次中文測驗，我取得甲等成績，我深深感受到我這朵梅花在苦讀中散出馥郁的香氣，令我倍感自豪。

這就是我——一個勤奮向學的女孩子。

何允程 (4A)

我是程程，今年九歲，是王錦輝小學的學生。我是一個勇於嘗試的小朋友。

我有一頭烏黑發亮的長髮，梳着柔順的辮子，彎彎的眉毛下有一雙水汪汪的小眼睛，耳垂上有垂珠，一張小嘴巴裏藏着雪白的牙齒，我的身材適中，四肢均稱。

我是一個勇於嘗試的小朋友。媽媽常常提醒我：勇敢的嘗試是成功的一半。記得有一年暑假的某一天，老師帶我和同學們到位於大埔的樹屋田莊，進行學校的領袖訓練活動——歷奇之旅。在大約兩點鐘，我們到達了樹屋田莊，同學們都迫不及待地跑進去呢！老師跟我們說：「今天我們會挑戰三個遊戲，而最刺激的就是飛索活動。」過了一會兒，飛索活動終於開始了。我們安靜地聽了教練的指導後，立刻戴上與飛索相接的安全帶和頭盔，同學們輪流爬上十米高的平台，然後進行飛索活動。有些同學害怕得哭了起來，有些同學害怕得躲在了旁邊，有些同學還害怕得不停地去洗手間……我懷着既興奮又害怕的心情一步一步的爬上去，勇於面對挑戰，當我到達最高空的平台時，我便深深地吸了一口氣，然後戰戰兢兢地進行飛索活動。最後，我成功挑戰了自己，好像電影中的「蜘蛛俠」一樣，瞬間飛到了對面的平台，這次的飛索活動讓我變得更勇敢。

我勇於面對挑戰，不怕困難，是一個勇於嘗試的小朋友。

我是一個有愛心和喜歡小動物的小朋友。有一天，我和媽媽在路上看見一隻流浪小貓，我心想：牠和媽媽失散了，一定十分飢餓！於是，我對媽媽說：「不如我們收養這隻流浪貓，好嗎？」媽媽笑着說：「好吧！」接着，我們便把牠帶回家。在我悉心的照顧下，小貓在我的家健康地成長。

我有一頭烏黑發亮的直髮，一對彎彎的柳眉不偏不倚地坐落在水汪汪的大眼睛上方，兩排短短的睫毛像兩把雨傘，一個扁闊的小鼻子鑲嵌在臉中央，下面是一張大嘴巴棱角分明，輕輕一笑，咧開的嘴唇裏便會露出兩顆雪白的門牙。

我是一個樂於助人的小朋友。我覺得幫助別人時，心裏會感到甜甜的。記得有一次，我上學乘搭雙層巴士時，看到一個失明人士剛剛上車，巴士上已經沒有座位了，雖然昨晚我很晚才休息，今天沒精打采的，但是我想幫助別人，看到他辛辛苦苦在車廂上走來走去，我便站起來走向失明人士，帶他到我的座位上，他感動地說：「謝謝你！」我說：「不用謝，這是我應該做的！」雖然我不可以坐下，感到十分疲累，但是很開心能幫助別人。

我有一頭烏黑濃密的頭髮，一雙炯炯有神的眼睛上戴着一副圓圓的黑框眼鏡，再加上我高大的身材，顯得我玉樹臨風。

我有一頭烏黑亮麗的短髮，一雙炯炯有神的大眼睛上戴了一副方方的眼鏡，一個稍有點兒塌塌的小鼻子鑲嵌在臉中央，下面是一張鮮紅的櫻桃小嘴。

我是一個做事認真的好孩子。我經常記着一句諺語：「所有堅忍不拔的努力遲早會取得報酬的。」我覺得認真做事時，一定會做得很好。記得有一次生日，我邀請了幾位朋友來我家玩，在他們來之前，我和我的家人一起打掃房子，因為是我的朋友來我家做客，所以我打掃得非常認真，把家裏的每一個角落都打掃得乾乾淨淨。我用噴了消毒劑的抹布把角落和邊緣都擦得一塵不染。整間屋子簡直可以用煥然一新來形容，該亮的地方像星星一樣；該清透的地方像水一樣；該整齊的地方像一支軍隊一樣。朋友都誇我家漂亮，這讓我感到非常成功。

《帶表哥遊歷香港》

林曦兒 (5D)

我住在沙田區，假如我要做表哥的小導遊，我會帶他去品嚐沙田美食，參觀廟宇和去購物。

首先，我會帶他去沙田 龍華酒店，這家酒店歷史悠久，最著名的美食是「美食三寶」——乳鴿、雞粥和山水豆腐花。這裏的乳鴿很可口，雞粥很幼滑，而豆腐花亦很清甜。我相信他一定喜歡！

然後，我會和表哥沿着單車徑前往車公廟踏自行車，沿途既可以欣賞風景，在廟裏又可以讓他感受一下中國人的民俗文化。他可以點香，求車公保佑，還可以求學業籤呢！

最後，我會帶他去新城市廣場盡情購物，那裏包羅萬有，無論是衣服或紀念品，我相信他一定會選購到合適的物品。

我相信表哥一定會滿意我這樣的安排！

《帶表哥遊歷香港》

陳庭希 (5B)

今年暑假，我的表哥從外國回來，因為他第一次來香港旅遊，表哥暫住在我家。他的名字叫嘉軒，今年十二歲，因為我們年齡相近，所以我們的感情十分要好。表哥對我住的離島區十分的感興趣，所以媽媽請我做「小導遊」。

第一站，迪士尼樂園。我帶他到迪士尼樂園去玩耍，我先帶他到票務處買票，進去以後，我們玩各式各樣好玩的機動遊戲，還吃了美味的冰條，我們都吃得津津有味。

第二站，我和表哥到大澳吃美食。首先，我們到一些店舖去買大澳魚蛋給表哥嚐嚐，他說他從未吃過如此好食的魚蛋。

吃飽喝足後，我們就要回家了。表哥說：「謝謝你，帶我玩好玩的，帶我吃好吃的。」然後，表哥就跟我們道別了。

《我最喜愛的一種水果》

梁心如 (5E)

我最喜歡的水果是蘋果。蘋果是一種很普通的水果，容易購買，但卻是我最愛。

蘋果的種類有很多。可以用顏色來分類，例如有紅彤彤的紅蘋果、綠茵茵的青蘋果、黃澄澄的金蘋果。又可以用大小、形狀來分類，有我們經常見到的大小，也有巨型和迷你的。它的形狀有時像大白齒，有時像愛心，很是可愛。

蘋果的味道也很多元化。我喜歡清甜的紅蘋果，淡淡的甜味，吃後齒頰留香。香甜的金黃蘋果，濃濃的味道像

糖果般清甜，也令我愛不釋手。樣子美麗的青蘋果卻像檸檬般的酸。我試了一口，便印象深刻。

俗語說：「一日一蘋果，醫生遠離我。」。這是因為蘋果含有大量的膳食纖維以及維生素。經常吃蘋果可以促進人體的新陳代謝，幫助消化，有助於提高我們人體的免疫力，而且蘋果酸更能治療發炎的症狀。

蘋果除了可以直接食用，還能製造不同的料理。蘋果的料理不但簡單，而且可口，可以用來做不同的菜式，如：蘋果汁、蘋果餡餅、蘋果醬、蘋果乾等。

蘋果不但爽脆香甜，而且能夠製造美味的料理，加上營養價值很高，我怎能不喜歡吃呢？

《我最喜愛的一種水果》

劉海晴 (5A)

我最喜愛的蔬菜是玉米。玉米的中文俗稱有一百多種。粵語稱為「粟米」，閩南語稱作「番麥」。

玉米的形狀像尖尖的山頂，有各種各樣的顏色。例如紫盈盈的、淡黃的、雪白的，少量褐色、紅色和黑色等。玉米可以是又短又小，也可以是既大又粗的。玉米一粒粒的「外皮」是由一顆顆的小珍珠組成的。

成熟的玉米鮮美多汁。摸上去玉米硬硬的，一口咬下去甜絲絲的，清淡的。讓人覺得清爽無比，香味四溢，香飄十里，更令我垂涎三尺。

玉米的營養價值很高。根據科學家的資料分析，每100克玉米含有的脂肪12克，蛋白質4克，碳水化合物228克。它對眼睛有保健的效果。因為它含有維生素A、C、E、鐵、鈣、鎂、鉀，以及葉黃素、玉米黃素和胡蘿蔔素。

玉米可以搾成玉米汁，炒成玉米火腿飯。做玉米炒飯的材料有火腿、白飯、雞蛋、玉米、雞粉、蔥花、蒜頭等。首先把雞蛋打散，加入白飯、火腿和玉米。最後撒上蔥花和雞粉，就大功告成。

我喜愛玉米是因為它清淡香甜，營養價值很豐富和可以跟不同食物搭配。這就是玉米。我介紹了我最喜愛的蔬菜，那你最喜愛的蔬菜是甚麼呢？

《我最喜愛的一種水果》

劉曦彤 (5B)

它有時像一根香蕉，有時像一彎月亮，它的表面長出了許多隆起來的小疙瘩，凹凸凸凸的佈滿了大小各異的果瘤。它長得有點醜，連它的名字也讓人覺得苦澀。它是甚麼？它就是苦瓜。

苦瓜又名「涼瓜」，是一種富有藥用價值的蔬菜。雖然它有點苦，但它的功用卻多不勝數，連明朝的李時珍也誇讚它是「解毒仙丹」。當我第一次吃苦瓜時，看見它其貌不揚的外貌，心想：一定是難吃極了！我把苦瓜放進嘴裏時，苦澀的味道在我口腔裏蔓延，可是慢慢咀嚼出甘甜的味道來，所以一定要用「臥虎藏龍」來形容它了。

苦瓜雖苦，但它的藥用價值卻無人能及。苦瓜既可以清腸解毒，又可以養生美顏。長期食用還可以減少出現青春痘，難怪姐姐每天都在喝苦瓜汁呢！

苦瓜只會獨個兒捱苦，而不會將苦味分擔，所以也有「君子菜」的美譽。苦瓜既可以生吃，又可以炒菜，更可以榨汁，而我就最喜歡媽媽煲的苦瓜黃豆排骨湯，清熱去火，清潤好喝。苦瓜還可以配蛋。先把苦瓜切成片，然後加鹽醃至出水，最後加蛋去炒，便可以炒出一味有家鄉味道的家常小菜。

老人們都喜歡吃苦瓜，他們常說苦瓜是甘甜共存的。剛入口時，苦味佔據了舌頭，但細細咀嚼，甘味就自然隨之而來。人生就好像吃苦瓜一樣，起初的時候，碰上挫折便叫苦連天，但只要堅持一會兒，「捱苦」一陣子，好日子便會來。愛上苦瓜後，我亦明白了人們常說的「苦中作樂」。只要用心去品嚐，就會體會到「苦」後所帶來的「樂」。如果遇上人生低潮，不妨吃點苦瓜！苦過以後，甘味就隨之而來。

《音樂盒》

汪叡孜 (5C)

每當我看到這個音樂盒，都讓我回想起爸媽對我的愛和心思縈繞在我的腦海裏，至今仍珍而重之。

這個音樂盒是我夢寐以求的禮物，記得有一次我參加了中文朗誦比賽，我花了很多努力和時間去練習，真的盼望能獲獎。當評判準備宣佈冠軍得獎者的一刻，主辦單位奏起了《D大調卡農與吉格》，最後我獲得勝利。這首優美的樂曲打動了我的心，更被深深吸引着。當我遇到困難時，我不禁地哼出這動人的樂曲，問題也迎刃而解，簡直是我的「幸運樂曲」。

在我九歲生日時，家人跟我到西餐廳吃飯慶祝，但是跟以往不同，爸媽沒有問我想要甚麼生日禮物。吃飯回家後，爸媽請我先去自己的房間。我看見在書桌上有一個平凡的小木盒，我一打開盒子就聽到我最喜愛的樂曲，原來爸媽送了我一個精緻的音樂盒，他們早就知道我的心意。我一邊拿着音樂盒，一邊抱着爸媽說：「謝謝你們送給我的生日禮物啊！」我既為爸媽溫暖的心意感動，又感到十分興奮。

這個音樂盒不僅蘊藏着「幸運樂曲」，還是我的「幸福之源」。它包含着爸媽的愛和心思，也有意想不到的驚喜，我一定會好好珍惜這件無價之寶。

《養成勤做運動的好習慣》

袁沛妤 (5A)

「生命在於運動，運動停止，生命也就結束了。」我認為，我必須馬上養成勤做運動的好習慣。

首先，從反面來看，如果我沒有養成這個好習慣，我的身體就不會變得健康。多項科學研究證據顯示，運動者或活動力較高的人，心肺功能和健康程度較佳。運動不足引發的病多不勝數，例如腦中風等。運動不足的人，容易引致血液循環不暢順，也無法加速血液中的新陳代謝，所以容易有高血壓、血栓等血液結塊阻塞的問題，造成腦中風。我的爺爺也是因為腦中風而去世的，因為他平常不出門，整天待在家裏，不做運動，哪裏也不去。因此，運動對我們來說非常重要。

其次，從正面來看，只要我養成勤做運動的好習慣，我就會變得越來越健康。勤做運動可以增強抵抗力，減少患上疾病的機會。專家說：「運動可以增加腦源性神經營養因子，使大腦迴路發揮更好的工作效率，從而改善學習、思考與反應能力」，由此可見，運動不但可以讓我們健康，還可以提高我們的學習效率。

因此，我想到了兩個方法。第一，可以找朋友一起做運動，因為大家互相作伴，樂趣滿滿，絕不輕易喊累，做運動的時間可以變長。第二，我會把這個決定告訴身邊的家人、朋友，請他們一起提醒我多做運動。

總而言之，「好的開始是成功的一半」，我相信自己！只是下定決心，就一定能養成勤做運動的好習慣！

《養成勤做運動的好習慣》

劉子馨 (5E)

達芬奇曾說過：「運動是一切生命的源泉。」其實，我們應不應該勤做運動呢？運動對我們的身體好嗎？答案是：我們應該勤做運動，因為會讓我們的身體變得健康。所以，我認為我必須養成勤做運動的好習慣。

首先，從反面來說，如果我沒有養成勤做運動的好習慣，我的身體就不會健康。成人從三十五歲開始骨質流失，隨着年齡增加流失的速度也會加快，所以如果我們勤做負重訓練和肌力訓練就可以增加骨質的密度、增強肌力、改善骨質疏鬆。另外，大腦的重量佔人體總和的百分之二，卻要消耗人體大約百分之二十左右的氧氣，如果大腦供血量和供氧量不足，理解能力、專注力、記憶力、智力思考等能力就會下降，但如果我們做有氧運動可以促進血液循環、提高血液含氧量，也可以提升學習或工作的表現。記得有一次，在學校的時候，我透過同學的告知才知道今天是數學考試，我考試前臨時抱佛腳地把練習題目拿出來做，怎麼知道我百思不得其解，一題也不會做，於是我做了一些簡單的伸展運動，結果到了考試的時候，我不但沒有一竅不通，腦袋也很清晰。透過這件事，我不但知道了伸展運動可以令腦袋靈活，也告訴我要把事情記起來，到時候才不會甚麼都不知道。因此，勤做運動是很重要的。

其次，從正面來說，要是我養成了勤做運動的好習慣，我的身體會變得更健康。美國在2003年曾對運動的人進行研究，發現平常勤做運動的人可以延長壽命、減低死於心臟病的機會、患上高血壓的機會、減少抑鬱和焦慮的情緒等。而且現在新冠病毒肆虐，我們可以規律適度地運動，有助增強免疫力，降低感染風險。可見勤做運動有利無弊。

因此，我已下定決心要養成勤做運動的好習慣。第一，我會每天抽出一個小時來做運動。第二，我會設定一個鬧鐘來提醒我要做運動，並把時間和做的運動記下來。第三，我會把這個決定告訴我的朋友和家人，讓他們來督促我做運動。

總括而言，只要我訂目標，並且努力地實行，所謂「世上無難事，只怕有心人」。我一定會堅持不懈地養成勤做運動的好習慣。

《養成勤做運動的好習慣》

徐朗曦 (5C)

諺語「運動好比靈芝草，何必苦把仙方找。」我認為我必須要養成勤做運動的好習慣。

首先，從反面來說，如果我沒有做運動，我的身體便會不健康。勤做運動可以讓人維持良好的體態以及活力，而且能有效地防止出現憂鬱症或各種情緒問題，有益身心。記得有一次，我一週沒有做運動，我的專注力和記憶力開始降低，影響了我學習的效能。因此，勤做運動是十分重要的。

其次，從正面來說，如果我養成了勤做運動的好習慣，我的身體便會越來越強壯。勤做運動可以促進血液循環，預防高血壓，降低出現心血管疾病。它也能促進新陳代謝、降低血脂、預防癌症和鍛鍊肌肉等。由此可見，勤做運動對我們的身體非常有益。

因此，我下定決心要養成勤做運動的好習慣。第一，我會每天設定鬧鐘提醒自己做運動。第二，我會邀請家人和朋友一起做運動來提醒自己。

總括而言，只要我下定決心，每天實行以上的好方法，我一定能做到的！

《養成勤做運動的好習慣》

趙婧琳 (5B)

我認為大家都應該養成勤做運動的好習慣，列夫·托爾斯泰曾說：「生命在於運動。」

首先，從反面來說，如果我不勤做運動，身體就會不健康。我要是不運動，就有可能患上疾病，例如：糖尿病、血脂、癌症、憂鬱症等。

其次，從正面來說，要是我養成了多做運動的好習慣，身體就會越來越健康。例如跳繩這項運動，每跳三十分鐘就可以消耗熱量四百卡，是一種非常有效的帶氧運動，它對心肺系統等各種內臟器官、協調性、姿態、減肥等都有相當大的幫助；跑步，可以令整個人的精神狀態會頓時提升不少，每天只需花半小時；扭呼拉圈，可以保持良好的身段，使身體的腰腹、臀腿肌肉不僵硬、不退化、幫助腸道的蠕動、幫助消化和排便。由此可見，運動對我們的身體有莫大的益處。

因此，我已下定決心要養成勤做運動的好習慣。第一，我要設計一個「運動時間表」，定下每天做運動的時間。第二，我把這個決定告訴父母，請他們督促我。第三，我一定下定決心，排除萬難，實施我的決定。

總括而言，只要我的目標清晰，立場堅定，我一定能成功。

《養成勤做運動的好習慣》

劉浩海 (5D)

「運動好比靈芝草，何必苦把仙方找。」
我認為我必須養成勤做運動的好習慣。

首先，從反面來說，如果我沒有養成勤做運動的好習慣，我的身體會很不健康，生病的概率會增加，一旦生病了，就無法維持正常的體態及活力。記得有一次，我整整兩個月都沒做運動，結果我每天都沒精打采，學習也提不起精神。因此，我覺得勤做運動是很重要的。

其次，從正面來說，要是我養成了勤做運動的好習慣，我的身體就會越來越健康。多運動可以鍛鍊身體，增強體質，預防疾病。例如：我外公已經七十多歲了，但他還堅持每天做運動，所以身體很健康。由此可見，勤做運動可終身受益。

因此，我已下定決心要養成勤做運動的好習慣。第一，我要堅持每天至少用二十分鐘做運動。第二，我要在手機裏訂一個鬧鐘，每到運動時間，鬧鐘就會提醒我。

總括而言，只要我訂下清晰的目標，堅持自己的計劃，並付諸實踐，就一定能成功。我一定會養成勤做運動的好習慣。

《養成勤做運動的好習慣》

張濠麟 (5E)

有人說：「勤做運動能強健體魄，有益身心。」我們勤做運動有益身心健康。因此，我認為大家都應該養成做運動的好習慣，以下是我們要做運動的原因：

首先，從反面來說，如果我沒有養成勤做運動的好習慣，就沒有強健的體魄。運動是我們生活不可缺少的部分，如果不做運動，我們身體變得肥胖，脂肪就會一直堆積在體內，得不到燃燒。除此以外，如果缺乏運動，容易患上各種慢性疾病，例如心血管病、高血壓、骨質疏鬆等……有研究發現，每週平均做至少兩天運動的中年男士，相比同年齡而沒有做運動的男士，患上心血管病的機會率少三分之一。另外，醫學研究亦發現每週的運動量與心血管病死亡的風險成反比。因此，養成勤做運動是很重要的。

其次，從正面來說，只要我養成勤做運動的好習慣，並且持之以恆，我的身體便會越來越健康。研究顯示勤做運動不但可以令我們有健康體魄，不單可以有助人體骨骼、肌肉的生長，還有增強心肺功能，以及改善血液循環系統、呼吸系統、消化系統的機能狀況。多運動有利於人體的生長發育，提高抗病能力，增強有機體的適應能力。

因此，我已下定決心要養成勤做運動的好習慣。第一，我決定設計一個「每週運動的時間表」，定下每週運動的時間，並把時間表貼在筆記簿上提醒自己每週運動的時間。第二，我決定要把這個重要決定告訴我的家人，讓他們來督促我。

總括而言，只要我訂下清晰的目標，堅持自己的計劃，並付諸行動來實踐，我相信我一定會成功的。我一定會努力養成勤做運動的好習慣。

《養成勤做運動的好習慣》

張子維 (5E)

俗語說：「運動好比靈芝草，何必苦把仙方找」，講的就是做運動的重要性。做運動能強健體魄，有益身心。我認為，我們必須養成勤做運動的好習慣。

首先，從反面來說，如果我沒有養成勤做運動的好習慣，我的身體就不會健康，逐漸衰退。多做運動對身體十分重要，因為它不但可以減少患長期疾病的機會，還能夠促進新陳代謝，令我們延年益壽。牛津大學曾有研究指出常做運動人士患心血管疾病的風險降低48%至57%。換句話說，少做運動的人心血管疾病的風險增加，容易發胖。

其次，從正面來說，要是我養成了勤做運動的好習慣，我的身體就會越來越健康。如果我們勤做運動，便可以增加多巴胺，令我們減輕壓力。記得有一次，我溫習時有很大壓力，媽媽提議我去做運動，放鬆心情。結果，做完運動的我壓力減少了不少。

因此，我下定決心要養成做運動的好習慣。第一，我決定設計一個「運動時間表」，訂下每天定時做運動的時間，大概半小時至一小時。第二，請家人、朋友一起督促和提醒我定時一起做運動，例如每天跳繩三十分鐘，每星期踏單車一小時。

總括而言，只要我訂下清晰的目標，養成勤做運動的良好習慣，才能夠多一份健康保證。我相信我一定會努力養成勤做運動的好習慣。

《一件心愛的玩具》

毛思程 (6B)

每個人小時候都愛玩玩具，你知道我最喜歡的玩具是甚麼嗎？我最心愛的玩具就是魔方。

我的魔方是一個三階魔方，它是正方體，有六個面，每一面都是不同顏色：紅、橙、黃、綠、藍和白，色彩繽紛，別看它的外表似乎很平凡，玩法簡單，它需要七十多個步驟才能完成呢！

魔方是爸爸送給我的生日禮物。我收到這份禮物後，高興得很，我雀躍地把魔方打亂順序，然後開始復原魔方，這邊轉一下，那邊扭一下，但也不能完成。

於是，我只好去請教爸爸，但是爸爸說：「我也不會玩呢！」我彷彿看到了失敗在向我招手。後來，我決定請教「百科全書」——在互聯網上搜尋教學。我在互聯網上找到一些教學影片，我終於能一步一步地復原魔方。我興高采烈地跟爸爸媽媽分享，可是，魔方的公式太難記了，到第二天我決定把公式背下來，把公式都裝進腦袋內。起初，我需要十分鐘才能還原魔方，但經過不斷的反覆練習，我最後只需五十三秒就可以復原魔方了！我覺得很有成就感。

這個小小的魔方雖然看起來十分平凡，卻讓我學會了一個大道理——「世上無難事，只怕有心人」。只要我們願意付出努力，就必定有回報。這是我最小愛的玩具——魔方，我愛我的魔方，它像我的朋友，伴我走過快樂，走過悲傷，所以我一定會好好珍惜和愛護它。

《一件心愛的玩具》

當我看到這一支粉紅色鉛筆，就令我想起一件難忘的事。

上星期三，我和朋友花花在學校裏看到一位低年級同學一臉迷惘的樣子，我們跑到他身旁，問：「同學，你還好嗎？」他憂心忡忡地說：「我的八達通卡不見了。」我自告奮勇地說：「沒問題，我幫你找！」

過了一會兒，小息已經結束，但是我們還未找到他的八達通卡。花花說：「老師已經到達課室，我們要回課室了。」但是我沒有聽她的話，堅持繼續幫低年級同學找八達通卡。

過了數分鐘，花花回課室了，但是我還沒找到八達通卡。低年級同學無奈地說：「算吧！我買一張新的吧！謝謝你！」我不情願地走向課室，剛巧碰到陳老師，我告訴他這件事。原來，小息時有同學拾到八達通卡，並將它放在校務處，我也安心地回去上課。

第二天，陳老師送了一支粉紅色鉛筆給我，他讚揚我樂於助人，我很感動。我會繼續幫助有需要的人。

《一件難忘的獎品》

趙恩宇 (6D)

每當我看到這本筆記本的時候，就會想起得到這份獎品的那一幕……

上學年，我做數學題目的時候總是因馬虎而犯錯，數學科吳老師會在課後教我一些運算技巧，並提醒我容易出錯的地方，在他的鼓勵下，我越來越喜歡上數學課了，我感到數學很有趣！

還有幾個星期就要期末考試，我很緊張，吳老師鼓勵我加油，我每天都做一份課外數學練習題，遇到問題就請教其他人。到了考試那天，我感到考場氣氛很緊張，大家都埋頭答題，我也聚精會神地作答，答完所有題目，還剩下幾分鐘，我就用來檢查以前容易犯錯的地方。

過了幾天，吳老師向全班宣佈：「這次數學期末考試第一名是小宇！」大家都為我鼓掌，然後吳老師送了一本精美的筆記本給我，我心裏像吃了蜜一樣甜！

我很感激吳老師對我的教導和鼓勵，這本筆記本讓我很難忘，因為這是我經過努力而得來的獎品，十分有紀念意義。從這個經歷，我學到了只要努力，就會有回報！

《一次捐贈衣物的經歷》

黃樂妍 (6B)

每當我看到南亞災民收到衣物的照片，就會讓我想起一次捐贈衣物的經歷……

上星期的班主任課，老師告訴我們：「同學們，前一陣子南亞發生水災，他們現在物資緊缺，所以希望同學們能夠向他們伸出援手，捐贈一些衣物，讓他們溫暖地度過冬天……」於是，回家後我便和媽媽一起把舊衣服放在一個袋子裏，準備第二天把它們帶回學校捐贈。

第二天，我回到學校，準備把衣服交給老師時，心裏忽然出現了一把邪惡的聲音，惡魔說：「這些衣服都是限量發售的，當時爸爸特意托國外朋友才買到的，而且平時連你自己都不捨得穿呢！你真的要捐嗎？」此時，心裏又冒出另一把聲音，天使說道：「雖然是限量款式，不過這些衣服已經不合身了，就算把衣服留下，也沒有用處。而且冬天快到了，你忍心看着災民們因為寒冬被活活冷死嗎？」魔鬼插嘴：「就算你不捐，也有很多人會捐的，不如把它們賣了吧！你看，幾乎是新的，把它們賣了，就可以買最新款的遊戲機了！」天使立刻反駁：「災民們吃不飽，穿不暖，你還有心情買遊戲機，還有沒有人性啊！」天啊！我到底該怎樣選擇？我的心中掀起一波波浪花，不斷翻起洶湧的波瀾。

想着想着，我已經走到課室了。突然，朗朗問我：「你怎麼不把衣服交給老師呢？」說完，便拉着我走到老師辦公室前，門上貼着一張災民的照片，我再次看到災民們楚楚可憐的樣子時，我的心就像易碎的玻璃一樣，碎成了千萬塊碎片，我怎麼可以那麼自私自利？雖然有些捨不得，不過我已經為它們拍過照片留念了，而且，衣服沒了可以再買，不過幫助災民只有一次機會，所以，我還是把衣服交給老師。

一個星期後，我們收到了小朋友們穿着衣服的照片，還有些小朋友穿着我的衣服拍了不同的合照。看到她們笑得合不攏嘴的樣子，我開心極了！原來幫助別人也是一種幸福呢！

《一次捐贈衣物的經歷》

一年一度屋苑會所舉辦的「送暖大行動」又開始了，這次是把衣物捐給兒童院的小朋友，因今年天氣特別寒冷，所有住客都積極參與。

回到家後，我立刻打開衣櫃看看有沒有適合兒童院小朋友的衣服。忽然，我找到一件媽媽編織給我的毛衣，我在鏡子中看看自己，再看看衣服，發現已經不合身了，我正想把我的毛衣放入環保袋內，心裏忽然生出一個念頭：不要捐吧！他們一定不會比我更珍惜這件衣服，這毛衣是媽媽花了不少心思為我做的，就算破舊了，也不覺得可惜，而且，我又不認識他們，憑甚麼給他們最好的呢？他們又不會給我回報。

可是當我想到，他們吃不飽，穿不暖的樣子，我就感到不安和難受，而且衣服已不合身了，留着衣服，只令衣櫃太滿，不能再買新的衣服，而我再不能穿上這件珍貴的毛衣，倒不如令衣服變得更有價值，捐給有需要的兒童吧！我內心十分掙扎，不知道如何是好。

這時，我在電視上看到一個節目，介紹兒童院小朋友的缺乏，非常可憐，想到這裏，我已有決定，就毫不猶疑地把毛衣放入環保袋裏，打算第二天帶到會所捐贈。

我想：雖然幫助別人不一定能得到他們的回報，但「施比受更有福」，我相信我也同樣會得到幫助別人的快樂，亦相信媽媽會為我做的決定而感到高興，因為我把她的愛與有需要的人分享，希望大家也可得到溫暖。

今天，我看見捐贈衣物箱，令我想起一年前我捐贈衣物的經歷。

一年前，屋苑舉辦捐贈衣物活動，活動由救世軍舉辦，媽媽叫我拿衣服去捐贈。我打開一看，看見我喜歡的衣服，可是衣服已經不合身了，於是我毫不猶豫地把它們放進袋子裏，準備拿去捐贈。

我把這些衣服拿到附近的捐贈衣物箱時，心想：我應該捐贈這些我喜歡的衣物嗎？這些衣服非常珍貴，是曾祖母生前送給我的，但是家中又沒有空間放置；這些衣物很有特色，有些還是從世界各地買來的，非常漂亮。我不知道如何是好！

這時我又想：如果我不捐的話，我既不能買新衣服，又不能幫助有需要的人。衣服不合穿，難道這些衣服對我還有用嗎？不如把這些衣服掛在牀前，可以讓我每天回憶以前歡樂的時光，為何要捐贈呢？最後，我想到：其實捐贈衣物更好，能給別人幸福，自己也快樂，何樂而不為呢？想到這裏，我決定捐贈衣物，令它們有一位新的主人，讓衣服再次為人服務。

從這一次捐贈衣物的經歷，我領悟到「施比受更有福」的道理，令我體會到助人的快樂。只要我們捐贈衣物，便可以延續衣物的「生命」。

看到我衣櫃裏只剩一半的衣服，我想起了一個月前一次捐贈衣物的經歷……

一個月前，學校舉辦回收衣物的活動，鼓勵我們多幫助有需要的人士。因為快到冬天了，所以老師想讓我們捐贈一些不合穿的長袖衣服和長褲。我想：反正又不是必需的，對我又沒甚麼好處，我可以給小幾歲的朋友穿，可以給姐姐做手工，還可以留作紀念。

可是當老師播放山區小孩在冬天生活的片段時，我的心動搖了。冬天，他們只能穿着薄薄的衣服去上學，看着他們光着腳踩在雪地上走路，那樣子真讓人心疼！

我的內心不斷掙扎：反正都不常穿，把衣服捐給需要它們的小朋友吧！這可是你同學送給你的九歲生日禮物，怎麼能轉頭就送人了呢？她知道你是幫助別人的話就不會怪你，而且山區的小朋友很可憐啊！

經過一番掙扎，最後我選擇了捐贈衣物。我回家後把衣櫃裏的衣服整理好，選出了一些用不到的衣物，隔天交給了老師。

這次捐贈衣服確實讓我掙扎良久，但我因為做了對的選擇而感到自豪。三星期後，萬眾期待已久的感謝片段來了，雖然我沒有看到他們穿上我捐贈的衣服，但我感受到世間的溫暖，竟如此可貴。

《我最喜愛的季節》

伍妍心 (6E)

一年四季中，我最喜愛的是秋天。

每到秋天，樹上的葉子變黃了，一片片脫落在地上，給大地蓋上了一層厚厚的棉被。聽着枯葉踩在腳下「沙沙」的響聲，我拾了幾片好看的樹葉回去當書籤，留着細細欣賞！

秋天，有許多美食紛紛上市：大閘蟹、秋刀魚、

柿子、蜜蘋果……而我最期待就是炒栗子。每次路過炒栗子店都忍不住求媽媽給我買一包，熱騰騰的拿在手裏，剝好的栗子放進口裡，頓時嘴裡充滿栗子的清甜味。

秋風拂過，菊園裏的菊花熱情地向我們揮手。色彩斑斕的菊花綻放，紅的似火，白的似雪，黃的似金，令我看到眼花繚亂，目不暇給，那淡淡的清香令我深深陶醉其中。此時此刻，秋菊彷彿把它帶來生命，帶來力量。

這就是我最喜愛的季節——秋天。

《我最喜愛的季節》

蕭俊言 (6B)

春、夏、秋及冬均有不同的特點，而我最喜愛的就是春天。

春雨悄悄地隨風飄灑，打在窗門玻璃上，好像演奏着美妙的樂曲一樣，把我從睡夢中喚醒。

冬去春來，晴朗的太陽漸漸升起，溫暖的春光照在花苞上的露珠兒，好像一顆顆閃閃發光的珍珠。色彩繽紛的花朵們，像美麗的小姑娘在鬥麗爭妍。百花齊放，到處飄蕩着一陣陣令人陶醉的香氣，不僅吸引了蜜蜂來到花叢中勤勞地採蜜，還吸引了蝴蝶在空中飛舞。

春天溫暖了大地，樹上的小鳥吱吱咋咋地叫個不停，好像要跟世間萬物歌頌春天的來臨。人們不約而同的到花市購買各種各樣的春節物品，準備迎接春節的來臨。

我最喜愛春天不僅是因為春是四季之首，象徵着一年的新開始，春天也是中國人最重視的一個季節。人們在春節互相祝賀，希望大家全年都是「身體健康，春風得意」。

《週記》

梁昕悅 (6B)

十一月十一日至十七日

這星期，我渡過了難忘的一周，因為媽媽到了外地公幹，家裏發生了不少事情呢！

星期一，我放學後回到家，立刻去看電視。我心想：今天沒有人管着我，就把握這機會，把電視看個夠吧！我完全忘記了功課，不知不覺，天色由藍轉黑。吃晚飯的時候，爸爸突然問我：「悅悅，你做完功課了嗎？」爸爸一言驚醒夢中人，我聽到這句話後便慌張地跑到房間，連忙做功課。我對於沒有控制好自己真是後悔莫及，我怎麼不完成功課再去盡情地玩耍呢？平時，媽媽一直提點我，我總覺得她很囉嗦，現在我終於明白她的苦心了。

星期三，弟弟抱怨每天總是吃外賣，於是我便提出自己嘗試煮飯。可是，煮飯並沒有想像中容易。我們煎牛排的時候，不是下得太多油，就是把牛排煮得太久。炒菜時又不小心燙傷了手。最後，我們把廚房弄得亂七八糟，不得不放棄。原來，媽媽平時為我們煮飯是這麼難的！

星期六是媽媽回來前的一天，我、爸爸和弟弟決定把家裏清潔乾淨，給媽媽一個驚喜。我負責抹書櫃，弟弟抹桌子，爸爸掃地。我們滿以為這些家務很簡單，誰料弟弟抹桌子時，不小心打破杯子；我抹窗時站不穩，從椅子上掉下來，幸好沒有弄傷；爸爸抹地的時候把水桶踢翻了……結果，家裏比原本更凌亂呢！

星期日，媽媽終於回家，我立刻上前擁抱她。這星期讓我知道了媽媽是多麼的重要，平時我可能會覺得她很煩人，但其實她也是為我好。我這輩子能有這麼好的媽媽，我一定要珍惜！

《再見，我的小學生活》

譚善文 (6D)

歲月匆匆，時光飛逝，六年的小學生活快要結束了。此時此刻，心情百感交集，有緊張、興奮、不捨。

這六年裏，我認識了很多朋友。再見了，同窗們！我們認識六年了，經歷了不少事情，有開心的，有傷心的。我們互助互勉，一起度過崎嶇的路，成為形影不離的好友。如今要道別，十分不捨！

在這六年的生活，母校還給我們優良的學習環境。母校，讓我向你呈上衷心的感激！你不但讓我們得到良好的學習機會，更讓我們留下了難忘的經歷。你的每個角落，包括花草樹木、課室和操場，全都充滿了我的思念。

這六年來，老師們日復一日，年復一年，每天都傳授知識。老師對我的恩情、關懷，不知不覺讓我的心靈充滿感激。你們更一直引領我們，讓我們一次又一次踏上人生的路程。你們更教導我們不同的人生道理，使我們積極面對人生的高山低谷。老師們，謝謝您！

啊！這六年裏留下了酸甜苦辣。我品嚐過人生的各種滋味，也時光是不能重來的，所以要積極面對未來，不能留下遺憾。我要努力面對新里程。我承諾將來一定會好好學習，健康成長，回報母校的恩情！我向好友、老師和小學生活告別，呈上衷心的感激！

一眨眼，小學六年的時光便過去了。這一刻，我百感交集——緊張、興奮、悲傷和不捨。

記得剛上小學時，我對身邊陌生的環境十分不安。幸好有老師們安慰、鼓勵，讓我慢慢適應小學生活。老師們，謝謝你們的教導！我們是小草，你們是太陽，照耀我們成長的路；我們是幼苗，你們是朝露，滋潤我們的心田。謝謝你們，敬愛的老師們，你們給我的溫暖，對我的付出，讓我終生難忘！

我們即將升讀中學，要和好朋友、好同學告別了。再見，我的同窗！你們的友情，在我的生活中就像一盞燈，照亮了我的心靈，使我的生命有了光彩！每次我收到一些已經出國的同學給我寄來的賀卡，我都會看好幾遍，眼眶不知不覺間盛滿淚水。可別人都不知道，那一張小小的賀卡，對我來說是無比深厚的意義！小學六年，我們建立了珍貴的友情。

六年時光聽起來很漫長，實際上卻恰恰相反。我們很快就要升讀中學了，會有很多新事物等着我們去嘗試和體驗。我既緊張又期待。升上中學，表示另一階段的開始，表示我們的未來之路又跨進一步。我們要多準備，投入中學新生活。

再見了！我的小學生活！您就像一把金鑰匙，為我們打開了知識大門。謝謝您，我的母校、老師、同學！
