

Exchange Programme with Dongtan Joongang High School, Korea

A-School aims at providing different opportunities for students to explore various cultures in the world. In early February 2017, 10 A-School students and 1 teacher went to Korea to visit Dongtan Joongang High School. In the programme, our students experienced a lot of Korea cultures like Taekwondo and Korean traditional crafts. All had a fruitful and meaningful trip in Korea. After that, in mid February, 8 students and 1 teacher from Dongtan Joongang High School visited our school. The Korean students attended different kinds of lessons and learnt Hong Kong culture and development. All had a wonderful and memorable visit in Hong Kong.

Here are some students' sharing:

10E Chan Ka Ki

This exchange programme was very wonderful and meaningful to me. I made many new friends and learnt many traditional Korean culture. I became more independent. It really gave me a memorable moment.

10A Au Ka Hei Natalie

The ski class is the most impressive thing throughout this exchange programme. We had a good time with the ski teacher, moreover, it is fun. I really enjoyed it a lot.

Ski lesson at YongPyong Ski Resort

Joining taekwondo lesson at DTJA High School

Learning Korean traditional crafts

Visit to Hwa Sung Castle

Sharing and music performance by Korean students at hall assembly

Cantonese lesson

Joining activities at A-School Mathematics Week
