

### **Global Vision Christian School, Mungyeong, Korea (January 2019)**

Four Grade 7 and Five Grade 8 students joined the Winter Korean Cultural Experience Camp organised by the Global Vision Christian School, Korea on January 19 to 26, 2019.

Global Vision Christian School is a Christian international alternative school based on a Christian belief worldwide, with the purpose of cultivating global Christian leaders with outstanding spirituality, character, and intelligence.

During the programme, they were able to meet students from Korea, Taiwan and Indonesia. They were divided into groups and completed different tasks together. Our students could explore different Korean culture by joining lessons such as Korean language lessons, ceramic class and Taekwondo lesson. Our students also had the chance to learn ski in Elysian Gangchon Ski Resort. They also explored Seoul and visited Bankimoon Birthplace, Namsan Tower and Samsung d'light place.

After joining the programme, I have learnt to communicate with others and try to meet new friends from different countries. I have learnt to be brave and to step out my comfort zone to talk to foreigners. I could explore Korea culture and learn new things through this exchange programme.
